Opt-Out of Electronic Communication

I choose not to receive any communications from Midwestern Baptist Theological Seminary and/or Midwestern Baptist College, SBC, via email or by any other means of electronic communication.

I am directing that the information I would have received via email now be mailed to me via the U.S. Postal Service. I understand this includes my grades, messages from my professors, and any other information Midwestern might need to send to a student.

I understand I can revoke this directive at any time, but I must do so in writing.
