Please read carefully the information in the current seminary catalog relative to housing.

A deposit of \$100.00 for a room in the Residence Hall or \$250.00 for an apartment or house must accompany this application. The deposit is refundable if housing is not available, or if you cancel your reservation at least one month before the planned occupancy date. After you enroll, the deposit becomes a damage deposit. It is refundable if all debts have been satisfied and if no unusual repairs or cleaning needs to be made to the room/apartment. In the event a moving notice is given within 90 days of possession, a minimum of \$100.00 will be retained from the deposit to cover additional servicing of the room/apartment. A 30 day written notice is required for all moves off campus to be eligible for deposit refund.

Housing Assignment Policy

1. Housing requests for students having enrollment approval from the Admissions Committee and accompanied by the appropriate deposit are processed by the Housing Office with the date of receipt of the properly completed application serving as the chronological basis for making assignments.
2. Type (i.e.: number of bedrooms) of campus housing assigned will be based on the availability of the unit requested and what you qualify to occupy. (The seminary reserves the right to make assignments that will assist in accommodating needs for housing and efficiently utilizing available units.)
3. If campus housing is not available at the time of request, applicants will be placed on a chronological waiting list based on receipt of an approved application with deposit. This applies to both newly admitted and current students.
4. Applicants notified of available campus housing must respond to the Housing Office within 5 working days regarding their acceptance or refusal of assigned unit. Units may not be held for more than 30 days without receipt of rent. An applicant not accepting a unit when offered twice may be removed from the waiting list and must submit a new request.
5. Due to the limited number of 3 and 4 bedroom units, assignment of these units will generally be restricted to families with 3 or more children. The age and gender of the children will also be a determining factor.
6. In accordance with the policy set by the Seminary Housing Corporation, tenants will **not** be allowed to have pets.
