\* The tuition rate for the spouse of a master's or undergraduate student is 50% the tuition rate of the full-time student and applies to the spouse taking the least hours. The tuition rate for the child of a master's or undergraduate student is 75% the tuition rate of the full-time student and applies to the individual taking the least hours. Full time is defined as 9+ credit hours for master's students and 12+ credit hours for undergraduate students. Both students must be fully-admitted, degree-seeking students and both pay registration and other fees, if applicable (e.g., course fees). Online courses are not eligible for discount. Student must apply for the discount in the Financial Aid Office.

\*\* Students must remain continuously enrolled, throughout the payment period noted with each degree.
