FOOD PANTRY >> The next Midwestern Food Pantry will be held on Sept. 24. The pantry is located in the Koehn & Myers Center (lower level, back side). It is available to all admitted MBTS students and their families, and is generally open on the fourth Thursday of each month from 4:00 to 7:00 p.m. Students may only pick up food for themselves and immediate family members (not for roommates/neighbors).

GUIDESTONE REGISTRATION DEADLINE >> The deadline for new students to enroll in the Guidestone health plans is Sept. 21. Guidestone allows 30 days from new student registration, which took place Aug. 21, to take advantage of purchasing health programs without any health-related questions for the applicant or their families. Also, Guidestone will cover any pre-existing conditions without questions during this period. For more information, please contact Shelia McAnally at 214-720-2114.

CAMPUS SAFETY REMINDER >> Campus Security wishes to remind students, faculty and staff that passing school buses, while they are stopped and their signs are posted, is illegal. This type of activity greatly endangers the children on campus. There have been a number of complaints about this issue, and these offenses must stop immediately. As a matter of information, bus drivers have the authority to take license plate numbers and report offenders to the police department, so they can issue tickets and fines. Please obey all traffic laws on campus in the same manner you would off campus.

CYBER CAFÉ LEARNING SESSIONS >> The MBTS Library will host the Cyber Café in the computer lab from 12:30 to 1:30 p.m. on Thursdays. This will consist of five sessions of hands-on, guided instruction. Cyber Café gives students the opportunity to review the latest research materials and online databases. On Sept. 17, the topic being discussed is the WIL0 catalog, which provides an easy approach to searching our library's holdings. Lunch will be served. Please contact Amanda Clutter at aclutter@mbts.edu or 414-3729 to sign up, or simply visit the library. We hope to see you there!

PFC, HEARTLAND FLY-IN >> On Sept. 26, from 8:30 a.m. - 4:30 p.m., Pilots for Christ, Heartland, will be hosting a fly-in at the Lee's Summit airport. PFC will be giving airplane rides, and they only ask for a donation (\$20 per flight is recommended). Proceeds will go toward their mercy flight fund, which provides patients emergency medical flights at no expense. It will be a Christ-centered, family-friendly, fun event. MBTS students, faculty, and staff (and their families) are invited to attend and experience the thrill of flight, as well as the sight of our city from the air. Please come have fun and support this outstanding organization that seeks to minister and make Christ known in the heart of America. Volunteers are welcome to assist at the fly-in by distributing Gospel tracts and sharing the Gospel with visitors and by helping guide traffic for the event. For more information, contact Dr. Jim Anderson at 414-3743 or janderson@mbts.edu.

SOUTHERN BAPTIST RESEARCH FELLOWSHIP ON CAMPUS >> The Southern Baptist Research Fellowship is holding its annual meeting at MBTS from Wednesday evening, Sept. 16 to Friday morning, Sept. 18. The meeting will be held in the Downing Room, in the Koehn & Meyers Center, and anyone interested in attending any of the sessions is welcome. Presenters include Dr. Bill Day from New Orleans Baptist Theological Seminary, Richie Stanley from the North American Missions Board, Scott McConnell from LifeWay, Dr. Curt Watke, from the Intercultural Institute for Contextual Ministry, and Dr. Mike Bizell, the 2008 SBRF Researcher of the Year. MIDWESTERN EVANGELISTIC TEAMS

Vol. 12, No. 3

One Great Opportunity

We have a great opportunity to build up the body of Christ on Sept. 30, during the "One Great Week of Sharing" at Midwestern. I am not just talking about the lost coming to know Jesus, but seeing members of our churches getting involved in engaging the lost. Through my short years of ministry, I have seen God use events like the "One Great Week of Sharing" to spur on those in the church to start evangelizing. It is a great chance for those in your church to serve alongside men or women who have experience in sharing the Gospel of Jesus Christ. It also will be an uplifting environment to be in because of the large number of people going out. This could be the event that finally sends the wake-up call to some of God's straggling army. So I ask and plead that you seriously consider making plans to attend the Wednesday afternoon outreach all across Kansas City with your church, youth group, small group, or whoever you decide to bring along. Just please take this opportunity to make an impact in a Christian's life around you.

For you new students this is a great time to meet new people and churches. I hope you have been earnestly searching for a place to serve since you have arrived at Midwestern. If not, this could be your chance to meet and greet some of our great evangelism leaders around the area. It also is a great opportunity to just worship your Lord Jesus Christ.

I also want to say that if you have never shared your faith with a stranger and feel unequipped please come help us anyway. God loves using those that are "unequipped" to reach the unsaved. Do not be afraid to be honest with yourself and realize that you need help with evangelism. Do not be afraid because all of us had to be taught at some point. Use Sept. 30 as your launch date into evangelism. Even better, just contact one of the MET (Midwestern Evangelism Team) leaders, and they would be overjoyed to receive you and get you on a team this week. Most importantly, just do what the Holy Spirit is telling you. Please share your faith today with someone you do not know.
