PROFILE

Midwestern Baptist Theological Seminary, primarily a professional graduate school, is an entity of the Southern Baptist Convention, serving as a community of higher learning for persons called to ministry. The Seminary is supported by the Southern Baptist Cooperative Program and is governed by a board of 35 trustees, elected by the Southern Baptist Convention. In fulfilling their stewardship for the Seminary, the trustees have adopted the SBC Baptist Faith and Message, 2000 as the Seminary’s Statement of Faith.

Purpose Statement of the Southern Baptist Seminaries

Southern Baptist theological seminaries exist to prepare God-called men and women for vocational service in Baptist churches and in other Christian ministries throughout the world through programs of spiritual development, theological studies, and practical preparation in ministry.

Mission Statement of Midwestern Baptist Theological Seminary

Midwestern Baptist Theological Seminary serves the church by Biblically educating God-called men and women to be and make disciples of Jesus Christ.

Core Values

Veritas / Truth – “Know”

We believe that the Bible is the inspired, authoritative, inerrant Word of God, and thus it instructs, motivates, and guides us in all areas of ministry. We are committed to helping students to understand, communicate, practice, and defend Biblical truth.

Pietas / Devotion – “Be”

We seek to model and to instill in the lives of our students supreme devotion to the Lord. We seek to provide an atmosphere for students that cultivates consistent discipline and balanced spiritual growth that validates their call to ministry. We strive to accomplish this through Biblically based teaching and by providing opportunities to develop a lifestyle of Christian love and integrity. We believe Christ-like relationships with God, family, church, community, and world are essential and should be cultivated.

Missio / Evangelism – “Do”

We believe the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ is to endeavor to make disciples of all nations. The Lord Jesus Christ has commanded the preaching of the Gospel to all nations. It is the duty of every Christian to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Jesus Christ.

We believe in the primacy of the local church in the work of evangelism. We prepare students to worship God, evangelize the lost, edify believers, and establish Biblically-based churches for the purpose of glorifying God.

We prepare students to be leaders who demonstrate commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. We seek to develop leaders who exemplify and communicate the Great Commission in their ministry settings.

Teaching and Learning Values

We seek to train students to integrate Biblical teaching within Midwestern’s theological context in the construction of a Christian worldview. We strive to accomplish this training by developing analytical, constructive, and interpretative competencies with an emphasis on integrative theological study as a base for the development of professional skills.

Institutional Objectives

Teaching Objectives

We seek to integrate Biblical teaching within Midwestern’s theological context to equip students to mature in their Christian worldview and in their professional ministry skills.

Learning Outcomes

Through exegetical, theological, and practical educational processes, MBTS will produce students who

- Believe that the Bible is inspired, authoritative, and inerrant (2 Tim 3:15-16; 2 Pet 1:19; Mt 5:17-18)
- Understand and apply Biblical truth (Rom 15:3-5; Jn 17:17)
- Exemplify Biblical leadership and doctrinal integrity in ministry (1 Pet 5:2-4)
- Demonstrate Christ-likeness in seeking and cultivating all relationships (Eph 4:30-32; Col 3:12-13)
- Manifest a developing and disciplined Christian life (Gal 5:22-23; 2 Pet 1:5-7; 1 Tim 4:7)
- Commit themselves to fulfilling the Great Commission in worshipping God, evangelizing the lost, discipling believers, and establishing healthy Biblical churches in culturally relevant ways (Mt 28:18-20; Eph 4:11-14; 1 Cor. 9:19-23).

These institutional objectives and learning outcomes were approved by the faculty of Midwestern Baptist Theological Seminary on November 1, 2007, and adopted by the Board of Trustees in fall, 2008.
Accreditation

Midwestern Baptist Theological Seminary maintains professional and academic accreditation with the Higher Learning Commission of the North Central Association of Colleges and Schools (NCA-HLC) and the Association of Theological Schools (ATS) in the United States and Canada. Both NCA-HLC and ATS are recognized by the Council for Higher Education Accreditation (CHEA) and the U.S. Department of Education (USDE).

In December 1961, Midwestern was granted associate membership with ATS. Full membership and accreditation were received on June 9, 1964. This accreditation is periodically reviewed and has been successfully maintained. ATS granted a separate accreditation of Midwestern’s Doctor of Ministry degree program in June 1977. ATS granted preliminary accreditation to the Master of Church Music degree in June 1991. In 2001 ATS granted approval for Midwestern to begin offering the Doctor of Educational Ministry degree program. In 2007, ATS approved the Ph.D. program.

NCA-HLC awarded Midwestern accreditation of its professional master's degree programs in March 1971 and its professional Doctor of Ministry program in April 1975. The undergraduate associate degree programs were approved in 2004. On August 12, 2005, NCA-HLC extended Midwestern’s accreditation to include the Bachelor of Arts degree. In 2007, NCA-HLC approved the Ph.D. program. In the summer of 2010, NCA-HLC approved Midwestern to offer the Master of Arts degree, Theological Studies major as an entirely online degree program. Accreditation by this diversified and comprehensive agency assists Midwestern in accomplishing its professional objectives and commends its graduates to the larger academic and professional communities.

Questions or appeals regarding accreditation issues and/or matters needing outside mediation may be directed in writing to ATS at The Association of Theological Schools, 10 Summit Park Drive, Pittsburgh, Pennsylvania 15275-1110, by phone at 412-788-6505, or by email at ats@ats.edu. Additional information may be obtained from the ATS web page at www.ats.edu. NCA-HLC may be contacted in writing at The Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, Illinois 60604, or by phone at 800-621-7440. Additional information may be obtained from the NCA-HLC web page at www.ncahlc.org.

Affiliation

Midwestern is a member of the American Schools of Oriental Research (ASOR). A corporate entity located in the United States, ASOR carries on its foreign operations through grants made to independent centers in the Near East, such as Jerusalem's Albright Institute of Archaeological Research and Amman's American Center of Oriental Research. Midwestern students have the privilege of attending the Albright Institute without tuition charge and may compete for fellowships offered for research in the Near East. Through its relationship with ASOR, the seminary and its students participate in the work of exploration and excavation in Bible lands, a work that helps unfold information important to theological understanding.

Facilities

The Midwestern campus covers approximately 200 acres of beautiful woods and rolling meadows in North Kansas City, just 10 minutes from downtown Kansas City. The Seminary is strategically located, adjoining I-29, U.S. 69, and U.S. 169 and within five miles of Interstate Highways 35, 70, 435, and 635. This proximity to major transportation networks makes the campus easily accessible, and many students and adjunct professors who serve on the field can commute to Midwestern from the surrounding areas.

The campus consists of five main areas: an administrative building, chapel, Trustees' Classrooms, student housing, and the Koehn-Myers Center for World Evangelism. The Administrative Complex includes the Library, Administration Building, and Annex which houses Campus Operations and Information Technology offices.

The Midwestern Seminary library is housed in a three-story building near the center of the campus in the Administration Complex. The collection consists of over 200,000 cataloged volumes in addition to a large body of general and denominational periodicals (625 current subscriptions) and other serial materials. The Library participates in the Missouri Library Network, a computerized system of shared cataloging, and the Missouri Bibliographic Information Users System (MOBIUS), a consortium of academic libraries in Missouri. Additionally, many electronic full-text resources and databases are available through the library’s website for authorized users.

The Library Curriculum Lab contains the material published by LifeWay Christian Resources, other SBC agencies, and the Woman's Missionary Union. Over 500 items of current materials are on display for students and other interested persons.

The Charles H. Spurgeon Library Collection is now a part of the Midwestern Library. The Charles H. Spurgeon Library Collection was acquired by the Missouri Baptist General Association (now Missouri Baptist Convention) when it was available for purchase in London for 500 pounds during the sessions in 1905. Afterward, the Collection was sent on the S.S. Cuban on Dec. 19, 1905, to New Orleans, Louisiana, then on to Kansas City, Missouri, by the Illinois Central Railroad. The collection was housed at William Jewell College in Liberty, MO, for approximately 100 years.

Charles H. Spurgeon (1834-1892) was one of the most prominent English Baptist pastors of the 19th century. Representing the subject areas of literature, theology, travel, biography, science, hymnody, history and humor, with religion being the largest category, the Collection features
great Christian writers and has more than 6,000 volumes including many of Spurgeon’s personal works. Portions of the Collection are on display in Midwestern’s existing library, while the remaining parts are currently housed in a climate controlled library annex for classification, cataloging, and restoration.

The Library Mission Resource Center is a collection of mission artifacts collected from across the world. The late Dr. Lavell Seats, who served as the professor of missions, accumulated the collection over a lifetime. A missionary for 17 years and a teacher for 43 years, Seats began his collection while serving as a missionary in Nigeria, donating the artifacts to the Seminary in 1994. The collection is an educational tool for students who will be working in different cultures as missionaries to give insight into these cultures and traditions. Items include nativity sets, traditional clothing, dolls dressed in ethnic costumes, as well as everyday utensils used in cultures.

The Morton Collection features over 1,000 archaeological artifacts from the Holy Land. These were collected by the late Dr. William Morton, Biblical archaeology professor from 1958 to 1984.

The Morton-Seats Institute of Archaeology and Anthropology was formed by Midwestern to provide a permanent and public display area for the Morton and Seats collections. It is also a research center for the ongoing archaeological and anthropological study of the ancient and modern people groups in North Africa and the Middle East. Midwestern provides students the opportunity to participate in accredited archaeological excavations and anthropological field studies abroad which supports the Master of Arts in Biblical Archeology degree.

The recently renovated Trustees’ Building houses classrooms, offices for student development, admissions, financial aid, and a student center in the lower level. Student mailboxes for campus mail are also located in the student center, along with the LifeWay campus bookstore, owned and operated by LifeWay Christian Resources. This building serves as an academic and social gathering place.

The Koehn-Myers Center for World Evangelism is named after two martyred missionaries, Bill Koehn and Martha Myers, both of whom attended Midwestern Baptist Theological Seminary. The Koehn-Myers Center houses the library annex; academic, doctoral, and faculty offices; a student lounge; and the Vines Café.

In early 2010, construction of a new chapel complex was begun. This facility will house a 1,000 seat auditorium, additional class and conference rooms, and a food service area.

**Faculty**

The faculty consists of twenty-five full-time, two part-time, four administrative faculty members, and approximately 50 adjunct professors.

**Student Body Profile**

The students at Midwestern Baptist Theological Seminary and Midwestern Baptist College, SBC come from a wide variety of cultural, economic, and geographical backgrounds. By early September of 2010, the fall enrollment was 962 students from 26 states and 13 foreign countries. The average age of these students was 37, and over 68 percent of them were married. Two hundred and forty-one students were enrolled in undergraduate programs, 435 in master’s programs, 267 in doctoral programs, and 19 in the WISDOM program. The students, like the faculty and staff, are committed to theological education in preparation for the practice of ministry.

The blend of new college graduates with second career professionals brings a richness of life experiences to the classroom. This dynamic, coupled with the classroom instruction, prepares Midwestern students for ministry anywhere God may lead them.

**Trustees**

As an institution of the Southern Baptist Convention, Midwestern is guided by a board of trustees elected by the convention at its annual meeting. The trustees elect faculty members who subscribe to The Baptist Faith and Message 2000 of the Southern Baptist Convention.

Midwestern derives a significant portion of its financial support from the SBC Cooperative Program. In addition to Cooperative Program funds and student fees, alumni gifts and endowments from special friends enable Midwestern to further its far-reaching ministry.

MIDWESTERN BAPTIST COLLEGE, SBC
(See the Midwestern Baptist College Academic Catalog for details regarding the following programs of study.)
INTRODUCTION

The Student Handbook clarifies policies designed to provide a safe atmosphere conducive to campus living and academic pursuits. While enrolled, students and family members are to be familiar with the handbook and its obligations. Questions or requests for information regarding the Student Handbook may be directed to the Student Development Office.

Midwestern’s Core Values and Student Responsibilities

Ministry is Biblical. Because we believe the Bible is God’s inerrant word, we believe that every person of every race possesses full dignity and is worthy of respect and Christian love. Midwestern students are expected to model this value by showing respect and Christian love towards other students, faculty, staff, and administrators. This respect for other individuals includes an appreciation of cultural backgrounds different from one’s own, an understanding of different attitudes and opinions, and an awareness of the consequences of one’s actions on the broader community.

Ministry is Leadership. Because we seek to develop leaders who exemplify and communicate God’s vision in their ministry settings, we believe students should strive for the highest standard of integrity.

Ministry is Relational. Because we believe Christ-like relationships with God, family, church, community, and the world are essential and should be cultivated, students are expected to model kingdom relationships with the various members of the seminary campus. While students are encouraged to share their opinions and convictions, freedom in any orderly relationship of human life is always limited and never absolute. Therefore, students are expected to strive towards high standards of compassion and courtesy in the exercise of their freedoms.

Ministry is Personal and Spiritual. Midwestern seeks to provide an atmosphere for students that cultivates consistent, disciplined, and balanced spiritual growth and that validates the student’s call to ministry. Students are expected to progress toward moral and spiritual maturity through the indwelling presence and power of the Holy Spirit.

Ministry is Focused. Midwestern prepares students to be twenty-first century ministers who demonstrate a commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. Student conduct is expected to reflect these commitments.

Student Handbook

Emergencies

For immediate help in an emergency or threatening situation, individuals should call 911—Kansas City’s emergency telephone number. This 911 number will reach fire, police, or ambulance service. After relevant information is reported to the 911 operator, campus personnel should be notified immediately by calling 816-678-9355. Students may also call this number to report housing emergencies.

In Kansas City, Missouri, emergency preparedness officials test the city’s severe weather warning siren system at 11:00 a.m. on the first Wednesday of each month.

COMPLIANCE WITH FEDERAL LAWS AND REGULATIONS

Nondiscrimination

Midwestern complies with applicable laws regarding nondiscrimination in its educational and employment policies based on factors such as race, gender, national origin, age, or disability. As a religious organization, Midwestern does consider religious faith, practice, and character to be relevant criteria in many educational or employment decisions. Any questions about these polices should be directed to the Student Development Office located in the Trustees Classroom Building or by calling 816-414-3733.

Student Right to Know

Midwestern complies with the Crime Awareness and Campus Security Act of 1990. This act requires Midwestern to collect, prepare, publish, and distribute campus crime statistics and security policies. This information is published on an annual basis in the Student Right to Know and Compliance Report and is available at http://www.mbts.edu/downloads/future_students/college_handbook.pdf or at the Student Development Office located in the Trustees Classroom Building or by calling 816-414-3733.

Drug and Alcohol Awareness

Midwestern subscribes to the Drug Free Schools and Communities Act. School policy expressly forbids the possession, use, and/or distribution of alcohol, illegal drugs, and all other controlled substances on Midwestern’s campus. (The Disciplinary Action section later in this handbook provides details of the sanctions applied for violations of these school policies.)

More detailed information about drug prevention, legal sanctions, health risks, and drug and alcohol counseling, treatment and/or rehabilitation programs is available at the Student Development Office located in the Trustees Classroom Building or by calling 816-414-3733. All on-campus undergraduate students are required to attend an annual Drug and Alcohol Awareness workshop.
Facilities and Services for Disabled Students

Midwestern is committed to complying with Title II of the Americans with Disabilities Act (ADA). This Act requires that no qualified individual with a disability will, by reason of such disability, be excluded from participation in or be denied the benefits of entities services, programs, or activities or be subjected to discrimination by any such entity. Similar obligations are found in Section 504 of the federal Rehabilitation Act of 1973.

Students with disabilities are expected to master the fundamental skills and knowledge that are required for their course of study. Students should not expect Midwestern to excuse them from requirements that are difficult but rather should take the necessary steps to ensure that they are getting the help they need to enable them to meet the program’s requirements.

Any student seeking effective auxiliary aids for a current disability is responsible to provide the Student Development Office with timely and adequate documentation of the student's disability. Acceptable documentation is a necessary prerequisite for proper evaluation of the reasonableness of a proposed accommodation or modification to the rules, policies, and practices of Midwestern. The Student Development Office can provide the student with guidelines for acceptable documentation of a disability.

The student is responsible for initiating consideration for accommodations relating to course or degree requirements with the Student Development Office. Based on appropriate documentation and discussion with the student regarding past experiences, the Vice President for Student Development will decide if accommodations are warranted and what accommodations should be recommended.

Further information is available at the Student Development Office located in the Trustees Classroom Building, by calling 816-414-3733, or on Midwestern’s web site at http://www.mbts.edu/site/consumer_information/DisabledStudents.

To submit a ministry position opening or for more information a student should contact the Student Development Office located in the Trustees Classroom Building or call 816-414-3733.

Peer-to-Peer File Sharing

The Higher Education Opportunity Act (HEOA) includes provisions that are designed to reduce the illegal uploading and downloading of copyrighted works through peer-to-peer (P2P) file sharing (an approach to content distribution in which digital files are transferred between
“peer” computers over the Internet). Consistent with principles of Midwestern and the expectations for student behavior, Midwestern views education as the most important element in combating illegal sharing of copyrighted material and uses a variety of methods to inform Midwestern’s constituents about the law and responses to claims of copyright infringement. (The website http://www.mbts.edu/site/consumer_information#Peer-to-Peer provides more detailed information.)

Midwestern currently employs an enterprise-class Sonicwall security device for analysis of all inbound and outbound network traffic. Access to P2P protocols is blocked as much as is practical by current technology. When excessive sustained uploading is detected, the Information Technology (IT) department makes an effort to identify the end user’s system and notify the user of the issue and possible causes. In extreme cases, when contact cannot be made with the system owner, the data connection is severed until the owner can be reached and the issue resolved.

Students who share files of which they are not the copyright owners are most likely in violation of Seminary policy and potentially subject to lawsuit by the copyright holder under the Digital Millennium Copyright Act. Students are responsible for understanding what constitutes legal use of music, movies, software, images, and other copyright works that they own or use. In using Midwestern’s network resources, students agree to abide by the policies and guidelines set forth by Midwestern.

Questions about file sharing may be addressed to Midwestern’s Helpdesk by calling 816-414-3763 or by emailing helpdesk@mbts.edu.

Repayment Policy (Return of Title IV Aid)
The federal government mandates that students who withdraw from all classes may only keep the financial aid (federal Title IV grant and loan assistance) they have “earned” up to the time of withdrawal. Funds that were disbursed in excess of the earned amount must be returned by the institution and/or the student to the federal government.

Scholarship Fraud
According to the Federal Trade Commission, perpetrators of financial aid fraud often use the following lines to sell their scholarship services; students should avoid any scholarship service or website that says the following:

- “This scholarship is guaranteed or your money back.”
- “You can’t get this information anywhere else.”
- “I just need your credit card or bank account number to hold this scholarship.”
- “We’ll do all the work.”
- “This scholarship will cost some money.”
- “You’ve been selected by a ‘national foundation’ to receive a scholarship” or “You’re a finalist” in a contest you never entered.

If you believe you’ve been the victim of scholarship fraud, wish to file a complaint, or want more information, call 1 (877) FTC-HELP or see www.ftc.gov/scholarshipscams. On November 5, 2000, Congress passed the College Scholarship Fraud Prevention Act to enhance protection against fraud in student financial assistance by establishing stricter sentencing guidelines for criminal financial aid fraud.

Student Body Diversity
For information about the diversity of Midwestern’s student body, students may contact the Registrar’s Office in the Administration Building, or they may call 816-414-3713.

RESPONSIBILITIES-ACADEMIC

Electronic Communication
Both academic information, as well as information related to the student’s financial standing with the school (i.e., his or her account balance), will be sent to the student’s MBTS email. The student is responsible to check his/her MBTS-allocated email account. Even if a student communicates through a personal email account, MBTS will only respond through the student’s MBTS email. The
Prospective Students

Prospective student referrals may be made by contacting the Admissions Office at 800-944-6287 or by calling 816-414-3733 or by emailing at admissions@mbts.edu. The Admissions Office will contact the prospective student and send information about Midwestern. All prospective students are encouraged to schedule a campus visit. Lodging and meals may be provided by Midwestern for up to two days during the visit.

Pre-enrollment

Continuing students are encouraged to enroll in classes as soon as the course schedule for the next semester is available. Pre-enrollment gives students the opportunity to schedule classes before they are filled and for the financial aid office to process financial aid. A pre-enrolled student may add or drop classes before the first day of class without a penalty. Students should refer the Course Changes and Pre-enrollment Policies in the Academic Information section of this catalog. Enrollment forms are available online and in Registrar’s Office.

New Student Orientation

All newly admitted students are required to attend New Student Orientation (NSO), which is held for graduate and Ph. D. students each spring and fall semester on the Friday before classes start. The nonrefundable New Student Orientation Registration Fee of $25 is due and payable upon registration at NSO. Those students who fail to appear for NSO are still responsible for the $25 fee. Students should contact the Student Development Office at 816-414-3733 for questions or details.

Online Students

All newly admitted online students are required to complete the online course entitled New Student Orientation (C-GS0000-OL) prior to taking any other courses. No cost is associated with this course, and no credit hours are earned.

The Online Student Handbook, which is made available to all online students via Blackboard, contains all policies and procedures that are unique to and especially pertinent to online coursework. Online students are responsible for being knowledgeable of its content, which is binding for all online students.

Students Receiving Federal Title IV Funds

All students who receive U.S. Department of Education Title IV Funds (e.g., Pell grants and/or loans) are required to attend Midwestern’s annual Financial Planning Workshop each year that they receive Title IV Funds.

The federal government mandates that students who withdraw from all classes may only keep the financial aid (federal Title IV grant and loan assistance) they have “earned” up to the time of withdrawal. Funds that were disbursed in excess of the earned amount must be returned to the federal government by the student and/or the institution. The Financial Aid Office should be contacted for a calculation of the actual amount the student must return.

Academic Impact for Non- or Late Payment

Students with past due financial obligations to Midwestern will not be enrolled in classes until their financial obligations and semester fees have been paid or arrangements for payment have been made. Students who are more than four weeks delinquent in meeting their financial obligations (including rent, if applicable) will be suspended from classes. During the suspension period, the student will be administratively marked absent from classes, and assignments and exam grades will not be accepted. The student may be reinstated only after all delinquent financial obligations are paid and clearance is obtained from the Business Office.

Students who have an outstanding financial obligation to Midwestern or who are two months or more behind in their rent by the middle of the eighth week of classes (the end of the 25 percent refund period), may be administratively withdrawn from all classes for that semester and in the case of late payment of rent may be required to vacate Midwestern housing.

Any appeals concerning the Academic Impact for Non- or Late Payment should be made according to the appeals process listed later in this Student Handbook section.

Withdrawal from Seminary

Students wishing to withdraw from Midwestern should see Withdrawal from Seminary policy in the Finances section in this catalog.

RESPONSIBILITIES-
COMMUNITY

Child Endangerment and Abandonment

Children should not be left unattended or placed in any situation which might cause harm or injury to the child. Children should be under adult supervision at all times in campus buildings and facilities.

Maintenance

Any need for housekeeping attention, maintenance and repairs in hallways, restrooms, entrances, and other common use areas should be reported to the Campus Operations Office (816-414-3732).
Seminary Seal and Logo

Institutional seals and logos are unique, historic symbols of an institution’s identity and tradition. They represent the entire institution and, therefore, should be used with care and discretion. The use of Midwestern’s seal and logo on publications, merchandise, or gratuity items must be approved in advance by the Communications Office.

Smoking

In keeping with our concern for the health and well-being of students, smoking or any other use of tobacco products is not permitted anywhere on the Midwestern campus, including campus housing.

RESPONSIBILITIES-CONDUCT

Disciplinary Action

Disciplinary action may be initiated if a student is involved in immoral or unethical behavior, including the violation of the property rights of others. The following are categories of conduct unacceptable in the Seminary community:

- Academic Misconduct. Academic misconduct includes cheating and plagiarism. Students are to refrain from the use of unauthorized aids on examinations and assignments and to turn in only those assignments that are the result of their own efforts and research (i.e., proper citation is to be given for all quotations and/or paraphrasing). Midwestern strongly deplores plagiarism in all forms. Dishonesty is incompatible with the very purpose for which a student avails himself of a Midwestern education. Midwestern’s faculty prefers that a student remains without a degree rather than obtain it by dishonest means, for Christianity cannot countenance conduct that contradicts its basic tenets. The faculty also hopes that each individual will recognize a responsibility for his brother as well as for himself in all such matters.

- Beverage Alcohol or Illegal Drugs. The purchase, possession, distribution, or use of alcoholic beverages is prohibited on or off campus. The purchase, possession, distribution, or use of any illegal drug paraphernalia or substance of abuse is also prohibited on or off-campus. A substance of abuse is any form of narcotics, hallucinogenic, sports enhancement or “street drug,” alcohol and any other controlled substances as defined by law. Possession of beverage alcohol or illegal drugs in campus housing will result in immediate suspension.

- Discrimination and Harassment. Discrimination and/or harassment in any form is prohibited.

- Gambling. Gambling on- or off-campus is prohibited.

- Sexual Impropriety. Sexual impropriety is participation in premarital sex, extramarital sex, homosexual activities or any form of deviant sexual behavior or cohabitation. Pornography is also prohibited. Pornography is the possession, purchase, distribution, or use of any pornographic materials in any form (magazines, photos, CD ROM, games, computer games, Web sites, etc.).

- Neglect of Financial Obligations. Failure to pay rent, tuition, fees, or other seminary bills in a timely manner as prescribed by the Business Office constitutes neglect of financial obligations. Intentionally writing bad checks (i.e., checks with insufficient funds) is prohibited.

- Giving False Information or Altering Records.

- Theft. Theft is the unauthorized taking, borrowing and/or keeping of property belonging to others.

- Abusive or Disrespectful Behavior.

  Personal Abuse. Personal abuse is any behavior that results in harassment, coercion, threat, disrespect and/or intimidation of another person. It is also any unwanted sexual attention towards another person. Actions or statements that cause damage or threaten the personal and/or psychological well-being of a person are also considered personal abuse.

  Breach of Peace. Breach of peace is any action which disrupts the peace or which endangers or tends to endanger the safety, health, or life of any person. It also includes the disruption of the functional processes of the Seminary by individuals or organizations.

  Reckless Behavior. Any behavior that creates a risk or danger to one’s self or others in the Seminary community is strictly prohibited.

These listed behaviors and other conduct that are unbecoming of a Christian minister are grounds for disciplinary action. Reports of such conduct off campus will also be investigated, and the student involved may be subject to disciplinary action. Students involved in civil infractions are accountable to civil authorities but may also be subject to discipline by the Seminary.

The Dean of Students is responsible for the administration of discipline among students. The Dean of Students is responsible to the President. Cases involving academic misconduct necessitate the administration of discipline by the Academic Dean.

The purpose of disciplinary action is primarily remedial and redemptive. The following are options available to the administration:

- Reprimand. An official warning that continuation or repetition of an inappropriate behavior will result in a more severe sanction.

- Fine. A financial penalty appropriate to the violation.

- Community Service. This sanction requires the student to render a designated number of hours as specified service to Midwestern or the community.

- Probation. A formal written warning that the student’s conduct is in violation of Midwestern’s policies. The continued status of the student as a student depends on the maintenance of satisfactory citizenship during the period of probation. Students on probationary status may not hold student leadership or officer positions. Probation may also include the forfeiture of other
student privileges, such as student housing or ministry referral assistance.

- **Voluntary Withdrawal.** This sanction allows a student to acknowledge that the student’s actions are inconsistent with expectations of the Seminary community. The student who voluntarily withdraws must make a formal written request if there is a desire to be readmitted later.

- **Suspension.** Termination of student status at Midwestern for not less than the remainder of the semester. The student’s presence on the campus may be prohibited during this period.

- **Expulsion.** Termination of student status at Midwestern permanently or for an indefinite period of time.

If needed, the Dean of Students may convene an ethical conduct committee. This committee will be chaired by the Dean of Students and may include the student’s faculty advisor, the Academic Dean, the Registrar, or other members of the faculty or administration who may be appropriate to the situation. In the case of academic misconduct, the student will be referred to the Academic Dean. A committee led by the Academic Dean and including the Dean of Students may be formed. This committee may confer with the student in question and will determine appropriate disciplinary action.

Midwestern seeks to be a responsible and redemptive community. In order that this may be true, staff, faculty, and students must accept responsibility to report those actions that might be detrimental to the reputation, well-being, or safety of the Midwestern community or the ministries Midwestern serves. Conduct that is unethical or otherwise inappropriate should be reported to appropriate personnel. The Dean of Students will investigate such reports and may personally talk with the individual(s) involved and determine if further action is needed.

### Grievance Process

If a student on occasion feels that the decisions and/or actions by faculty, staff, or fellow students are inappropriate and/or unjustified, the student may choose to appeal the decision and/or action. If the student chooses to do so, the following 3-step grievance process is designed to give Biblically-based guidance in resolving a grievance, dispute, or conflict.

1. **The student is first to seek to resolve the matter in a specific conference with the faculty member, staff person, or fellow student involved.** Careful and thorough attention must be given to achieving a mutual understanding of the perceived problem by determining and agreeing on relevant facts, clarifying perceptions and misunderstandings, and seeking to define the problem in a way that is acceptable to both parties (Matthew 18:15-20).
2. **If the issue is solely academic in nature and relates specifically to a professor’s judgment regarding the student’s grade or other similar matter, the student should refer to Academic Appeal Process under POLICIES in the Academic Information section of this catalog.**
3. **If a student, after a good faith effort to resolve a matter, feels that the problem persists to his injury or disadvantage, the student may appeal to the Vice President for Student Development (VP/SD).** The VP/SD will meet with the student to hear the grievance and take steps to resolve the problem. This meeting shall remain confidential unless legal or protective action is mandated by law. The VP/SD will work with the student to formulate a plan of resolution.
4. **Should the student feel the issue remains unresolved, the student may submit an official grievance to the Student Development Committee for review.** If the student’s grievance is with the VP/SD (i.e., if it relates specifically to some decision or action by the VP/SD), then the student may, after unsuccessfully finding resolution in Step One, bypass Step Two and submit an official grievance directly to the Student Development Committee. A Formal Grievance Form is available online at [http://www.mbts.edu/site/consumer_information/](http://www.mbts.edu/site/consumer_information/).

This Formal Grievance Form is to be completed and returned to the VP/SD within two business days of the unsuccessful attempt to resolve the problem (Step Two). The VP/SD will make a copy for the student’s file and forward the grievance form to the chairperson of the Student Development Committee within two business days of receiving it from the student. The VP/SD will also submit to the committee chair his response to the student’s formal grievance. The Student Development Committee serves as an objective interpreter of policy processing and as a monitor of policy integrity in relation to specific student grievances.

The Student Development Committee:
1. **Will review the filed grievance form submitted by the student.** If the grievance is directed against any member of the Committee, then that member will be recused and replaced temporarily by another faculty member assigned by the President.
2. **Will review the filed grievance response submitted by the VP/SD.**
3. **May make a face-to-face inquiry with the student.**
4. **May make a face-to-face inquiry with the VP/SD.**
5. **May make a face-to-face inquiry with any other party that can assist in determining a solution to the grievance.**
6. **Will provide one of the following responses:**
   a. The Committee may find that the decision of the VP/SD accurately reflects the institution’s guiding documents and core values and, thus, will direct that his decision be upheld.
   b. The Committee may find that the decision of the VP/SD does not in some way accurately reflect the institution’s guiding documents and core values.
and, thus, will direct that his decision should be amended, stating specifically how it should be amended; and if any additional actions are deemed necessary by the Committee in order to bring resolution in the matter, the committee may so direct. In this second case (6.b), all Committee decisions shall be reviewed by the President prior to announcement and final implementation.

If a student believes that the Student Development Committee has violated the Student Handbook or due process, the student may file a Student Development Committee Grievance Form with Midwestern’s President as a final appeal. This form is available online at mbts.edu. This form is to be completed and submitted to the VP/SD, who will forward it along with all relevant documents to the President’s Office within two business days of receipt from the student. The decision of the President shall be final.

RESPONSIBILITIES-
EXPECTATIONS

Campus Wide Learning Opportunities

Classes are occasionally moved to accommodate campus-wide learning opportunities. Seminary students are expected to attend these events.

Dress

Maturity, dignity, warmth and a spirit of deference are expected in every venue of seminary and college life, marked by mutual respect and courtesy. Appearance and attire, whether seasonal or semi-formal, should be modest and Christ-honoring everywhere on campus. In order to create a positive learning environment free of distractions, tank tops and short-shorts are prohibited in class and in chapel.

Divorce

Although Midwestern attempts to be a redemptive institution, students with serious family problems should defer seminary education. Prospective students with divorce in their histories will be asked to note that fact as a part of their application information and to provide an explanation of the circumstances surrounding the divorce. Prospective students with recent divorce need to wait until one year after the divorce to apply to attend Midwestern. A member of the Admissions Committee may ask for an interview with the prospective student prior to approval for admission.

Midwestern considers marriage to be a covenant relationship and a healthy marriage to be crucial to any married student’s ministry. Any change in a student’s marital status (marriage, divorce, separation, legal separation) should be reported to the Student Development Office. Those students who experience divorce or separation after being approved for admission may be asked to withdraw from classes so that appropriate attention might be given to family needs. After one full year of withdrawal, the student may reapply for admission to Midwestern. Consideration of the student’s application at that time will be based on what has transpired in the student’s marriage and family relationship since the withdrawal.

Opportunities for service in local churches may be more limited for graduates with a divorce than for other graduates. Divorced applicants should explore the realistic assessment of the range of opportunities of service open to them before pursuing training at Midwestern.

Local Church Membership Certification

Midwestern serves the church by Biblically educating God-called men and women to be and to make disciples of Jesus Christ. As a school supported by the Cooperative Program of the Southern Baptist Convention, Midwestern affirms the importance and primacy of the local church in evangelism and missions. Therefore, students are expected to participate actively and regularly in a local church. Degree-seeking students are to join a local church by the end of their first academic year and are to certify their membership in this local church annually. Doctoral and online students are exempt from the annual certification.

The Local Church Membership Certification form is to be returned to the Registrar’s Office by the Monday following Spring Break. Failure to do so will result in the student being assessed the non-Baptist tuition rate for future terms and the Dean of Students being notified that the student has not reported active participation in a local church.

Students are initially classified as “Southern Baptist,” “other (non-SBC) Baptist,” or “non-Baptist” based on the church membership information provided in their application materials. This denominational status is used to determine the tuition rate the student will pay. A student’s denominational status will not change unless the student joins a church of a different denomination and reports this change on a new Local Church Membership Certification form.

Chapel Attendance

Chapel is viewed as a vital and distinctive part of the educational experience on Midwestern’s Kansas City campus. Chapel helps define who we are and what we stand for as a Southern Baptist, church-related, and evangelical institution of higher education. All master’s students are strongly encouraged to attend the Tuesday and Wednesday chapel services.

SERVICES

Bookstore: LifeWay Campus Store

The bookstore is located on the lower level of the Trustees Classroom Building adjacent to the Student Center. It is operated by LifeWay Christian Resources of the
Southern Baptist Convention and is one of the chain of LifeWay Bookstores.

The bookstore carries all Seminary-required texts, relevant books, commentaries, and supplies. Many books are discounted 15 percent on cash sales. Special sales are offered periodically. The Bookstore may be contacted by phone at 816-455-3925 or email at mbtstextbooks@lifeway.com.

**Midwestern Calendar**

All meetings for student organizations, special interest groups, and/or special events must be scheduled on the Midwestern calendar. Students desiring to schedule an event or meeting must schedule the date and campus facilities through the appropriate campus office.

Meetings and events scheduled on the Midwestern calendar can be listed in The Spire as well as on Midwestern’s online Calendar of Events. To list an event in either or both of these publications, individuals must submit a written notice to the Communications Office at least one week prior to the Friday publication date of The Spire.

**Computer Lab Printing**

Printers are available for student use in the Library Computer Lab. Students can print directly from their own personal computers or utilize a lab computer. The library assesses a minimal charge per page for printing.

**Employment**

**International (F-1) Students.** U.S. Immigration laws prohibit F-1 students from being employed for wages or working off-campus and allow only 20 hours of employment for wages or work per week on-campus. After the first year of school, qualified F-1 students may seek approval and authorization from the U.S. Citizenship and Immigration Services to be employed off-campus. The spouse of an F-1 student holding an F-2 visa cannot work at all.

**Campus.** The Human Resources Office is located in the Administration Building. It is the central location for learning about on-campus employment and for submitting applications. Midwestern believes in employing students and student spouses and encourages them to submit applications.

**Church-Related.** Students desiring church work are encouraged to contact the Student Development Office. An electronic copy of a resume should be placed on file in this office. Student resumes are then distributed to churches as requested. Students may also view a current list of ministry opportunities on the Seminary’s website (www.mbts.edu). The Seminary encourages students to be in a ministry setting and assists students as they seek ministry positions.

**Other Employment.** The Student Development Office provides assistance to students in locating employment. A list of current job opportunities is available on the bulletin board in the Trustees Classroom Building.

**Business or Commercial Ventures on Campus.** Permission for any business or commercial ventures on campus or within the Seminary housing area (including baby-sitting services) must be requested in writing from the Student Development Office. Off-campus businesses are not allowed to solicit on-campus without written permission from the Student Development Office.

**Housing**

Individuals in campus housing are subject to rules and regulations deemed necessary for the best interests of all students and families. Students receive information concerning these rules at the time they receive their housing assignment.

**Guest Housing.** Limited guest housing may be available on campus at a nightly rate. Arrangements are to be made in the Housing Office to determine availability and cost.

**Campus Housing.** Campus housing units are located on-campus and consist of one, two, three, and four-bedroom apartments. Each apartment is furnished with an electric range and refrigerator. Water and trash removal expenses are included in the rent.

The housing area includes parking space for residents and their guests and a play area for children. Washing machine and electric dryer hook-ups are provided in some of the units for an additional cost. Coin-operated laundry facilities are provided in the other apartment buildings. Students should discuss the availability of appliance hook-ups in the unit at the time the housing assignment is determined.

**Requirements for Living in Campus Housing.**

Faculty/staff and full-time current/future students who are enrolled in a minimum of 9 credit hours of graduate coursework per semester plus January or summer terms are eligible to live in Midwestern campus housing. If a student chooses to take online classes, he/she must take online courses in addition to the required minimum of 9 credit hours taken on campus. This 9-hour requirement applies to an individual student, not the cumulative hours of family members.

Any current student, who withdraws from classes, fails to enroll, or otherwise ceases to be a student will be expected to move out within thirty days from the qualifying event. The resident may only remain in campus housing with an approved exception from the Vice President for Student Development but will be charged an additional 5% monthly increase in rent. A graduating student may contract for and occupy the space until the last day of the month following completion of the resident’s coursework without the additional charge. Any exceptions to this rule must be approved in writing by Midwestern. A student may occupy campus housing during the time required to earn the degree for which the student is enrolled. However, maximum limits apply. A student may contact the Student Development Office for details.
Check-out procedures. When the resident is preparing to vacate campus housing, the resident must submit a moving notice at least 30 days prior to the anticipated move date. The resident will be charged for a full 30-day period even though the resident may actually vacate the unit earlier. In order to prevent further rent charges from accruing after the unit is vacated, the resident must visit the Housing Office during regular business hours to check out of campus housing. Residents who neglect to return keys or fail to complete the proper forms will continue to accrue rent charges until the checkout process is completed, and they may also forfeit the Housing Deposit. MBTS shall remove and dispose of, at the owners’ expense, any personal property left in the contracted space or any storage areas after a tenant has vacated a unit. The resident will owe the entire month’s rent for the month in which they vacate the unit.

When a unit has been vacated, campus operations personnel will inspect the unit. The status of this inspection, along with the status of the student’s accounts receivable record, will determine the amount of deposit refunded.

Graduating students who are living in campus housing must relocate to an off-campus location within 30 days after completing requirements for graduation unless month-by-month arrangements are made in advance with the Housing Office. All persons, including graduating students, are required to give a 30-day written notice of intention to move or pay a month’s rent in lieu of such notice.

Prohibitions. Beverage alcohol and tobacco are not allowed anywhere on the Midwestern campus, including campus housing. Possession of beverage alcohol or illegal drugs in campus housing will result in immediate suspension. Pets are not allowed in seminary housing.

Limits of Care

Midwestern seminary’s purpose is equipping individuals for ministry. In the process of equipping students, Midwestern is often asked to provide pastoral care and counseling. The care provided by Midwestern Seminary is defined as pastoral support-care. This provision means the seminary will offer encouragement, advice, prayer, and Biblical guidance for our students. In no way does Midwestern Seminary intend to present all its employees as professional caregivers (licensed counselors, psychologists, psychiatrists, etc.). The Seminary does not attempt to be the primary caregivers for those with severe problems like clinical depression, addictions, suicide, severe marriage and family problems, etc. In these cases the Seminary will refer the individual or couple to a qualified caregiver.

Insurance

The Seminary encourages all students to obtain hospitalization insurance for their own protection. A student hospitalization plan is available through GuideStone Financial Services of the Southern Baptist Convention and other providers. At the time of enrollment all students will be required to indicate whether they are covered by hospitalization insurance or whether insurance is being purchased through the plan offered by GuideStone or other provider. The student must sign a waiver if he/she is not insured. Representatives from GuideStone and other insurance agencies are on campus during the fall and spring new student orientations to answer student questions. For information at other times, GuideStone’s toll-free telephone number is 1-800-262-0511. Information regarding insurance coverage and claim forms is available in the Financial Aid Office. All international students (students holding F-1 or J-1 Visas) are required to show proof of health insurance.

Life insurance is also available through GuideStone for reasonable premium rates. Each student is encouraged to carry some form of life insurance.

Seminary insurance does not cover the loss of personal property or damage to personal items, whether on-campus or in a seminary housing unit. Each student or resident is encouraged to purchase such coverage from a private insurance carrier.

Lost and Found

The campus “Lost and Found” service is maintained in the Student Development Office. Found items should be taken there as well as inquiries for lost items.

Parking

All vehicles that are parked on campus are to have a Midwestern parking sticker. Parking stickers may be obtained from the Housing Office at a small fee.

Post Office and Campus Mail

Student mailboxes are located on the lower floor of the Trustees Classroom Buildings adjacent to the Student Center. Each student is assigned a campus box by the Business Office at New Student Orientation or upon request. The student box is for internal campus use such as returning class papers, campus flyers, memos, and The Spire. Questions concerning student mailboxes should be referred to the Business Office in the Administration Building.

Campus boxes are for internal use only, not for the delivery of U.S. mail. Mail sent through the U.S. Post Office should be addressed to the student’s home or campus address. U.S. postage stamps may be purchased in the Business Office.

Publications

Academic Catalog. Midwestern’s Academic Catalog is the Seminary’s official statement of curricular offerings and academic policies. The catalog provides information that will enable students to make informed decisions concerning their seminary education. The Seminary may require a student whose enrollment has continued beyond five years to graduate according to the requirements of a catalog issued subsequent to the student’s initial registration. Students reenrolling after being out of school for one year or more
return under the requirements of the Catalog in effect at the time they reenroll.

The Midwestern. The Midwestern is the official publication for students, faculty, staff, alumni, trustees, and friends of Midwestern. It is published quarterly by the Communications Office. This magazine-style publication includes news and feature stories concerning the entire Midwestern community.

Midwestern Journal of Theology. The Midwestern Journal of Theology is a scholarly journal written to assist Christians and churches in making disciples of Jesus Christ throughout the world. Published twice a year, each issue includes theological and exegetical articles, inspirational sermons, and reviews of important books.

The Spire. The Spire, an in-house publication containing information about school activities, is published by the Communications Office each week of the fall and spring semesters. Notices for this publication are to be submitted to the Communications Office at least one week prior to the Friday publication date. Meetings of student organizations on campus must first be scheduled through the Student Development Office and listed on the Midwestern calendar before being submitted for publication in The Spire.

Student Directory. The Student Directory is published by the Communications Office. The directory includes pictures of the faculty, administrators, staff, and students. It also contains addresses, telephone numbers, and other pertinent information about the Midwestern community. Pictures for the directory are taken at the beginning of each semester. Appropriate attire is required (coat and tie for men). Each student receives a complimentary copy of the directory at the time of publication. Students have the option of having their pictures or personal information listed in the Student Directory. Those choosing this option must complete and submit an “Opt Out” form available in the Communications Office.

Student Handbook. The Student Handbook is included as a section in the Academic Catalog and sets forth policies and procedures pertaining to students and student families. New students are required to submit a signed statement affirming that they have read the Student Handbook. All students and family members are encouraged to be familiar with the Handbook. For any questions or information regarding the Student Handbook, students should contact the Student Development Office at 816-414-3733.

Security
Buildings and grounds are checked periodically. Routine concerns after business hours are to be reported to the recording by calling 816-414-3700. Security-related matters of a more immediate nature may be directed to 816-678-9356. Emergencies requiring assistance from Campus Operations may be called in to 816-678-9355.

In the event of emergencies threatening life and property, students should call 911 for immediate help from the Fire Department, Police Department, or ambulance service.

Koehn-Myers Center
The Koehn-Myers Center for World Evangelism is named after two martyred missionaries, Bill Koehn and Martha Myers, both of whom attended Midwestern Baptist Theological Seminary. The Koehn-Myers Center houses the Library Annex: Academic, Doctoral, Faculty offices; a student lounge; and Vines Café.

Student Development Committee
The Student Development Committee is composed of the Vice President for Student Development, three faculty members, and a student representative. The Committee proactively works with the Vice President for Student Development for the watch-care of student life issues at Midwestern and ultimately seeks to maintain an environment that enables success for Midwestern students.

OPPORTUNITIES

Midwestern Evangelism Teams (MET)
Midwestern Evangelism Teams (MET) are student-led outreach teams organized to provide practical evangelism opportunities throughout the year. Students participate in weekly evanglistic opportunities throughout the semester with special emphasis on personal evangelism.

Involvement in MET is voluntary and open to anyone at Midwestern who has a heart for sharing the Gospel of Jesus Christ.

31Woman
31Woman is a fellowship organization for women on campus, including wives of students, female students, female employees, and wives of faculty. These meetings seek to promote fellowship, build friendships, and provide mentoring opportunities among the women of Midwestern. The meetings are often thematic, corresponding to special interests of the women on campus. Free childcare is provided by reservation.

Ministry Opportunities
Over 550 Southern Baptist churches lie within a 100-mile radius of Midwestern. The proximity of this great number of churches makes it possible for a majority of Midwestern students to serve in a ministry setting while pursuing their theological education. Many Midwestern students serve as pastors, assistant pastors, interim pastors, or ministers of music, Christian education, or youth. Students also serve in such specialized ministries as language missions, new work ministries, Christian social ministries, and student work.

The Student Development Office maintains a resource for students and alumni to explore places of service in area
Music Opportunities

Seminary students, spouses, faculty, and staff join together to form the choral group called the Midwestern Singers. The choral group provides special music for the seminary chapel services, programs, and events. The Midwestern Singers provides a ministry opportunity and creative outlet for talented musicians. Rehearsals are held Monday, Wednesday, and Friday from 12:30 to 1:20 p.m. Two credit hours are awarded at no charge for those enrolled.

An auditioned Midwestern Praise Team ensemble offers opportunities in preparing contemporary music and occasionally an instrumental ensemble. Interested persons should contact the Church Music Office.

Midwestern Seminary and College offer a combined student and community choral ensemble named the “Choral Union.” This ensemble presents choral works from our sacred music heritage and new sacred music written for choir by contemporary composers. No audition is required, and students may enroll for one hour of credit per semester at no cost. This group rehearses throughout the semester and presents a semester-ending performance.

Recreation

Midwestern sponsors a recreation program under the guidance of the Student Development Office. Midwestern recognizes the importance of health and physical fitness. Recreation at Midwestern involves assisting members of our community to experience renewal and a sense of well-being of mind, body, and spirit through the creative power of God.

The recreation program attempts to be inclusive, with activities for students, faculty, staff, and family members. This program includes team and individual sports as well as leisure recreation. Sports include intramural softball, basketball, flag football, and ultimate Frisbee.

The recreation facilities provided by Midwestern are not only for fun and relaxation but also for physical and mental health. Equipment for various activities may be checked out through the Student Development Office.

A campus-wide picnic is scheduled each year in the fall and spring. This campus-wide fellowship event celebrates the beginning and end of the academic year.

Off-campus facilities are occasionally reserved for recreation. Ball fields, gyms, pools, and other recreation facilities are located near the campus.

All recreation and leisure activities and events are posted online. Dates and general information for events are also listed in The Spire. Further information regarding these events may be obtained through the Student Development Office.

Scheduling Special Activities

Special activities or meetings on campus are to be scheduled through the appropriate offices. The Koehn-Myers Center is scheduled through the President’s Office; and the chapel is scheduled through the President’s Office. Rooms and times are then placed on the Midwestern calendar. No event is to be scheduled on campus prior to contacting the appropriate office. Campus events that have been scheduled on the Midwestern calendar may be listed in The Spire.

Student Body Association

The Student Body Association (SBA) is the official organization for student government on campus. Officers for the association are elected annually by the general student body. The SBA promotes student interests and conducts activities directly related to student life. For example, the SBA presents the needs and issues of students to Midwestern and organizes social events for fellowship during the school year.

Student Organizations

Two types of student organizations operate at Midwestern: official organizations established by the faculty and administration and volunteer organizations which are established around a particular student interest or geographical area.

Student Volunteer Organizations

All student volunteer organizations should contribute in a positive and practical way to the intellectual, spiritual, and professional interests of students. Students interested in forming a new organization are required to observe the following guidelines:

1. Forms to be used in proposing a new student organization are available in the Student Development Office.
2. The completed organization form will include the following:
   a. The name of the proposed group.
   b. A signature of a faculty member or administrator who will assume the role of sponsor.
   c. A statement of purpose.
   d. An organizational statement.
   e. A petition signed by 20 people, 6 of whom will be active members.
3. The completed form should be returned to the Student Development Office.
4. The Student Body Association and the faculty committee on student development must approve new or reconstituted organizations.
5. Upon approval, the organization will be granted permission to use seminary facilities and publications.
6. Officers of the newly formed organization should be elected and recorded in the Student Development Office prior to the second meeting.
7. A copy of the organization’s constitution and bylaws must be submitted and filed in the Student Development Office.

An annual registration is required for all organizations. Annual registration involves providing the Student Development Office with names of officers, sponsors, and any revisions of the statement of purpose or organizational statement. The annual registration must be completed prior to scheduling meetings. Meetings on campus are scheduled through the Student Development Office.

WISDOM Program
Midwestern believes that when God calls a married man into full-time ministry, He also calls the man’s wife. The couple is one in marriage and one in ministry. Their roles are unique, but they are a team. The WISDOM program (Women in Seminary Developing Our Ministries) offers courses designed to equip the wife of a minister to be a more effective part of this team.

Any woman may take WISDOM courses, but only wives of students at MBTS/College are eligible for the WISDOM certificate. The WISDOM certificate is presented to those completing the prescribed requirements. Many of the WISDOM courses are taught by wives of Midwestern’s professors or administrators. Midwestern professors, administrators, and others with ministry experience also assist in teaching. Free childcare is provided by reservation.

Worship and Special Events
The students, faculty, and staff of Midwestern gather together regularly for worship, special lectures, and events.

Chapel
Chapel services are held twice each week on Tuesdays and Wednesdays at 10:00 a.m. in the Seminary auditorium during the fall and spring semesters. The services offer a variety of preaching, teaching, and other worship opportunities. Attendance is required for College students. See the Chapel Attendance section in this handbook for details.

Convocation
Convocation is held twice during each school year—a general convocation at the beginning of the fall semester and an academic convocation at the beginning of the spring semester. A ceremonial assembly of all members of the campus community, convocation serves as a launching point for each new semester.

C. W. Scudder “School of the Prophets” Memorial Lectureship in Christian Ethics
In 1991, Mrs. Lyle Scudder and Kathy Scudder established the C. W. Scudder “School of the Prophets” lectureship as a memorial to the late Dr. C. W. Scudder, vice president for internal affairs, senior professor of Christian ethics, and vice president emeritus at Midwestern Seminary, 1975-1991. This lectureship focuses on the Biblical basis for dealing with contemporary social challenges and ethical issues.

Day of Prayer
The Midwestern community participates in a day of prayer at the beginning of each fall and spring semester.

H. I. Hester Lectureship on Preaching
In 1958, Dr. H. I. Hester, the first chairman of the Midwestern Seminary Board of Trustees, together with Mrs. Hester, instituted the H. I. Hester Lectureship on Preaching. A distinguished authority in the field of preaching delivers a series of lectures.

Lewis A. Drummond Lecture Series
The Lewis A. Drummond Lecture Series on Evangelism was established in 2005 by the widow of Dr. Lewis A. Drummond, Betty Drummond, of Dothan, AL, as an annual, one-week, evangelism lecture series dedicated in memory of her husband. At the time of his death in 2004, Dr. Drummond was evangelism professor in residence at the Billy Graham Training Center at The Cove in Asheville and chancellor of schools of evangelism for the Billy Graham Evangelistic Association. He served as the Billy Graham Professor of Evangelism at Southern Baptist Theological Seminary in Louisville, KY, from 1968-73, president of Southeastern Baptist Theological Seminary in NC from 1988-92, and was the Billy Graham Professor of Evangelism at Beeson Divinity School in Birmingham, AL, from 1992 until he retired in 2003.

Sizemore Lectureship in Biblical Studies
In 1976, the Midwestern family and many of its friends established the Burlan A. Sizemore, Jr., Lectureship in Biblical Studies as a memorial to Dr. Sizemore. Sizemore, professor of Old Testament and Hebrew at Midwestern since 1968, was killed in an auto accident in March 1976. This lectureship brings authorities and scholars to the campus to deliver a weeklong series of lectures on some aspect of Biblical studies.

Spurgeon Pastoral Leadership Workshop
Each spring Midwestern hosts the Spurgeon Pastoral Leadership Workshop. This is a one-day workshop which focuses on the practice of pastoral leadership and personal integrity.

Week of Preaching
The Week of Preaching is designed to serve as a week of inspiration and spiritual renewal for both the Midwestern and area communities. A well-known preacher or denominational leader leads this week of worship each year.

World Missions Day
Midwestern sponsors World Missions Days several times each year. These are special programs which bring people who are directly involved in some areas of missions work to the campus. The programs take a variety of forms from multimedia presentations to panel discussions. Whatever the format of the programs, all of the programs have a common threefold purpose for the Midwestern...
student: to inform each student about the reality of the Christian mission around the world and at home, to help the student begin to develop a personal strategy of missions, and to encourage the student regarding his own place in the mission of the church.

INTERNATIONAL STUDENTS

International students are welcome at Midwestern, which is authorized under federal law to enroll nonimmigrant international students. Midwestern’s specialized programs are appropriate for persons preparing for a career in Christian ministry. Midwestern Baptist Theological Seminary is primarily a post-baccalaureate graduate school designed to equip God-called men and women for effective Christian leadership roles in church-related ministries. Midwestern's undergraduate programs are designed for students who have not yet earned an accredited baccalaureate degree but already have a high school diploma or its equivalent. International Students may only attend Midwestern’s Kansas City campus. New International Students may only begin in the fall or spring semesters.

A bachelor's degree from an accredited college or university is a prerequisite for entrance into all master's programs. Midwestern's undergraduate programs are designed for students who have not yet earned an accredited baccalaureate degree but have earned a high school diploma or its equivalent.

International students at Midwestern are expected to be aware of and in compliance with all federal regulations applicable to them. Midwestern does not admit students who are currently out of status with the U.S. Citizenship and Immigration Services.

Any international student (i.e., a student with F-1, J-1, or R-1 visas) whose native language is not English must take the Test of English as a Foreign Language (TOEFL). The TOEFL score submitted to Midwestern must be from a test taken within two years of the applicant’s anticipated first date of attendance. The applicant’s TOEFL score report must be sent directly to Midwestern by the Educational Testing Service to be official. Applicants should not send copies of their personal score reports. The minimum TOEFL score for admission to Midwestern is a total score of 80 on the Internet-based test (iBT Test), 213 on the computer-based test, and 550 on the paper-based test. Other forms of TOEFL exam are not accepted unless prior approval is obtained from the Admissions Committee.

Information about the TOEFL examination is available at most colleges and universities or may be obtained by writing the Educational Testing Service at: TOEFL/TSE Services, P.O. Box 6151, Princeton, NJ 08541-6151, USA. To save time, please use Midwestern’s school code, 6441-0, to have the Educational Testing Service forward your score directly to Midwestern. The TOEFL score must be received by the Admissions Office before an international student’s application will be processed.

The U.S. Citizenship and Immigration Service require that prospective international students who will be on a F-1 visa provide evidence of adequate financial support for the duration of their status as a student. Therefore, international students need to complete an International Student Certification of Finances form to provide evidence of their financial support for the duration of the international applicant’s study at Midwestern. Family and friends that pledge support on this form are expected to make their money available in advance of the applicant’s entry into the United States.

International students should also be aware that U.S. Immigration laws prohibit first year F-1 students from being employed for wages or working off-campus and allows only 20 hours of employment for wages per week on-campus. After the first year, qualified F-1 students may seek approval/authorization from the U.S. Citizenship and Immigration Services to be employed off-campus. The spouse of an F-1 student holding an F-2 visa cannot work at all.

International Student Application Process. International students should begin the Midwestern application process by submitting their TOEFL score and a completed International Student Certification of Finances form at least one year prior to the anticipated date of entry. After Midwestern has received the report of an adequate TOEFL score and has approved the International Student Certificate of Finances, an application for admission will be sent to the interested person. Application materials must be received by the Admissions Office at least ninety days prior to the anticipated date of entry. TOEFL requirement is exempt for Korean speakers who are in degree programs taught in Korean and for Spanish doctoral students in doctoral programs taught in Spanish.

Beyond the TOEFL score and financial information, an application for admission to Midwestern requires the following items:

- A completed application form
- A nonrefundable application fee of $50 (U.S. currency only)
- A Church Endorsement Form completed by the congregation of which the applicant is a member
- Three personal recommendation forms—these forms are to be returned directly to Midwestern by the recommending persons
- Transcripts of all academic work sent directly from all schools attended to Midwestern’s Admissions Office—transcripts and other educational records

Information about the TOEFL examination is available at most colleges and universities or may be obtained by writing the Educational Testing Service at: TOEFL/TSE Services, P.O. Box 6151, Princeton, NJ 08541-6151, USA. To save time, please use Midwestern’s institutional code, 6441-0, to have the Educational Testing Service forward the score directly to Midwestern. The TOEFL score must be received by the Admissions Office before an international student’s application will be processed.
must be official copies certified by the issuing institutions and should be accompanied by a complete English translation if the originals are in another language. When a transcript is not in English, the student should have his/her transcript certified by World Education Services (WES) or Foreign Credential Services of America (FCSA).

- Marital/spouse information
- A Health Information Form/financial information.

If accepted as a student each international student upon arrival at Midwestern is also required to show proof of having health insurance for themselves and their family, if applicable. Each international student is also required to be tested for tuberculosis at an approved site in the United States before attending any classes. Tuberculosis test results from locations outside the United States are not acceptable.

After the prospective international student’s application for admission is approved, Midwestern will send the applicant a Certificate of Eligibility for Non-Immigrant F-1 Student (Form I-20). Using the information on the I-20 form, the international applicant must next complete an I-901 form and pay the fee in U.S. currency. Instructions for completing the I-901 form and paying the fee are available at the U.S. Department of Homeland Security and Immigration and Customs Enforcement website: https://www.fmjfee.com/i901fee.

Upon completion of the I-901 form and payment of the required fee in U.S. currency, the international applicant must present the I-20 form along with a receipt showing that the I-901 fee has been paid to a U.S. Consulate or Embassy. If approved, the U.S. Consulate or Embassy will then issue the international applicant a visa for entrance into the United States.

Students cannot enroll in classes until their educational charges and any past due financial obligations to Midwestern have been paid, or approved arrangements for payment have been made.

Tuition and fees are subject to change at the discretion of Midwestern without prior notice in accordance with established policies and procedures. Any revisions will be communicated to students prior to each semester.

TUITION AND FEES

Tuition Differential
Through the Cooperative Program, Southern Baptist churches and state conventions underwrite the theological education of Southern Baptists enrolled at Midwestern. Each of the six SBC seminaries receives an amount proportional to the size of its student body. Each year the Southern Baptist Convention allocates more than $30 million to support over 10,000 students at the six Southern Baptist Seminaries. The entire Midwestern Baptist Theological Seminary community is thankful to Southern Baptists for making this lifeline of support available.

Students from churches not affiliated with the Southern Baptist Convention are required to pay a tuition rate that is higher than the Southern Baptist tuition rate.

Only full-time, degree-seeking students in residential programs may reside in campus housing. Applications for housing are not accepted until after a student has received a notice of acceptance as a degree-seeking student. All housing rates are subject to change without notice; however, housing rates normally are adjusted on an annual basis. Lease information is available through the Seminary Housing Office (816-414-3732).

A $250 deposit is required with the application for an apartment. Students who decide not to reside in campus housing after making application may have the deposit refunded provided he/she submits the request in writing at least 30 days prior to the intended date of occupancy. If campus housing is not available at the time of the request, applicants are placed on waiting list based on the date the Housing office receives the application and deposit.

Rent for campus housing is due on the first day of each month. A late fee of $50 is charged after the 10th of each month. Midwestern reserves the right to request students to vacate the student housing for nonpayment of rent. A $25 charge is assessed for each key that is lost or not returned. Exceptions to these policies due to exigent circumstances are at the discretion of the Vice President for Student Development. Criteria that influence exceptions are on file in the Student Housing Office. Trash pick-up and water are included in the monthly rent.

WITHDRAWALS AND REFUNDS

Withdrawal from Seminary
Students may withdraw from Midwestern at their discretion but the withdrawal may affect their academic record. The student is responsible to secure and process the Exit Form with the Registrar’s Office in order to make withdrawal official. In addition, the student should consider the academic impact for withdrawing from courses. The academic record of students withdrawing from courses during a term is affected in the manner described under “Course Drop” in the Academic Policies section of this catalog.

Students withdrawing from Midwestern should also make proper arrangements with the Financial Aid Office concerning the reduction or cancellation of a student’s financial aid award and with the Housing Office to ensure that proper notification is given concerning moving from student housing. In addition, the withdrawing student must communicate with the Business Office in order to arrange for the appropriate payment of any unpaid accounts and to avoid the assessment of late fees, penalties, or additional charges. An exit interview with the Director of Financial Aid is required for any student with a Federal Direct Student Loan.

Repayment Policy (Return of Title IV Aid)

The federal government mandates that students who withdraw from all classes may only keep the financial aid (federal Title IV grant and loan assistance) they have “earned” up to the time of withdrawal. A student who has federal aid and withdraws before 61% of the semester has elapsed is evaluated according to the U.S. Department of Education guidelines and formula.

To determine the percentage of aid earned, the calendar days completed in the semester are divided by the total days in the semester. Weekends are included, but scheduled breaks that are at least five (5) days in length are excluded. If the student completes more than 60% of the semester, 100% of the aid is earned for the semester. If the student completes 60% or less of the semester, the portion of federal aid determined to be unearned must be repaid to the federal aid programs. The formula used to determine the required return of federal and other student financial aid is finalized within 30 days of the withdrawal date.

For students receiving federal aid, the refund must first be repaid to the Title IV programs, state grants, and institutional funds in accordance with existing regulations in effect on the date of withdrawal and with respect to various types of aid. The Financial Aid Office should be contacted for a calculation of the actual amount the student must return.

If a student has not earned all of the federal financial aid received to date at the point of withdrawal, funds are repaid in the following order: Federal Unsubsidized Direct Loan, Federal Subsidized Direct Loan, Federal PLUS Loan, Federal Pell Grant, state grant and scholarship funds, institutional financial aid, outside scholarships.

In the event a student has received funds for living expenses and an overpayment of federal grant funds occurs, Midwestern notifies the student of the overpayments. The student is responsible for returning the overpayment to the proper federal grant program. Students who fail to repay overpayments are not eligible for additional financial aid funds at any institution until the overpayment has been satisfied.

Cancellation of Federal Financial Aid

Students who have been awarded federal financial aid from Midwestern are subject to the cancellation of their federal financial aid and the removal of the aid previously credited to their accounts for the following reasons:

- Withdrawing from school
- Ceasing to attend classes
- Dropping below half-time status

Cancellation of federal financial aid is made in accordance with current federal regulations and is processed by the Financial Aid Office. For information concerning the current federal financial aid cancellation policies, students should contact the Director of Financial Aid.

Withdrawing from MBTS

Nonattendance of classes does not constitute official withdrawal from Midwestern. In order to withdraw from MBTS, students must complete the official withdrawal process through the Registrar’s Office.

Official Withdrawals are determined by the date when the student began Midwestern’s official withdrawal process OR the date when the student officially notified Midwestern of his/her intent to withdraw, whichever is later.

Unofficial Withdrawals are determined by the documented last day of a student’s participation in an academically related activity.

For a student who leaves without notifying Midwestern because of circumstances beyond the student’s control, Midwestern may determine a withdrawal date related to those circumstances. Midwestern always has the option to use the student’s last day of documented attendance at an academically related activity.

Dropping/Adding Courses as Applicable to Financial Aid

Changes to a student’s course schedule are discouraged after a student and advisor have arranged the student’s schedule for the semester. A $20 schedule change (Drop/Add) fee is incurred, per occasion, for course changes made after the first day of classes each semester or term.

Residential students receiving financial aid who choose to take one allowed online course per semester must enroll in the course during the registration period when they register for their residential courses.

The academic record of students withdrawing from courses during a term is affected in the manner described under “Course Drop” in the Academic Policies section of this catalog.

The official status (full-time, half-time, less-than-half-time) of students receiving financial aid for fall/spring courses is determined as of 4:00 p.m. on the second Friday of the semester, which is considered the “Census Date.” A student’s financial aid is determined based upon the status established on the Census Date. Any change in status during the first two weeks of class may cause a reduction or cancellation of a student’s financial aid award, resulting in a possible increase in out-of-pocket expenses. A student’s official status is used in relation to the determination of financial aid satisfactory academic progress. Students who add/drop courses after the census date will not see an adjustment to financial aid and any resulting charges will be the student’s responsibility.

Ceasing to attend class without processing a Course Schedule Change Form does not constitute an official drop and will result in a failing grade being issued for the class. No course is considered officially added or dropped until the Course Schedule Change Form is submitted to the Registrar’s Office and processed. This form may require the written approval of the professor of the course. Dropping classes results in a $20 Add/Drop fee.
Cancellation of MBTS Scholarships and Other Financial Aid

- Dropping Classes – Midwestern scholarships and other institutional financial aid require a student to have the official status of “full-time.” A student who drops a class prior to the census date loses eligibility for scholarships if his/her status falls to less than full-time as a result of the drop.
- Withdrawing from School – The scholarships of a student who withdraws from school during the institutional refund period, as defined in the Finances section of the catalog, are prorated based on the tuition refund schedule for that semester. No scholarship funding is available for admitted degree-seeking students who withdraw after the institutional refund period.

FINANCIAL SERVICES

Financial Responsibility
Institutions of higher learning and especially those that primarily teach Christian principles are responsible to teach students not only academics but also principles of good citizenship. Financial integrity and responsibility are character traits of the highest priority. Enforcing accountability is a primary tool for teaching students to be responsible citizens. Students are responsible for the costs of attending or taking classes at Midwestern and for living within Midwestern’s financial guidelines.

Enrollment in courses or residence in campus housing constitutes a contractual financial obligation of the student to pay tuition and other fees. The student is ultimately responsible for his/her account and should monitor it on a regular basis. Students have access to their account information on the Student Portal which shows tuition amounts billed and paid, scholarships posted to their accounts, bookstore charges, and housing and utility costs.

Business Office Hours
The Business Office is open to serve students Monday through Friday, 8:00 a.m. to 4:00 p.m. The Office is closed for chapel services on Tuesday and Wednesday from 10:00 to 11:00 a.m. Students may pick up refund checks, cash personal checks up to $50, obtain change, and buy stamps. Students may also pay enrollment fees, housing costs, library fines, etc.

If students have questions about the financial payment processes or if assistance is needed, students should contact the Business Office. Should financial problems concerning payment of bills arise, the student may discuss arrangement for payments, including extensions, with the Director of Financial Services.

Payment Options
Three options are available for admitted degree-seeking students to pay their tuition and fees:

- Payment in full
- Monthly payment plan
- Financial aid programs, including scholarships and Federal Student Aid.

Admitted, nondegree-seeking students may use the monthly tuition payment plan, however, nondegree-seeking students will not be granted scholarships or financial aid. An explanation and qualification for each of these programs is described below.

Payment in Full
Payment of all educational charges is due and payable no later than the first day of the fall or spring semester or January or summer term for which the student is enrolling. Tuition and fees for Computer-Campus-Computer (CCC) courses are due the first day of the term or the Monday four weeks prior to the first on-campus class session, whichever is earlier. Charges for enrolling in courses after the first day of the semester or term are due at the time of enrollment.

Online course payments are due the Monday preceding the course start date.

Students will be charged a late fee of $50 on all accounts not paid by the due date. Payments postmarked by the due dates do not meet the payment deadlines; payments must be received in the Business Office by the due date. Students should allow at least 7-10 days for mailing.

One of three methods may be selected for making full payments:
- Mailing a check to MBTS, ATTN: Business Office, 5001 North Oak Trafficway, Kansas City, MO 64118
- Payment in person at the Business Office located in the Administration Building (cash and checks only)
- Payment in full by credit card through the Student Portal. Students can click the Make Payment button on the My Ledger page and follow the prompts.

Monthly Payment Plan
Midwestern contracts with Nelnet to provide a monthly payment plan option to its students. A $25 nonrefundable enrollment fee is required for each payment plan. A down payment is due upon enrollment in the plan. The remainder is divided evenly, and monthly payments are automatically withdrawn from the participant’s checking or savings account on the 5th or 20th day of each month throughout the semester.

Once established by the student, the payment plan is not automatically modified for changes in enrollment or fees. Any changes to the amount required or cancellation of payments must be made through the Business Office ten days prior to the next required draft.

Students should contact the Business Office or refer to the website for further information about enrollment periods and plan options. A link to the payment plan is also provided on the website and student portal.
Financial Aid

Financial aid funds are disbursed according to the regulations for each award program. The Financial Aid section of the catalog provides more information about available financial aid programs. The Financial Aid Office awards scholarships and federal student aid and notifies the Business Office of the awards. The funds are credited to students’ accounts by the Business Office. For the fall and spring semesters, funds are typically credited on the Friday of the second week of the semester.

Timing of disbursements is contingent upon the student meeting all conditions for receiving aid. Students who have not received a financial aid award letter before the semester due date should make other payment arrangements while the financial aid process is completed. Otherwise, the fees are considered late, and the student may incur late payment fees.

Any excess credit balance after financial aid disbursements will be processed by the Business Office within 14 days that the credit balance occurred. The Credit Balance Refunds section listed below provides more information. If charges remain on the student’s account after financial aid disbursements or if subsequent charges are made, the student is responsible for making certain the charges are paid on time.

Impact for Non- or Late Payment

Students who have not paid their educational charges by the second day of the semester or term will be dropped from the courses for which they had pre-enrolled. To be reinstated, students must do the following:

1. Make payment or make approved arrangements to pay the educational fees plus a $50 Late Payment Fee in the Business Office
2. Obtain a new Enrollment Form either online under Current Students/Registrar’s Office/Helpful Forms or from the Registrar’s Office
3. Have each professor(s) initial the appropriate course on the Class Schedule Change Form to indicate the approval to be reinstated
4. Submit the completed Class Schedule Change Form to the Registrar’s Office.

Failure to maintain timely payment of all financial obligations to Midwestern will result in the student being suspended from classes until the financial obligations have been paid. During the suspension period, the student will be administratively marked absent from classes. During this suspension period, assignments and exam grades will not be counted. The student may be reinstated only after all delinquent financial obligations are paid and clearance is obtained from the Business Office. Students failing to make timely payment of rent may be required to vacate Midwestern housing.

Any appeals should be made according to the Academic Appeals Process or the Grievance Process. The Academic Appeals Process is listed in the Academic Information section of the Catalog. The Grievance Process is listed in the Student Handbook section of the Catalog.

Past Due Accounts

Students with past due financial obligations will be placed on financial hold, which may lead to termination of enrollment, withholding of grades, degrees, and transcripts. Such students will not be permitted to pre-enroll or enroll for future semesters/terms until their past-due financial obligations have been paid or approved arrangements for payment have been made. A fee of $50.00 is assessed for all late payments of tuition. Accounts with outstanding balances on the 10th day of the month will be charged 1.5% on outstanding balances ($50 minimum) per month until the account is paid in full. Overdue balances will be addressed on a monthly basis by the Business Office, and nonpayment will lead to financial hold.

Returned Checks

A check received for payment of tuition fees but returned for any reason invalidates a student’s enrollment and jeopardizes the student’s status. All returned checks must be redeemed within two weeks. A $20 returned check fee is assessed for each check returned by the bank. In addition, appropriate late payment fees may be added. Upon the receipt of the third returned check from a student or member of their immediate family, Midwestern will no longer accept a check in payment of fees and check cashing privileges will be revoked. Future payments for tuition, rents, utilities, etc., will only be accepted in cash, money order, or cashier’s check. Bad checks may be subject to collection or prosecution.

Credit Balance Refunds

Credit Balance Resulting from a Course Withdrawal

A student who withdraws from a course or from Midwestern completely is subject to the refund schedule policy. If the refund schedule allows for a refund and if a refund would create a credit balance on a student’s account, he/she must request a refund in writing to the Business Office.

Credit Balance Refund Resulting from Federal Title IV Aid

If receipts of Federal Title IV aid (grants or loans) result in a credit balance, a refund check in the student’s name will automatically be mailed to the student. If the student’s account is paid partly by a Parent Plus Loan and results in a credit balance, the check is drawn to the borrower to the extent of the PLUS loans proceeds.

Federal Title IV aid can only be credited towards institutional charges. Non-institutional charges such as finance charges and late payment fees cannot be paid from Title IV aid. These charges may result in a refund being generated leaving an outstanding balance on the student’s account for which the student is responsible. These other charges, as well as future charges, may be paid from excess funds by completing an Authorization to Hold Funds form.
with the Business Office. The authorization is optional and may be revoked in writing at any time.

Students receiving Title IV aid who withdraw completely may be billed for balances resulting from the mandatory return of funds to the U.S. Government.

FINANCIAL AID

The Financial Aid Office coordinates and administers the financial aid programs for Midwestern Baptist Theological Seminary. Eligibility for financial aid is determined on the basis of financial need. Financial aid is available to eligible students to help meet education-related expenses. The types of financial aid available include grants, loans, and scholarships. Grants and scholarships are “gift aid” and need not be repaid. Loans must be repaid to the lender over an extended period, typically after the student leaves school.

All applicants for financial aid are required to...

1. Be a fully admitted, degree-seeking student. Nondegree-seeking students and those only auditing classes are not eligible for financial aid
2. Complete a Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. Midwestern’s school code is 002485.
3. Complete verification when required. Guidelines will be provided to the student for completion of the verification process.

Information provided by the student on the FAFSA is used to generate an Expected Family Contribution (EFC), which takes into account the income and assets of the student and/or parent. The EFC is used to determine the student’s financial need. The student’s financial need is the difference between the Cost of Attendance and the Expected Family Contribution or EFC. The Cost of Attendance includes the educational expenses:

Direct Costs:
- Tuition
- Room and board (for students living on and off campus)
- Required fees

Indirect Costs:
- Books and supplies
- Transportation
- Miscellaneous expenses

The amounts for these six educational expenses are the student’s estimated Cost of Attendance at Midwestern Baptist Theological Seminary, and they become the student’s budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students) are charged on the student’s college bill. Financial aid recipients are selected on the basis of demonstrated financial need (as stated above) and/or academic achievement. Most financial aid awards are based on full-time enrollment, which is a minimum of 9 credit hours per semester for a graduate student.

Students should note that in order to complete a master’s degree within three years, students must take more than 9 credit hours per semester. Students should consult with their Academic advisors to plan course loads accordingly.

In order for a Midwestern Baptist Theological Seminary’s student to continue to receive financial aid, the student must maintain financial aid Satisfactory Academic Progress (SAP). Midwestern Baptist Seminary’s policy for determining financial aid Satisfactory Academic Progress is stated below. For more information on financial aid, students may contact the Financial Aid Office located in the Student Development Office in the Trustees Classroom Building or through the MBTS website.

Financial Aid Satisfactory Academic Progress (SAP) Policy

The Financial Aid Office of Midwestern Baptist Theological Seminary and College, SBC administers the student financial aid programs from federal, state, and institutional sources. Institutional sources include scholarships and grants. The U.S. Department of Education requires schools to develop and implement policies by which academic progress is evaluated and monitored for all students, even for those students who have not received financial aid in prior terms at Midwestern.

Students must meet the financial aid Satisfactory Academic Progress (SAP) requirements to receive federal Title IV aid, which includes Federal Pell Grants, Federal Direct Loans, and Federal Parent PLUS Loans. Midwestern also applies the SAP requirements to monitor eligibility for all institutional aid.

This policy describes the Financial Aid Satisfactory Academic Progress and is in addition to and operates separately from the Academic Satisfactory Progress requirements for each academic program.

Satisfactory Academic Progress is based on three concepts:
1. Quantitative: the minimum number of credit hours student must complete each semester that are applicable toward the student’s degree program
2. Qualitative: the minimum cumulative grade point average requirement
3. Maximum time frame to complete the degree.

These regulations are used as standards regarding a student’s academic standing and progress toward his/her educational objectives. The academic record of all students receiving financial aid is reviewed after the end of each term. The academic record is cumulative and includes all courses taken at the student’s current academic level.
After the evaluation, letters are sent to all students who have insufficient academic progress and are being placed on either financial aid warning or suspension. The letter also outlines the process a student must complete to be placed on financial aid probation.

For the purpose of determining eligibility for financial aid, a student is certified as being in satisfactory academic standing if that student is making satisfactory academic progress toward his/her educational objective as described below:

### Evaluating Financial Aid SAP for Graduate Degree Programs

1. **Quantitative:** Eligibility for most financial aid requires at least half-time enrollment, per regular semester. A student must successfully complete 75% of attempted coursework per semester. Withdrawals, incompletes, repeated courses, failure grades, and transfer hours count as attempted coursework. Note: Completion rates are not rounded up. If a student has a completion rate of 74.666%, he/she is not meeting the minimum 75% requirement.

2. **Qualitative:** To maintain eligibility, a student must maintain the minimum cumulative GPA of 2.0.

3. **Maximum Time Frame:** A student may not exceed a maximum number of attempted hours in any program even if aid was not received during the current term or prior terms. Once the student reaches the maximum time frame allowed, the student is ineligible to receive financial aid.

Once a student reaches the maximum time frame allowed, the student is ineligible to receive financial aid; students may appeal on the basis of coursework not applicable to the current degree program.

### Financial Aid SAP for Doctoral Degree Programs

1. The minimum GPA component for doctoral students is measured by the Doctoral Studies Office. Since the doctoral standards are more stringent than the federal SAP requirements, doctoral students permitted to continue enrolling in doctoral seminars or courses are deemed to be making satisfactory academic progress. (Doctoral students must earn a grade of B or 3.0 or higher in each seminar or course. Failure to maintain a minimum cumulative GPA of 3.0 is grounds for termination from a doctoral program.)

2. During the seminar/course phase of the doctoral program, D.Min. and D.Ed.Min. students must complete a minimum of two seminars per year or the equivalent (i.e. eight credit hours); Ph.D. student must complete four courses per year of the equivalent (i.e. 16 credit hours). During the dissertation phase, D.Min. students must complete the dissertation within five years of the start of their program; D.Ed.Min. and Ph.D. students must complete the dissertation within six years of the start of their program.

3. For doctoral degree programs, eligibility for federal financial aid ceases after students in the D.Min. program have been enrolled for four and one-half years, aid for students in the D.Ed.Min. or Ph.D. programs ceases after student have been enrolled for six years.

### Financial Aid SAP Review and Warning

Financial aid satisfactory academic progress is reviewed at the end of each semester (fall, spring and summer) by the Financial Aid Office. Failure to meet the minimum standard outlined in this policy statement places a student on financial aid SAP warning status for one semester. Students on financial aid SAP warning will remain eligible for federal financial aid.

Students on financial aid SAP warning have one semester to correct a progress problem stemming from a low grade point average or lack of credit hour completion. Students placed on academic probation by the Registrar are also considered to be on financial aid SAP warning for one semester and are expected to comply with the requirements of both academic probation and financial aid SAP warning.

Students who do not reestablish satisfactory academic progress after one semester on financial aid SAP warning are no longer eligible to receive federal financial aid and are placed on financial aid SAP suspension. The financial aid SAP suspension appeal process is described below.

### Financial Aid SAP Suspension Appeal Process

Students who do not meet the financial aid SAP warning requirements due to mitigating circumstances may submit a financial aid SAP Appeal to the Financial Aid Office to request an extension to receive federal financial aid for one additional semester. Common situations that may cause a student to fail to meet satisfactory progress standards include family difficulties, such as illness/hospitalization, change in employment or other catastrophic, unplanned circumstances.

The appeal must include documentation supporting the reason(s) the student failed to meet satisfactory academic progress or fail to complete the financial aid SAP warning requirements and provide a written academic plan which has been approved by the student’s advisor and the Director of Financial Aid. The academic plan should outline how the
additional semester will enable the student to meet the financial aid SAP standards. All financial aid awards remain cancelled until the student follows the appeal procedures and receives written notification of reinstatement.

Appeals are reviewed by the Financial Aid Committee, and the student receives written notification of the committee’s decision. The decision of the Financial Aid Committee is final.

Students who submit an appeal to the Financial Aid Office very late in a term or after a term has ended may lose their financial aid eligibility because regulations may limit the time in which aid may be re-awarded and/or disbursed.

If the appeal is approved, the student is permitted to enroll under financial aid SAP probation.

Financial Aid SAP Probation

Students whose appeals are approved are placed on financial aid SAP probation and are permitted to receive financial aid for one additional semester. Students are expected to meet financial aid SAP standards by the end of that semester. Financial aid is processed only after the student on financial aid SAP probation has signed a statement that they have read and agree to the terms of their financial aid SAP probation.

Reestablishing Financial Aid Eligibility for SAP

To reestablish financial aid SAP the student must do the following:

- Achieve the minimum cumulative grade point average component of this Financial Aid SAP policy
- Attain the minimum completed/earned credit hours required.

The student is responsible for notifying the Financial Aid Office in writing once all financial aid SAP requirements to regain financial aid eligibility have been satisfied.

Students are reminded that readmission to Midwestern after an academic suspension or approval of an academic suspension appeal does not automatically reinstate financial aid eligibility after a financial aid suspension. Reinstatement of financial aid eligibility is not retroactive. Reinstatement of financial aid eligibility only affects current or future enrollment periods.

Students Should Monitor Their Academic Progress

Students are responsible for reviewing their grades (including midterm and end of term grades) and comparing their progress to the standards set forth in the financial aid Satisfactory Academic Policy to ensure that they are aware of their standing.

Students are encouraged to seek assistance through pursuing additional academic advising, arranging for tutoring, or regularly discussing their academic work with their instructors. Students are responsible for monitoring their own academic progress because the review completed by the Financial Aid Office may immediately affect their financial aid eligibility for the next term.

Federally Defined Leaves of Absence

Midwestern does not grant federally defined Leaves of Absence for financial aid purposes. If a student must withdraw from school due to circumstances beyond the student’s control, Midwestern may determine a withdrawal date related to those circumstances. Midwestern always has the option to use the student’s last day of documented attendance at an academically related activity.

A financial aid refund calculation will be made in accordance with current federal regulations and will be processed by the Financial Aid Office. For information concerning the current federal financial aid cancellation policies, students should contact the Director of Financial Aid.

Break in Enrollment

When a student has a break in enrollment and is readmitted, the financial aid SAP status for prior terms applies. For example, if a student is placed on financial aid suspension at the end of the spring term and does not return for the next fall term but returns the next spring term, the student continues in a financial aid suspension status for the spring term.

Definition of Traditional semesters, J-term, & Summer Sessions

A traditional semester is referred to as a standard term (i.e., fall, spring, summer). Standard terms are defined as 15 weeks of instruction. Satisfactory Academic Progress requirements are calculated on the satisfactory completion of at least 12 credits in at least 15 weeks of instruction.

J-term credits from classes occurring during the first three weeks in January are added to the spring term. Any other intensive courses such as academic workshops, etc. are credited within the term in which they are held. Summer intensive courses for the purpose of credit hour load and measurement of progress are combined together into the summer term. The summer term is considered a “trailer” by the Midwestern Financial Aid Office. This notation means that aid processed for the summer term is based on the FAFSA from the prior academic year.

Course Repetitions and Incompletes

Repeated and dropped courses count as hours attempted in determining financial aid SAP but do not count as hours earned or completed. As of July 1, 2011, changes in federal regulations allow students to repeat coursework to count toward enrollment status (full-time, half-time, and less than half-time), and they are, thereby, eligible to receive federal student financial aid. Students may repeat a previously passed course once for the purpose of raising the
letter grade, and students may repeat a failed course until it has been passed. Courses in which an incomplete grade is awarded are also counted as hours attempted but not earned or completed until such time as an earned passing grade is issued by the professor to replace the incomplete grade. Per the incomplete grade policy, an incomplete grade not replaced with a passing grade within the time specified on the Incomplete Grade Form becomes a failing grade in the financial aid SAP computation.

Online Courses and Financial Aid Eligibility

Online courses for students enrolled in the standard residential degree programs are intended to be used as supplements to their residential program. To be eligible for financial aid, a full-time student (minimum of 9 credits per semester) cannot take more than one, 3-credit online course per semester.

For students in campus housing, the one, 3-credit online course does not count toward the required full-time (9 credit hours per semester) calculation for living on campus.

Change of Major/Additional Degrees

The minimum cumulative GPA and minimum completion rate of the financial aid satisfactory academic progress (SAP) policy are not affected by a change of major or seeking an additional degree within the same degree level (e.g., bachelors, associates). All periods of the student’s enrollment at that level are counted in determining financial aid SAP. Once the student reaches the maximum time frame allowed, the student is ineligible to receive financial aid. Students may appeal on the basis of coursework not applicable to the current degree program.

Changed Grades

If a grade is changed, the student is required to notify the Financial Aid Office immediately. The Financial Aid Office then initiates a review of the effect of the grade change on satisfactory academic progress within 30 days of notification. A grade change late in the term or after the term in question or failure to notify the Financial Aid Office may result in the loss of financial aid eligibility because regulations may limit the time in which aid may be reawarded or disbursed.

Transfer Credits

All transfer credit(s) listed on the student’s Midwestern transcript are included in the student’s financial aid SAP evaluation. Generally, only transfer credit used to satisfy a Midwestern degree requirement is transferred and, therefore, used in the financial aid SAP calculations.

Evaluating Transfer Credits

- Midwestern accepts only those credits that apply toward the current program and are passed with a C or higher.

- Transfer students accepted on academic probation must meet the condition of their academic probation to qualify for continuing financial aid and, thereafter, make satisfactory academic progress for financial aid.

Remedial and English as a Second Language Course (ESL)

Remedial courses at Midwestern are assigned at an academic level (undergraduate, master’s, or doctoral) lower than the student’s program of study or degree level. As such, remedial hours are not counted in determining financial aid SAP. Midwestern does not offer ESL courses. If a student is required to take ESL courses, he/she needs to complete those courses at another college or university. These hours would not be used to satisfy degree requirements at Midwestern and, therefore, would not be counted in determining financial aid SAP at Midwestern.

Federal Title IV Financial Aid Programs

Eligibility for Federal Financial Aid

To receive federal financial aid, a student must . . .

- Be a United States Citizen or eligible non-citizen
- Demonstrate financial need (except for certain loans)
- Have a high school diploma or a General Education Development (GED) certificate
- Be a fully admitted degree seeking student
- Certify that he/she is not in default on a federal student loan and does not owe money on a federal student grant
- Have a valid Social Security Number
- Register with the Selective Service if required
- Maintain satisfactory academic progress once in school.

Federal Direct Loans

Federal Direct Loans are low-interest loans available to students who are enrolled at least half-time. Students demonstrating sufficient need, (which is determined by the annual filing of the FAFSA), may be eligible for subsidized loan funds in which the government pays the interest accrued while students are in school and during the 6-month grace period occurring after a student graduates, withdraws, drops below half-time status, or has a break in enrollment.

Students who do not have sufficient demonstrated need may be eligible for unsubsidized loan funds for which the student pays the interest. Students have the option of allowing the interest to accrue (adding it to the principle) while they are in school or paying the interest on a quarterly or annual basis. Repayment for both the subsidized and unsubsidized loans begins 6 months after students graduate, withdraw, break enrollment or drop below half-time status. (The definitions of full-time status, half-time status, and less than half-time status are defined below.)
Every Midwestern student who receives a student loan is required to attend a one-day Financial Planning Workshop, which is offered each academic year, usually in the fall. Biblical principles of money management are presented along with practical guidelines for wise financial stewardship.

**Definition of Student Status**
- **Full-time Status.** For federal student aid purposes, doctoral students are classified as full-time students for the duration of their enrollment at Midwestern. Master’s students are full-time when enrolled for 9 or more credit hours during a 15-week semester.
- **Half-time Status.** Master’s students are half-time students when enrolled for 5 to 8 credit hours during a 15-week semester.
- **Less than Half-time Status.** Master’s students are less than half-time students when enrolled for less than 5 credit hours during a 15-week semester.

**Annual Federal Loan Limits (Effective July 1, 2012)**

**Aggregate Loan Limits (Effective July 1, 2008)**

Graduate Students: $138,500 (no more than $65,000 of which can be subsidized). Note: Graduate aggregate loan limits include all unpaid loans taken for undergraduate degrees.

**Federal Graduate PLUS Loans**

The Federal Graduate PLUS loan is available to graduate students as additional assistance after the Direct Loans have been utilized. This is a credit-based loan with adjustable interest rates. Students should contact the Financial Aid Office regarding this loan option prior to application. As a reminder, the total amount of financial assistance (including scholarships and loans) cannot exceed the student’s cost of attendance.

**Loan Deferments**

Midwestern participates in federal and state funded student aid programs involving loans and grants. Midwestern is eligible to certify deferments for federal or state educational loans obtained through other institutions. To qualify for a loan deferment, master’s students must be enrolled for five or more credit hours each fall and/or spring semester. Information regarding loans and deferments are available through the Financial Aid Office. Typically a deferment form will need to be requested from the student’s loan agency or downloaded from the agency’s website; the form must then be completed by the student and taken to the Financial Aid Office for verification.

**Department of Veterans Affairs (VA) Educational Assistance**

Students may receive benefits under one of the following program chapters:
- 30, Montgomery GI Bill-Active Duty
- 31, Vocational Rehabilitation and Employment (R&E) VetSuccess
- 32, The Post-Vietnam Veterans’ Education Assistance Program, or VEAP
- 33, Post-9/11 GI Bill
- 35, Dependents’ Education Assistance program, or DEA
- 1606, Montgomery GI Bill-Selected Reserve
- 1607, Reserve Educational Assistance Program (REAP)

**Applying for Benefits**

A student who has previously used his/her VA educational benefits should complete and submit a Request for Change of Program or Place of Training (VA 22-1995) or a Certificate of Eligibility VA (26-1880) to the Financial Aid Office.

A student who has never used VA educational benefits should apply for benefits at [http://www.gibill.va.gov/apply-for-benefits/](http://www.gibill.va.gov/apply-for-benefits/). A Certificate of Eligibility from the VA will be mailed to the student approximately 6–8 weeks after the application has been processed. The student should then forward a copy of the Certificate to the Financial Aid Office. The VA will notify the student in writing if the student is not eligible for benefits.

Once the student is granted benefits and has received a Certificate of Eligibility, the student should enroll in class as a fully admitted degree-seeking student. The student must notify the Financial Aid Office any time he/she has a change in enrollment.

As a general policy, Midwestern encourages all current or former military students, especially undergraduates, to file the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

**Certification and Payment**

The Financial Aid Office certifies student enrollment to the VA through VAONCE, which will then send payments directly to Midwestern’s Business Office for Chapter 33 and 31 students.

Veteran students enrolled through Montgomery GI Bill - Active Duty (CH-30), Montgomery GI Bill-Selected Reserve (1606) or Reserve Educational Assistance Program–REAP (1607) must verify enrollment through Web Automated Verification of Enrollment (W.A.V.E.) [https://www.gibill.va.gov/wave/index.do](https://www.gibill.va.gov/wave/index.do).

These students are paid directly and should make tuition payment arrangements with the Business Office. If payment has not been received within a reasonable amount
of time after certification, the student is responsible for contacting the VA directly to determine the cause. Questions concerning the amount of payment should also be directed to the VA. The VA may be contacted by phone at 888-442-4551 (888-GI BILL) or by email at https://gibill.custhelp.com/app/answers/list.

Tuition Assistance Program Eligibility for Active Duty Military, National Guard, and Reservists

Up-Front Tuition Assistance (TA)

Military Tuition Assistance (TA) is a benefit paid to eligible members of the Army, Navy, Marines, Air Force, and Coast Guard. Congress has given each service the ability to pay up to 100% for the tuition expenses of its members.

Midwestern is a signatory of the Department of Defense (DoD) Tuition Assistance Program Memorandum of Understanding (MOU) and eligible to receive TA. TA is not a loan; it should be viewed as money earned just like base pay. TA is usually paid directly to Midwestern by the individual service for tuition and eligible fees.

Active duty military and reservists interested in obtaining Tuition Assistance must check with their Education Services Officer to determine whether they are eligible. Students are encouraged to contact their Education Office at least 30 days prior to their anticipated enrollment date.

Each service has its own criteria for eligibility, obligated service, application processes, and restrictions. Students should log on to the following links to apply for TA authorization:

Navy: https://www.navycollege.navy.mil/nta.cfm#contact

Once students are approved for TA and are fully admitted, degree-seeking students at Midwestern, they must notify Midwestern’s VA Benefits Coordinator for certification and processing. The education office should send payment directly to Midwestern.

Students are encouraged to keep copies of all forms for their records. Students who are eligible for Tuition Assistance may be required to pay the portion of their tuition and fees that are not covered by TA prior to registration.

A final grade report will be submitted electronically to the education office after the student completes the course(s). Students consent to the release of their grade(s) by signing the Tuition Assistance form.

SCHOLARSHIPS & GRANTS

Institutional Grants

Student’s Child Tuition Grant. Children of full-time, degree-seeking students (twelve or more credit hours for undergraduate students and nine or more credit hours for graduate students) are eligible to receive a Student’s Child Tuition Grant. The grant is 25% of the applicable tuition rate of a full-time student. All fees are the responsibility of the student. The Student’s Child Tuition Grant does not apply to children of doctoral students.

Student’s Spouse Tuition Grant. Spouses of full-time, degree-seeking students (twelve or more credit hours for undergraduate students and nine or more credit hours for graduate students) are eligible to receive a Student’s Spouse Tuition Grant. The grant is 50% of the applicable tuition rate for a full-time, degree-seeking student. All fees are the responsibility of the student. The student spouse tuition grant does not apply to spouses of doctoral students.

Academic Scholarships

All scholarships are awarded to fully admitted, degree-seeking students. Students must be enrolled full-time to be considered for any of the following scholarships.

FUSION Presidential Scholarship. This scholarship is awarded to students who have completed FUSION during the prior academic year. More information about the scholarship can be found on the Financial Aid section of the website.

Midwestern Church Match Scholarship. This scholarship is available for the initial academic year of enrollment. Midwestern will match $250 for any student whose church donates a minimum of $500 toward their education. More information about the scholarship can be found on the Financial Aid section of the website.

Presidential Academic Excellence Scholarship. This scholarship is available for the initial academic year of enrollment only to students with a GPA of 3.5 or higher in high school or college transfer work. More information about the scholarship can be found on the Financial Aid section of the website. (This scholarship is funded in part by the Samuel Ayers and Mildred Ayers Scholarship Fund.)

Returning Journeymen/ISC Scholarship. This is a full-tuition scholarship for the first two semesters at Midwestern’s main campus, awarded to a Journeymen or ISC participant returning from service with the International Mission Board. Recipient must be fully admitted and enrolled full-time in a M.Div. or M.A. program or in the 20 hour IMB requirement program within one year of service completion.

This is a nonrenewable scholarship. Applicants may not transfer from another seminary to Midwestern.
**Outside Scholarships**

Outside scholarships are scholarships that students will use as additional funding. Scholarships may be awarded from foundations, churches, retail businesses, etc. Outside scholarship awards combined with other financial aid cannot exceed the cost of attendance.

The Financial Aid Office requires written confirmation from the scholarship donor. Notification of the outside scholarship award should be sent as early as possible in order for the scholarship to be included in the financial aid award.

**Endowed Scholarships**

Each year Midwestern’s students benefit from scholarships donated by individuals and organizations to financially assist students with paying their educational expenses. To receive primary consideration, scholarship applications are due in the Financial Aid Office May 1. Midwestern’s scholarship applications are generic, so only one application needs to be completed in order to be considered for most scholarships. More information about the endowed scholarships can be found on the Financial Aid section of the website.
Academic Information

ADMISSIONS

Midwestern Seminary is owned and operated by the Southern Baptist Convention, which subsidizes the educational fees of Southern Baptist students. The academic programs and facilities of Midwestern are open to students of all Christian denominations who meet the standard requirements for admission. Non-Southern Baptist students are required to pay additional fees.

The Seminary does not discriminate on the basis of race, color, national or ethnic origin, or gender in the administration of its educational policies, admission policies, scholarship and loan programs, or any other programs and activities, and complies with applicable nondiscrimination laws.

A $50 nonrefundable application fee must accompany all applications for admission. Application may also be made online through Midwestern's website at www.mbts.edu.

An application may be submitted at any time, provided it is received at least four weeks prior to the beginning of the semester that the applicant desires to begin attending Midwestern. Students may register for classes at the beginning of any semester on the day classes begin but no later than the end of the first week of classes or its equivalent (i.e., the last day to add a class).

How to Apply

1. Complete an application for admission provided by the Seminary. A nonrefundable $50 application fee must accompany the application.
2. Submit a completed personal essay and spouse essay, if applicable. The personal essay requests evidence of the applicant’s salvation experience and that the applicant’s plan and purpose in life is to serve in vocational Christian ministry (i.e., the applicant is to have a call to ministry).
3. Obtain three references from persons not related to the applicant who can address the applicant's personal and Christian character.
4. Have an official transcript of all academic work sent from all schools attended. Acceptance for a master’s program requires an earned bachelor’s degree from an accredited institution of higher education. The Doctor of Ministry program requires an earned M.Div. degree or its equivalent from an Association of Theological Schools (ATS) accredited institution. The Doctor of Educational Ministry program requires an earned M.A.C.E. degree or its equivalent from an ATS accredited institution.
5. Provide a church endorsement, certified by the applicant's local congregation.
6. Submit completed health/emotional/social information forms.

For assistance, individuals may call the Admissions Office at 1-800-944-MBTS (6287). This is a restricted phone number for student admissions information. Application forms are available online or students should contact the Admissions Office:

Educational Preparation

Students who plan to enter seminary after college should plan their undergraduate curriculum with future studies in mind. In order to prepare for advanced theological study, students should have an understanding and awareness of themselves and their cultural, political, and social milieu. They should have a basic knowledge of the Bible and religious history and be aware of theological thought. As part of the educational preparation, the student should also develop good English and communication skills. A student must be able to write and speak clearly and correctly and be able to think logically and in an organized manner. A student will also benefit from being proficient in reading at least one foreign language.

The faculty at Midwestern Seminary in principle affirms the following statements on pre-seminary studies by the Association of Theological Schools:

General Principles
• Schools should require evidence that a student has developed to a satisfactory degree the ability to think independently, to communicate effectively, and to do research.
• Students should possess a basic general knowledge of past and present culture through studies in the humanities and the natural social sciences.
• The Biblical languages are useful tools that may be acquired in the pre-seminary period. Latin is important, especially in some traditions. Modern languages such as German, French, and Spanish are also valuable.

Religious Studies
• The study of religion is appropriate within a liberal arts education. Students should be discouraged, however, from anticipating, to any considerable extent at the undergraduate level, work that will form part of their seminary program. Such anticipation may narrow the base on which later theological reflection will rest and
may also create problems in planning an integrated program in the theological school.

- Seminaries, on their part, should attempt to accommodate students with advanced undergraduate work in the area of religion. (Advanced Standing by Examination and Course Waiver by EXCEL Examination later in this section provides further information.)

Special Circumstances
- Specific curricular requirements may be required by member schools.
- A demonstrated competence, e.g., in business or a profession, may be considered a helpful part of pre-seminary preparation.
- Candidates whose formal preparation is deficient may be required to undertake remedial study at the undergraduate level, even though they hold an accredited bachelor's degree.
- Accepted measuring tests, such as the Graduate Record Examination, are appropriate aids to evaluate applicants.
- Schools should assess by letters of reference and, if possible, by interview, their applicant's maturity, emotional stability, skill in personal relationships, and commitment to theological study.

English Proficiency
All degree-seeking students entering a master’s program at Midwestern for the first time are required to demonstrate mastery of written communication skills by achieving a combined grade point average of 2.5 or higher in a minimum of six semester hours of undergraduate English composition or its equivalent. Any student below this 2.5 GPA average or with fewer than six hours of undergraduate English composition will be required to take U-GE102 English Composition II or its equivalent at Midwestern or at a college or university approved by Midwestern within one year of the student’s initial enrollment.

As an alternative to taking the course, master’s students who do not meet the English proficiency requirement will be allowed to complete the Credit by Exam for English Composition II using the online format. The student will be provided with the instructions for completing the exam, the study materials, and the exam via Blackboard. The student will be responsible for securing a proctor who will be present throughout the exam. The proctor must be approved by the faculty member who is managing the course. The proctor will communicate his/her willingness to serve prior to the release of the study materials.

The proctor may not be a member of the student’s family or someone under the supervision of the student. The Seminary will provide a faculty member to manage the process of releasing test-taking materials, providing the exam, and grading the completed exam. The exam will be graded as pass/fail, and the exam results will be sent to the Registrar’s Office for notation on the student’s records. The nonrefundable fee for the testing procedure is $105.

Students not completing this requirement within one year will be suspended from enrolling until they have satisfied the requirement. U-GE102 English Composition II is a three-credit-hour undergraduate course and is not applicable toward any master’s level degree requirements. The level of English competency will be determined by an analysis of undergraduate transcripts. Those students required to take U-GE102 English Composition II or its equivalent will receive notification from the Registrar’s Office.

Fees
Students should come with sufficient funds to meet all initial expenses such as tuition, fees, housing, and books. Students should refer to the Finances section of this catalog for financial responsibilities.

International Mission Board “2+2” or “2+3” Program
Midwestern offers the Master of Divinity degree, International Church Planting concentration in cooperation with the International Mission Board (IMB) of the Southern Baptist Convention. The concentration includes two years of study at Midwestern and two or three years of international field-based service and study in cooperation with the IMB (i.e., “2+2” or “2+3”). Students completing the program qualify for appointment as career missionaries with the IMB without additional stateside ministry experience.

Since the field-based service is part of the program, when a student completes the field service, he/she may return to MBTS within one year without readmission.

Nehemiah Project
The Nehemiah Project is a cooperative intern strategy that links Southern Baptist churches, associations, state conventions, training institutions, and the North American Mission Board to prepare church planters to plant healthy, reproducing churches. The Nehemiah Project values are listed below:

- The unique calling, gifts, and temperament of each individual
- The combination of quality classroom education and sound, practical experience
- The role of mentoring in developing healthy leaders
- The penetration of new mission settings
- The planting of churches that reproduce
- The partnering of Southern Baptists to reach North America.

To participate in the Nehemiah Project students are to meet criteria established by the Nehemiah Center program as well as the entrance requirements of Midwestern. Students in this church-planting program will typically pursue the
Master of Divinity degree, North American Church Planting concentration.

**New Student Orientation**

All new students are required to attend New Student Orientation prior to the student’s first semester at Midwestern. Dates for this event are listed in the Academic Calendar at the beginning of this catalog. Orientation sessions are offered on the Kansas City campus just prior to the start of the fall and spring semesters. The orientation sessions include registration.

An identification photograph is taken during New Student Orientation for the student directory. Appropriate dress is required (coat and tie for men).

**Nondegree-Seeking Students**

Individuals who wish to enroll in graduate classes at Midwestern Baptist Theological Seminary as a nondegree-seeking student must complete the Nondegree-Seeking Student Application for Admission form. This form is available at www.MBTS.edu. Those applicants wishing to become nondegree-seeking students must submit the following items to the admissions office:

- A completed Non-Degree Seeking Student Application
- A $25 non-refundable application fee
- Transcripts of any college coursework (unofficial records will be considered).

To be eligible to take master level course as a nondegree-seeking student, the student must have completed an undergraduate degree. No nondegree-seeking student is eligible to receive Federal Student Aid. A maximum of 30 credit hours may be taken as a nondegree-seeking student. A student is not allowed to take more than one course until his/her Nondegree-Seeking Application for Admission form has been processed and accepted. All application materials are to be directed to the Admissions Office:

- Admissions Office
  - Midwestern Baptist College, SBC
  - 5001 North Oak Trafficway
  - Kansas City, MO 64118

**Prerequisites for a Graduate Degree**

Students desiring to earn one of Midwestern’s graduate degrees are required to have completed an accredited baccalaureate degree or its equivalent. Midwestern adheres to the Association of Theological Schools’ standards that limit the number of students who are accepted from non-accredited schools. Applicants for the Doctor of Ministry degree are to have an accredited M.Div. degree or its equivalent. Applicants for the Doctor of Educational Ministry degree are to have an accredited M.A.C.E. degree or its equivalent. Specific requirements for admission to doctoral programs are outlined in the appropriate doctoral degree guide, which is available from the Doctoral Studies Office.

Students with degrees from non-accredited schools may be granted acceptance on the basis of scholastic probation. Qualified undergraduate students who have not completed the requirements for a baccalaureate degree may request to enroll in a master’s level course by obtaining approval using the Undergraduate Student Request to Register for a Master’s Level Course form which is available from the Registrar’s Office.

**Profiles of Ministry-Stage I: Entrance**

Entering master’s students are enrolled in Profiles of Ministry-Stage I Entrance Survey sponsored by the Association of Theological Schools (ATS). The Survey assesses the student’s readiness for ministry. Following scoring of the survey by ATS, Midwestern’s Profiles of Ministry Coordinator provides each student with a copy and an interpretation of his/her Profile of Ministry.

**Re-Admission**

Students who have not attended Midwestern within the past calendar year (i.e., 12 consecutive months) are to complete an Application for Admission and return under the current academic catalog requirements. Appeals may be made to the Academic Policies Committee.

Students who have completed a degree at Midwestern and wish to re-apply for another degree (graduate or undergraduate) may use the Application for Re-Admission to apply if it is 12 months or less from the date they finished class to the date they would start classes again.

Please note that students must contact the Doctoral Office for information about applying for a doctoral program.

Application for admission or readmission is available at www.mbts.edu or may be requested by the following:

- **Telephone:** 1-800-944-MBTS (6287)
  - 1-816-414-3733
- **Email:** admissions@mbts.edu
- **Address:**
  - Admissions Office
  - Midwestern Baptist Theological Seminary
  - 5001 N. Oak Trafficway
  - Kansas City, MO 64118-4697

**Registration**

Students must have their course schedule approved by their faculty advisor in order to register. Full details of the registration process are available from the Registrar's Office. Students not completing registration during the scheduled registration period are assessed a late payment fee. The registration form is available at www.mbts.edu.

The total record of each student is subject to review at the time of each enrollment. Midwestern reserves the right to discontinue enrollment at any time a student's academic performance or personal conduct is deemed unsatisfactory by the faculty or administration. The student should review
Impact for Non- or Late Payment in Finances section before registration.

**Scheduling Plan**
Midwestern’s curriculum is structured around two fifteen-week semesters. Courses are also offered in January and summer terms in one- and two-week intensive formats. Some graduate courses are also available online and are structured around two 8-week terms per semester. The goal of the scheduling plan is to make classes accessible to as many students as possible.

**Testing Services’ School Codes for Midwestern**
The Test of English as a Second Language (TOEFL) school code for Midwestern is 6441. Information about the TOEFL examination is available at most colleges and universities or may be obtained by writing the Educational Testing Service at TOEFL/TSE Services, P.O. Box 6151, Princeton, NJ 08541-6151, USA.

Using Midwestern's institutional code, 6441, allows the Educational Testing Service to forward the score directly to Midwestern. The TOEFL score must be received by the Admissions Office before an international student’s application will be processed.

The Graduate Record Examination (GRE) school code for Midwestern is 6441. Information about the GRE examination is available at www.ets.org or by writing the Educational Testing Service at: GRE-ETS, P.O. Box 6000, Princeton, NJ, 08541-6000. A GRE score is optional, i.e., not required, for admission to Midwestern.

**Transfer Credit**
Midwestern accepts a limited number of credit hours for courses taken at other accredited institutions. To be eligible for transfer, courses must meet the following requirements:
- The course must be equivalent in content and requirements to courses in the Midwestern catalog
- The course must meet a Midwestern degree requirement
- The student must have a recorded grade of C- or higher for master's and B or higher for doctoral transfers.

In addition, for graduate level transfer credit, the Association of Theological Schools stipulates that up to one half of the credits required for the student's degree program at Midwestern may be granted on the basis of transfer credits.

Qualified U.S. military chaplains admitted to Midwestern’s D.Min. program may request the transfer of up to 15 credit hours toward the D.Min. degree for military training in such areas as Chaplaincy Officer Basic Course, Chaplaincy Officer Advanced Course, and/or ILE/CGSC training. At least one half (12 hours) of the 24 hours required for the D.Min. degree must be completed at Midwestern.

Master’s students transferring from unaccredited institutions (an institution of higher education that is not accredited by a regional or institutional accrediting agency recognized by the Council for Higher Education Accreditation and/or the U.S. Department of Education) may validate master’s level coursework with EXCEL exams and/or faculty validation of competency. Upon successfully passing the exam or faculty validation, the student will be awarded transfer credit.

**POLICIES**

**Academic Appeal Process**
Students desiring to request exceptions to academic policies and regulations are to submit a written statement explaining the request and the reasons for it to the Academic Dean or Registrar for consideration by the Academic Policies Committee. The Academic Office or Registrar's Office should be contacted about procedures and/or forms.

**Academic Probation**
To remain in satisfactory academic standing, master's degree students and undergraduate students must maintain a cumulative grade point average (GPA) of 2.0 or higher for all coursework taken at Midwestern or transferred from another institution. The Registrar will notify each degree-seeking student whose cumulative GPA falls below 2.0 that the student is being placed on academic probation, that the student may enroll for no more than 9 graduate credit hours or 12 undergraduate credit hours per semester while on academic probation, and that the student is automatically enrolled in a study skills course (GS90 Study Skills, 2 hours) when the student registers the next term/semester. The study skills course is required each semester while on probation. A student may not enroll for Study Skills without enrolling in at least one other course. Credit for this course does not count toward meeting degree requirements.

Being placed on academic probation will affect a student’s eligibility to receive financial aid. Students receiving financial aid should also see the Satisfactory Academic Progress policy under Financial Aid in the Finance section of this catalog. Students under extenuating circumstances may provide a basis for an appeal to enroll in additional classes. Appeals may be made to the Registrar’s Office.

The student who fails to attain at least a 2.0 cumulative GPA by the conclusion of the second semester of the probationary period must withdraw from Midwestern for at least one semester. The student who anticipates returning to Midwestern should seek advice in advance and from the Admissions Office as to what components would be necessary for readmission. After the withdrawal period, the student may apply for readmission. If the student is readmitted, he/she must achieve a cumulative GPA of 2.0 or above within the following two semesters. Otherwise, the
student is ineligible to continue studies at Midwestern without permission from the Academic Policies Committee. Doctoral students should consult the appropriate doctoral program guide for the policy regarding satisfactory academic standing that applies to them.

**Advanced Standing by Examination—Master’s**

The Master’s Advanced Standing Program offers qualified, degree-seeking Master of Divinity, Master of Arts in Christian Education, Master of Arts in Church Music, and Master of Arts in Counseling students the opportunity to test out of up to 14 hours of foundational course degree requirements. Credit is not awarded for advanced standing courses. Instead, the courses are no longer considered as requirements for graduation. Also advanced standing courses generally are not transferable to other institutions.

To test out of a foundational course in a Master of Divinity, Master of Arts in Christian Education, Master of Arts in Church Music, and Master of Arts in Counseling degree program, the student is to have met all three of the following criteria as certified by Midwestern’s registrar:

1. Have taken a comparable course of the same general content at the undergraduate level.
2. Have earned a B grade or higher in the comparable course.
3. Have earned an overall undergraduate GPA of 3.0 or higher on a 4.0 scale.

Degree-seeking students who wish to test out of a course will be charged a $40 per credit hour testing fee and given a study guide for that course one week before taking the qualifying examination. If the student does not take the examination within eight days of receiving the study guide, the option of testing out of that course will be forfeited. The study guide (and copies made of any parts thereof) is to be surrendered at the time of the scheduled examination.

The Academic Office will notify the student and the Registrar’s Office of the result. If the student passes the examination, a ‘P’ (passing grade) for that course will be noted on the student’s transcript. If the student fails the examination, the student will be required to take that course and will not be given the opportunity to retake the qualifying examination. Since courses are offered on a rotating basis, the student will be responsible for ensuring that the qualifying examination is taken early in the student’s degree program, leaving ample time to take the required course if needed.

Students desiring to take an advanced standing examination are to obtain an Application for Advanced Standing from the Academic Office. Students must complete a separate form for each course. Students having met the requirements to take an advanced standing examination must obtain the certification from the registrar and submit the completed form to the Academic Office for the examination to be scheduled.

Qualified students may earn advanced standing for up to 14 credit hours from the following courses:

- BS2200 Elementary Hebrew I 3 hrs
- BS2201 Elementary Hebrew II 3 hrs
- BS2210 Old Testament Survey I 3 hrs
- BS2211 Old Testament Survey II 3 hrs
- BS2300 Elementary Greek I 3 hrs
- BS2301 Elementary Greek II 3 hrs
- BS2310 New Testament Survey I 3 hrs
- BS2311 New Testament Survey II 3 hrs

- HT3200 Theology I 3 hrs
- HT3201 Theology II 3 hrs
- HT3300 Introduction to Apologetics 2 hrs
- HT3400 Christian Ethics 3 hrs

**Attendance**

Midwestern expects regular attendance in all classes and students must inform professors of anticipated absences. A student must attend at least 75 percent of class sessions to receive credit. Failure to attend 75 percent of class sessions will result in the student receiving a failing grade for that course. If a student does not attend any class session during the first two weeks of a regular term class, that student will be considered as unofficial withdrawal from the school unless prior arrangements have been made in writing with the professors of the classes. Appeals for exceptions are to be made in writing, supported with appropriate documentation, and submitted to the Academic Dean or Registrar for presentation to the Academic Policies Committee. Professional doctoral students must submit an appeal to the Director of Doctoral studies and research doctoral students must submit an appeal to the Ph.D. Director. These appeals will be presented to the Doctoral Studies Committee for a decision.

Professors will record student attendance for every course. If an enrolled student has never attended a course or has ceased to attend or has missed more than 25 percent of class sessions, the professor will notify the Registrar’s Office of the student’s last date of attendance or non-attendance.

Attendance must be “academic attendance” or “attendance at an academically-related activity” as required by a professor or an academic degree program. Examples include the following:

- Physical attendance in a classroom where there is direct interaction between the instructor and student
- Submission of an academic assignment
- Examination
- Computer-assisted instruction
- Study group assigned by professor
- Participation in online discussion about academic matters.

Auditing

Those who desire to audit classes (non-credit) need to apply as nondegree-seeking students. The student should refer to the Nondegree-Seeking Students section in the Admission of this catalog. When the student completes the enrollment, an audit tuition rate and registration fee per credit hour is assessed. In cases of limited space, priority is given to students enrolled for credit.

Auditing students do not receive academic credit for the audited course, and the hours taken are not computed in the student’s grade point average. After the last day to add a class (i.e., the end of the first week of classes), a class audited may not be changed to a credit class. Only regularly scheduled courses may be audited and then only for the scheduled hours. Auditors attend class under the regular class attendance policy. Auditors do not take examinations or quizzes and do not submit assignments for grading by the professor. Participation in class discussions or activities is at the discretion of the professor and requires advance preparation or knowledge of the subject or topic by the auditor.

Catalog Requirements

Students are required to satisfy degree requirements according to the Academic Catalog that is in effect for the term in which they first enroll at Midwestern. Students not attending Midwestern for more than one year (12 consecutive months) are required to meet requirements from the catalog in effect at the time they reenroll unless prior arrangements have been approved by the Academic Policies Committee. Students may petition the Registrar in writing to meet degree requirements from a more recent catalog provided they are enrolled when that catalog is in effect.

Closure or Delayed Opening for Inclement Weather

Closure or delayed opening of the Kansas City campus due to inclement weather is at the discretion of the President or designated administrator. Unless notified otherwise, the cancellation of Kansas City classes will be announced primarily on the MBTS website. Notice may also be given on local Kansas City television stations. When classes are not cancelled during inclement weather conditions, students should use discretion to prevent endangering themselves or others by attempting to travel to class during dangerous or intimidating conditions or situations. Consideration will be extended to students who cannot make it to class due to safety concerns, children at home, etc.

Computer-Campus-Computer (CCC) courses

Computer-Campus-Computer (CCC) courses are designed to be equivalent in content to full semester courses. Students begin four weeks prior to the one week of intensive lectures on-campus with preparation by the student at home via the computer and/or email. These courses are offered during the fall and spring break and during summer and winter breaks. Classes meet Monday through Friday for a week. After the one-week, on-campus class, the student finishes course assignments and/or tests via the computer and/or email for the next four weeks. Students utilize the MBTS email address and the internet to complete the CCC Course.

Course Changes (Add/Drop or Withdrawal)

A $20 fee is charged for course changes per form after the first day of classes each semester or term. Doctoral students must refer to the appropriate doctoral guide.

Course Add. Students may add a course through the end of the first week of classes each semester or its equivalent. Students may also add a class through the end of the second week with the approval of the professor. The appropriate tuition is assessed for the added course.

Course Drop/Withdrawal. On-campus courses dropped before the end of the first week of classes each semester will not appear on the student’s transcript. Dropping or withdrawing from a course after the end of the first week of classes or its equivalent (i.e., Computer-Class-Computer [CCC] courses dropped prior to the first day of pre-coursework) but prior to the end of the first half or 50 percent of a course will result in a "WP" (withdraw passing) or "WF" (withdraw failing) grade.

Students may not drop or withdraw from a course during the second half or 50 percent of a course except for medical reasons or other emergencies. A student will receive a grade of “F” if the course is not successfully completed. Exceptions are made by the Academic Policies Committee. In the case of an approved exception, a "W" (withdrawn) or "WF" (withdraw passing or failing) grade is assigned or the professor may assign a "WP/WF" (withdraw passing or failing) grade if appropriate.

Online courses dropped after the second week will incur the academic penalty of “F” for the class. Ceasing to attend a class without processing a Class Schedule Change Form does not constitute an official drop and will result in a failing grade being issued.

Financial aid is paid based upon the student’s status as of the census date (second Friday after the first day of semester). If a student drops or adds courses after the census date, financial aid will not be affected for that particular semester unless the student withdraws from Midwestern. (The student should refer to the Withdrawing from Midwestern section of the catalog for details.)

Dropping below nine credit hours of coursework may require the student to vacate on-campus housing unless prior approval was obtained.

Course Offering Cancellations

Occasionally, cancelling a class may be necessary due to insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is determined by the Academic Dean. Every effort will be made to provide notice of the cancellation at least one week
prior to the first scheduled meeting of the class. The Registrar’s Office will advise the student of the cancellation and any other options including the possible rescheduling of the class. MBTS does not assume responsibility for any graduation delay that might result from the cancellation.

Course Repetition
Students must repeat any course in which he/she receives a failing grade. If a student earns a higher grade for the repeated course, the "F" is not removed from the transcript but is not calculated in the grade point average with the new passing grade. Students may repeat a previously passed course only once for the purpose of improving the letter grade. Students may repeat a failed course until he/she has passed the course.

Course Substitution
The faculty has prescribed required courses according to the purposes of the various degree programs; therefore, permission to substitute other courses for the required courses is an exception requiring special approval. A student should obtain and complete a Master’s Course Substitution/Waiver Request form available in the Registrar’s Office. Signatures must be obtained for each course for which a substitution or waiver is requested. Approval is required from a professor who normally teaches the course and the student’s academic advisor. If the course substitution or waiver is for a degree program Foundational Core course, approval must also be obtained from the Academic Policies Committee. If the substitution is for a degree program emphasis course, approval of the Academic Dean is also required.

Coursework Requirements
Course requirements such as readings, reviews, research, and term papers assume that students will invest a minimum of two hours out of class for every one hour in class. Students are advised to adjust their academic workload and employment to provide thorough preparation for each course.

Course Waiver by EXCEL Examination
Degree-seeking master’s students who believe they are competent in a required seminary course may apply to take an EXCEL exam to have the required course waived and receive entry into upper level course work. However, student must complete the waived hours with additional electives. To be eligible to take an EXCEL exam, a student is to have earned an overall undergraduate GPA of 3.0 or higher on a 4.0 scale and have earned a grade of B (3.0) or higher in the course under consideration.

Students must apply for an EXCEL exam through the Academic Office at least two weeks prior to the examination date. A nonrefundable fee of $25 is charged for each exam taken. Payment is due in advance or at the time of the examination. Examinations are graded on a pass/fail basis.

Credit Hour
A credit hour is an amount of work represented for the intended learning outcomes achieved in one hour of classroom instruction (i.e., a 50 minute class period) or direct faculty instruction plus a two-hour final exam taken during the fifteenth week or the equivalent.

In nontraditional or specialized courses (e.g., online, internships) where a course may not meet for the equivalent instructional time, instructors may use alternative instructional processes so that students achieve the equivalent learning objectives.

Credit Hour Load
Full-time. Doctoral students are continuously enrolled throughout their programs and are classified as full-time students. Students are enrolled in a minimum of one four-hour class or seminar each semester until they meet all requirements. Master’s students are classified as full-time when enrolled for nine or more credit hours during the fall or spring semesters.

Part-time. Master's students are part-time students when enrolled for less than nine credit hours during a 15-week semester.

To complete a M.Div. degree in three years or six semesters, students must take 15 or 16 hours each semester. Some programs may require additional hours. Students may not exceed the 18 hour maximum load limit without obtaining approval from the Academic Dean. Students placed on academic probation or making less than satisfactory academic progress may be limited in the number of credit hours they may take and, therefore, may be required to enroll in additional semesters to complete graduation requirements.

Cross-Enrollment through the Kansas City Association of Theological Seminaries
Regular enrollment in another ATS accredited theological seminary in the Kansas City area (Central Baptist Theological Seminary, Midwestern Baptist Theological Seminary, Nazarene Theological Seminary, and Saint. Paul School of Theology) qualifies a student for cross-enrollment at Midwestern. Credit on work taken at Midwestern is transferable to the institution in which the student is enrolled.

Subject to prior approval of the Academic Dean, a degree-seeking student currently enrolled at Midwestern may request to enroll in a course at one of the other Kansas City Association of Theological Seminaries and have the course credited toward a degree from Midwestern. Normally, a student will take no more than four hours per semester in cross-enrollment. Courses taken must be electives. A student may not take more than eight hours in cross-enrollment toward a degree at Midwestern. Courses for cross-enrollment taken at Midwestern should be on-campus classes.
Degree Progress
Responsibility for degree progress ultimately belongs to the student. A current curricular appraisal for each degree is available online at www.MBTS.edu. Students in need of assistance may contact the Registrar’s Office or visit with a faculty advisor. Midwestern’s current goal is to make the degree audit available on the student portal.

Distance Education (online)
Midwestern requires 30 credit hours for all master’s degrees to be completed through on-campus classes. The remainder of the degree requirement may be completed through a combination of online and on-campus classes. The student should also refer to the Online Course Limits policy in this section.

Earning Two Degrees
The Association of Theological Schools accreditation standards permit a maximum of one-half of the hours earned in one degree to be transferred into a second degree. In addition, at least one-half of the hours required for the second degree must be completed in addition to the courses completed for the first degree.

The Family Educational Rights and Privacy Act (FERPA)
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include the following:

1. The right to inspect and review the student’s education records within 45 days of the day Midwestern receives a request for access. The student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The Midwestern official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Midwestern official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. The student may ask Midwestern to amend a record the student believes is inaccurate or misleading. The student should write the Midwestern official responsible for the record, clearly identify the part of the record the student wants changed, and specify why the record is inaccurate or misleading. If Midwestern decides not to amend the record as requested by the student, Midwestern will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Midwestern in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Midwestern has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, Midwestern discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

Directory information (listed below) is generally considered not harmful or an invasion of privacy if released. Unless the Registrar’s Office is informed otherwise by the student in writing, directory information may be released by Midwestern without the student’s permission.

Directory Information. The following information is considered to be directory information by Midwestern and, therefore, information that is generally not considered harmful or an invasion of privacy if disclosed:
- Name, address, & telephone listing
- Email addresses
- Participation in officially recognized activities
- Date and place of birth
- Photographs
- Dates of attendance, degrees, and awards
- Most recent previous school attended
- Class schedule/roster
- Field of study (program/major)
- Full-or part-time status

Students who do not want to release this information to anyone who does not have an authorized and/or legitimate need to know the above information should notify the Registrar’s Office in writing of this desire and the noted information will not be released. If a student specifies that an address and/or phone number not be released, this action will prohibit even friends and relatives from being able to obtain that information from Midwestern.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Midwestern to comply with the requirements of FERPA. The name and address of the office that administers FERPA is as follows:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC 20202-4605

Final Examinations

Students are required to take final examinations at the times scheduled. School policy prohibits the taking of a final exam early. Students who are scheduled for three or more final exams on the same day may request permission from the course professor to reschedule one exam provided the request is made prior to the exam day. Forms for Final Examination Change Request are available in the Registrar’s Office. In addition, a student who is unable to take a scheduled final examination because of confining illness or some other serious circumstances should follow the same process as above.

Grades and Academic Assessment

To assist Midwestern in the ongoing assessment of student learning and achievement, students are asked to complete the confidential, internet-based assessment of their course(s). The confidentiality of student responses is ensured through a system that permits faculty to view only the summary data of each class. Individual student responses are flagged for tracking purposes only and cannot be identified by the faculty nor are they available to faculty. Course assessment(s) may be accessed through the student portal and are made available beginning with the last two weeks of the semester or term. Students have the option of completing the online course assessment at the end of the semester or term and retrieving the grade(s) for their course(s).

Students who do not have internet access may obtain access and/or assistance in Midwestern’s library. Students having difficulty accessing their online course information should contact IT personnel at 816-414-3763 or at helpdesk@mbts.edu.

Grades/Grade Reports

Final course grades are available to registered students through the Internet student portal once they have been received and processed by the Registrar’s Office. Students desiring to know their course grades prior to this distribution should contact the course professor(s), not the Registrar's Office. Students must have financial accounts with Midwestern in good standing before grades may be accessed at the end of each semester through the student portal.

Midwestern follows a 4.0 grade-point system to encourage academic achievement. Under this system grades are given certain numerical values per credit hour (the grading system chart is listed below). A failing grade in a course is permanently recorded on the student’s transcript, but it is not included in grade point average computation if a student repeats and passes the course.

Incomplete Grade

An incomplete grade may only be reported for a student who has a passing grade in a course but who is unable to complete the final examination and/or final coursework due to serious illness of the student, serious illness or death in the student's immediate family, or other unusual and substantial cause beyond the student's control.

Failure to appear for a final examination or failure to complete coursework as assigned is not a basis for an incomplete grade. Assigning an incomplete grade to a student must not provide the opportunity for the student to complete work beyond the end of the semester if the extension gives the student an advantage others in the course in similar circumstances did not have. Students are to submit the incomplete coursework/exam to the professor no later than two weeks after the last day of the semester or course. All Incomplete grades must be removed within three weeks after the semester or course in which the incomplete grade was given. At the end of three weeks, the grade defaults to

Page | 40

Academic Information
the grade earned that was listed by the professor on the *Incomplete Grade* form.

The student's record shall bear the grade of "I" on any incomplete course until all work is completed. If the student does not submit the assigned work, the “I” grade will be changed to the grade reported as being earned-to-date which includes a zero for incomplete portion of assignments. A student whose circumstances are so extreme that they do not permit the submission of the work within the stated period may petition the Registrar for a further extension.

**Independent Studies**

The purpose of Independent Studies is to provide a degree-seeking student the opportunity for advanced research in specialized areas of academic pursuit. Independent Studies are not an alternative approach for completing courses that are available in regular curriculum offerings. A student who wishes to enroll for an Independent Study must meet the following qualifications:

1. The student has completed at least one-half of the hours required for the student’s degree program.
2. The student shall not take more than 6 hours of the degree program as Independent Study courses without pre-approval from the Academic Policies Committee.
3. The student has a cumulative grade point average of 3.0 or higher or approval of the Academic Policies Committee.

A student interested in taking an Independent Study must complete the following process:

1. Complete an application available in the Academic Dean's Office
2. Acquire the Registrar's signature verifying that the student meets the required qualifications.
3. Enlist a professor willing to direct the Independent Study course. If a professor agrees to do so, a learning contract must be drafted and attached to the application.
4. Submit the completed application and learning contract to the Academic Dean for final approval no later than 14 days after the first day of classes of the semester for which the Independent Study is requested.

If approved, the application and learning contract are sent to the Registrar's Office to enroll the student for the Independent Study. The student is to complete the Independent Study course within the semester in which the student is enrolled in the Independent Study. In addition to normal matriculation fees, the student pays a course fee of $100 for the first credit hour and $50 for each additional credit hour for each Independent Study course.

Normally, a required course is not available as an Independent Study course. In cases in which the seminary is responsible for scheduling deficiencies respecting required courses, a student may request permission to take a required course as an Independent Study.

**Integrity in Theological Studies**

The fundamental purpose of Midwestern is to assist the development of Christian ministers who are equipped to make responsible and relevant witness to the redeeming gospel of Jesus Christ in the context of the vastly complex and rapidly changing modern culture in which God has granted us the grace of life. In accordance with this purpose, therefore, Midwestern dearly cherishes and earnestly seeks to foster among all its students the qualities of spiritual dedication, creative imagination, and personal integrity.

Consequently, the administration and faculty of Midwestern expect, as a minimum requirement, that each student shall do his or her own work. The student is to let every test and examination reflect only the best results of his or her own disciplined study. Likewise, every term paper and written report must represent the student’s own original approach to the task assigned, and they should not contain either direct quotations or paraphrases of any part of any other writer’s book or paper, published or unpublished, for which due credit is not given to the original author. Such credit should be acknowledged by proper citation (in text, footnotes, and bibliography) of the sources employed.

Unless otherwise instructed by the professor under whose direction the paper is prepared, Turabian’s *A Manual for Writers of Research Papers, Theses, and Dissertations* (with such supplements as may be prepared by the faculty) will serve as the guide for citing all sources.

It cannot be exaggerated how strongly Midwestern deplores plagiarism in all its forms. Dishonesty is incompatible with the very purpose for which a student avails himself of its ministries. It is to be desired that one remain without a degree rather than to obtain it by dishonest means, for Christianity cannot countenance conduct that contradicts its basic tenets. It is further to be hoped that each individual will recognize a responsibility for his brother as well as for himself in all such matters.

This statement was first adopted by the faculty of Midwestern on October 5, 1961, and continues to be affirmed by the current faculty.

**Leave of Absence**

Emergencies that require a student to withdraw from classes for a time are dealt with on a case-by-case basis depending upon the nature of the emergency. Midwestern seeks to respond to students according to their individual need in these cases.

**Library Use**

As a normal part of the educational process, students are expected to use the learning resources available in Midwestern’s library for completing course assignments, research, etc. the library collection consists of over 200,000 cataloged volumes in addition to a large body of general and denominational periodicals (625 current subscriptions) and other serial materials. A Curriculum Lab contains curriculum material published by LifeWay Christian
Resources, other SBC agencies, and the Woman’s Missionary Union.

All students except online students are required to have a Midwestern Identification Card that serves as the student’s library card. Access to print resources, computers, as well as online databases is permitted only with a valid ID card.

**Limiting Credit Hours and/or Employment Hours**

To exceed the normal maximum class load of 18 credit hours per semester, a student must obtain approval of the Academic Dean. A student working in excess of 20 hours per week in secular and/or religious employment is advised to enroll for a reduced academic load. The faculty advisor will work with the student in assessing the student's workload. A student working in excess of 35 hours per week in secular and/or religious employment is not to enroll for more than 14 credit hours per semester unless given permission by the Academic Dean.

**Nondegree-Seeking Students**

A nondegree-seeking student is any student who is taking or auditing a course(s) at Midwestern Baptist Theological Seminary but has not been admitted into any degree-seeking program at MBTS and has completed the Nondegree-Seeking Student Application for Admission and has been formally admitted.

To register for classes, a nondegree-seeking student may download the Class Enrollment Form for Nondegree-Seeking Students and submit it to the Registrar’s office via email or fax. A nondegree-seeking student is not required to have an advisor’s signature on the enrollment form. Until the student is fully accepted as a nondegree-seeking student, he/she may only take one course. Students may refer to the Admission section of this catalog for more information.

**On-Campus Requirement for Completion of a Degree**

The Association of Theological Schools has established that a comprehensive community of learning is required (unless granted a rare exception) to achieve the complex goal of the personal, vocational, spiritual, and academic formation of students. To achieve this, at least one year of full-time study or its equivalent (i.e., 30 credit hours) is to be completed at Midwestern's main campus in Kansas City.

These credit hours may be earned through attendance at Computer-Campus-Computer (CCC) courses, inter-term (i.e., January or summer) courses, special courses offered during the week of fall or spring break, on-campus master’s workshops, and/or by relocating to the Kansas City campus. On-campus work may be completed at any time the student is enrolled.

**Online/Internet Courses**

All of the online courses are offered for three-credit hours; a few of these same courses are offered on-campus but for only two hours. Students should be aware of the difference in credit hours when enrolling for online classes. Questions concerning online credit course should be directed to the online office at 816-414-3614 or mats@mbts.edu.

**Online Course Limits for Seminary**

Students with a declared residential program may take one, 3-credit hour online course per semester provided the student takes at least one, 3-credit hour on-campus course. However, students living on campus must take 9 credit hours (full-time load) on campus in order to take one, 3-credit online course per semester. Any appeal to the maximum online courses may be made to the Director of Financial Aid.

**Pre-enrollment**

Pre-enrollment is strongly encouraged for all current students to secure a seat in courses offered. Before pre-enrolling, students should check their student accounts and make payment arrangements for any unpaid balance.

Pre-enrolled students complete registration by paying the registration, tuition, and course fees before or on their due dates. Students should check their student portal to view registered classes and to make payment arrangements. If a student does not pay the tuition and fees by the due date, the student will be dropped out of the registered classes and assessed a late payment fee of $50.

After classes begin, student-initiated schedule changes will result in a $20 charge per form.

**Program Extensions for International Students**

The program duration for an F-1 Visa student is determined by the expected length of study established by the school (e.g., 48 months, D.Ed.Min; 60 months, PhD) and documented on Line 5 of the I-20 by a program end date. If the student realizes that he/she is not going to graduate by the semester documented on the I-20, he/she may request more time (a program extension) prior to the expected graduation for reasons limited to following:

- Changes of major or research topic
- Unexpected problems with research
- Documented illness

Delays due to academic probation or suspension do not qualify for reasons for extension.

In each case, recommendation for extension must come from the student’s academic advisor and dissertation supervisor for doctoral students. Also, students will have to provide updated financial support documentation to verify that they have the financial capacity to stay for the additional amount of time.
Readmission of Service Members/Veterans

Midwestern complies with the federal requirements for Readmission of Service Members/Veterans as specified in Title 34 CFR § 668.18 and listed in the Federal Register/Vol. 74, No. 208/ Thursday, October 29, 2009. Although some exceptions exist, this compliance provides the following assurances:

- A re-enrolling veteran may not be denied readmission on the basis of his or her military service.
- The eligible veteran may enroll during the next term after he or she has indicated intent to re-enroll.
- The eligible veteran may be admitted with the same academic status (i.e., to the same degree program, with the same enrollment status, with the same number of credits, and with the same satisfactory academic progress status).
- During the first academic year of re-enrollment, the veteran is assessed the same tuition and fee charges as were in effect during the academic year he or she left Midwestern to report for military service unless the difference in cost will be paid by the veteran’s education benefits with no loss of benefits to the veteran.

In most cases, the veteran must apply for readmission within five years of completion of military service. In cases where the veteran may no longer be prepared to be readmitted with the same academic status (e.g., to continue in the next level of a language course), Midwestern will make a reasonable effort to help prepare the veteran. This effort might include provision of refresher courses at no extra cost to the veteran or some other appropriate provision.

To re-enroll, the veteran should notify the Admission’s Office of his or her intent to reenroll, should submit a completed Application for Admission form to provide current information to update the student data system, and should provide proof of his or her induction or discharge from active military service and a current Certificate of Eligibility. The veteran should also contact the Financial Aid Office to complete any necessary paperwork for receipt of eligible benefits and/or financial aid.

Residency Requirements

Residency requirement refers to the number of credit hours of a degree that must be earned through Midwestern (i.e., distance education [online] or on-campus classes).

Master’s and doctoral students must complete 50 percent or more of the credits required for the student’s degree program through Midwestern. At least one year of full-time academic study (30 credit hours) or its equivalent must be completed at Midwestern’s main campus. For doctoral requirements, students should refer to the doctoral handbook.

The Online Course Limits for Seminary policy in this section explains the limitations for the number of online courses a student in a standard residential degree program may take each semester. The Transfer Credit policy in this section provides information about transfer credits.

Satisfactory Academic Progress (SAP)

A student must maintain cumulative grade point average (GPA) of 2.0 or higher for all coursework taken at Midwestern to remain in satisfactory academic standing. The SAP policy is different for undergraduate, master’s, and doctoral students. For guidelines, a student should refer to Academic Probation in this section of the catalog. Federal guidelines require recipients of federal Title IV financial aid to satisfy additional standards (see Federal Financial Aid section in this catalog for detailed SAP requirements).

Students without a Baccalaureate Degree Enrolling in Master’s Level Courses

Undergraduate students may request to enroll in a master’s level course for credit or audit but must obtain approvals from the professor of the master’s course, the Dean of the College, the Seminary Academic Dean, and the Registrar for each master’s level course. Students may enroll only if space is available. In the event a course reaches an enrollment limit, master level students will have priority. In addition, per accreditation requirements, 80% or more of the registered students must be master’s level students. Master’s courses used to meet undergraduate degree requirements may not be used at a later time to meet master’s degree requirements. Grades awarded are based on the grade and syllabus requirements for the master’s level course. Course requirements are not reduced for undergraduate students.

Student’s Responsibility and Academic Advising

An academic advisor is available to provide guidance concerning academic programs and to verify the accuracy of course selections, but students are ultimately responsible for knowing program requirements and proceeding to satisfy those requirements in an orderly and timely manner.

Style Guide for Written Papers/Assignments

All papers submitted by students must conform to the current edition of A Manual for Writers of Research Papers, Theses, and Dissertations by Kate L. Turabian unless noted otherwise by the professor.

Supervised Ministry

Supervised ministry is a program designed to prepare students for the regular, practical responsibilities of ministry. Supervised ministry is intended to acquaint students with the expectations that accompany tasks such as performing a wedding, conducting a business meeting, interviewing with a personnel committee, or a myriad of other duties.
Transcripts
Transcripts are confidential documents and are issued only when a student submits a Transcript Request Form with the applicable fee. The form is available on Midwestern’s web page. The Registrar’s Office provides official and unofficial transcripts. Transcripts are only issued for persons who have accounts in good standing with the Business Office. Processing may take up to two weeks. Students may view and print unofficial transcripts from their student portals.

Withdrawal from School
Students may withdraw from Midwestern at their discretion. Withdrawal from Seminary in the Finance section in this catalog provides more information.

GRADUATION

Application for Graduation
To participate in Commencement and graduate from Midwestern, students are to complete an Application for Graduation form. Forms may be obtained from the Registrar’s Office or online. Completed forms are to be submitted to the Registrar’s Office for processing. Due dates are listed on the Academic Calendar. A student who submits an application after the due date may receive consideration if the application is accompanied by a written appeal to the Academic Policies Committee. A $50 late fee will be assessed.

The graduation fee is charged to the candidate’s student account at the beginning of the semester immediately preceding Commencement. The fee is nonrefundable and is paid even if the candidate is granted the privilege of graduating in absentia.

The candidate for graduation is responsible to confer with the registrar to ensure that he/she has met all degree program and graduation requirements, including the minimum GPA required for graduation. Prior to graduation, a student must settle all current accounts at the Library, Business Office, and the LifeWay Bookstore located on campus. The faculty reserves the right to determine that a student whose conduct has proved to be unworthy of the standards of Christian character is unworthy of graduation, even though all academic requirements have been met.

Graduation Honors
Graduation honors are awarded to qualified graduates of Midwestern’s degree programs. Graduate students who complete degree requirements with an overall cumulative grade point average (GPA) of 3.60 to 3.799 will receive the notation “With Honors” upon graduation. Graduate students with an overall cumulative GPA of 3.80 or above will receive the notation “With Highest Honors” upon graduation. The cumulative GPA includes courses taken at Midwestern and those transferred from other institutions to meet degree requirements. Graduates of the WISDOM program are not recognized with honors.

Participation in May Commencement
Upon satisfactory completion of the prescribed course of study and all other requirements for graduation, the student is entitled to graduate. The requirements for the degree earned by the student will be determined by the catalog in use when the candidate first enrolls at Midwestern. If a student desires to graduate under the requirements from a subsequent catalog issued while pursuing a degree, the student may petition the Registrar for permission to do so. Midwestern may require a student whose enrollment has continued beyond five years to graduate according to the requirements of a more recent catalog.

Participation in Commencement for Students Lacking Hours
Beginning with the 2011-2012 academic year, students who lack hours for graduation will no longer be permitted to graduate since two commencement exercises are held, one in December and one in May. All requirements must be met to participate in commencement.

Requirements for Graduation
GPA Requirement. To qualify for graduation, master’s degree and undergraduate students must attain a 2.0 or above cumulative GPA in all graded work taken at Midwestern or transferred from another institution to meet Midwestern’s degree requirements. All doctoral students must maintain a 3.0 or higher cumulative GPA on all work taken during their tenure in the program.

Residency Requirement. Student should refer to Residency Requirements policy in Academic Information section of the catalog.

Attendance at Commencement. Candidates are expected to be present for Commencement. Under unusual circumstances, a candidate may petition to graduate in absentia. A written petition requesting permission to graduate in absentia must be submitted to the Registrar for faculty approval no later than November 1st for the Fall Commencement and no later than April 1st for the Spring Commencement.

PROFESSIONAL DOCTORAL PROGRAMS

The Doctor of Ministry (D.Min.) and Doctor of Educational Ministry (D.Ed.Min.) degrees offered through Midwestern Baptist Theological Seminary are designed for persons seeking a high level of competence in the practice of ministry. The D.Min. and D.Ed.Min. are recognized by the Association of Theological Schools (ATS) as professional theological degrees. Although the degrees are considered equivalent in quality to the Doctor of Philosophy (Ph.D.), they differ significantly in that the latter seeks primarily to understand the way things are, with practical payoffs being a secondary concern.²

Midwestern has a research doctorate (Ph.D.) with concentrations in Old Testament and New Testament. The Ph.D. is intended primarily to equip persons for vocations of teaching and research in theological schools, colleges, and universities, or for the scholarly enhancement of ministerial practice.

These degree programs are under the direction of the Doctoral Studies Office. For more information call 816-414-3755 or email docstudies@mbts.edu.

Admission

In addition to the general criteria for admission to Midwestern Baptist Theological Seminary listed earlier in this catalog, applicants to the D.Min. or D.Ed.Min. programs must have the following:

1. An earned Master of Divinity degree or equivalent from an ATS accredited institution for entrance into the D.Min. program or an earned Master of Arts in Christian Education degree or equivalent (e.g., MDiv, CE concentration) from an ATS accredited institution for entrance into the D.Ed.Min. program

2. A 3.0 grade point average or above on a 4.0 scale for all graduate level studies

3. Three years of ministry experience is required for only for D.Min. since the completion of the first theological master’s degree.

Upon receiving an application packet, the prospective student must submit/provide the following:

1. A completed Application for Admission form and application fee

2. A personal essay of 8-12 pages providing the applicant’s understanding of Christian ministry and describing the applicant’s calling, ministerial service to date, and ministerial goals with an explanation of how the doctoral program will help the applicant reach those goals

3. A letter of endorsement/recommendation from the applicant’s current ministry

4. Academic, personal, and professional references
5. Original transcripts from each academic institution previously attended sent to the Doctoral Studies Office.

International applicants must also score a minimum of 80 on internet-based test (iBT), and 550 on the written version or 213 on the computer version of the Test of English as a Foreign Language (TOEFL) examination. The TOEFL requirement is waived for Korean students who are in degree programs taught in Korean and for Spanish students in doctoral programs taught in Spanish.

Applicants not meeting all admission requirements may petition to enter the program under probationary status. Information about probationary admission may be requested from the Doctoral Studies Office (1-877-414-3755 or docstudies@mbts.edu).

Professional Doctoral Studies Objectives
Students graduating from a Professional Doctoral Studies program will be able to do the following:

1. Draw on the resources of the classical area of theological study
2. Do original field research and needs analysis
3. Organize and motivate others to carry out such program plans with a high level of competence
4. Move beyond routinely accepted techniques of ministry toward new dimensions, methods, and outreach.

Seminars
Required seminars (doctoral courses) are offered multiple times per year. All new students must complete the Professional Doctoral Colloquium Seminar prior to enrolling in any other seminars. Elective seminars are also offered at various times throughout the year.

Each seminar is offered as a week-long intensive course with pre- and post-coursework. The Dissertation Preparation seminar should be completed as the last seminar because it transitions the student into the ministry project phase of the program.

Location
All foundational doctoral seminars are offered on Midwestern’s main campus in Kansas City, Missouri.

Status
The D.Min. and D.Ed.Min. are continuous enrollment programs. Students enroll in a minimum of two seminars each year until all requirements are met. During the project dissertation phase of the program, students continuously enroll each fall and spring semester in DR30999 Ministry Project Dissertation-Research (1-6 hours) until the project dissertation is ready to defend; students then register for 30990 Ministry Project Dissertation-D.Min. or 30995 Ministry Project Dissertation-D.Ed.Min.

Students who are unable to maintain continuous enrollment status may request to be placed on a one-year interrupted status for a medical or ministry-related hardship. A fee of $250 is assessed for each semester on interrupted status. Students requiring a longer suspension of continuous enrollment may request to be placed on inactive status for a period not to exceed three years. An inactive status fee of $500 per year is charged. Updated information and admission requirements must be met before reentering the program. No academic work may be done while on interrupted or inactive status.

Ministry Project Dissertation
After the completion of all seminars, the student is required to design, implement, and evaluate a ministry project. The ministry project will demonstrate the student's integration of theological education and ministry practice. From idea conception to oral defense, the ministry project usually takes 10 to 16 months and results in a dissertation of at least 100 pages.

DOCTOR OF MINISTRY (D.Min.)

Purpose
The purpose of the Doctor of Ministry degree program is to develop Christian leaders through doctoral level instruction, research, and practice. The program is divided into three major components: Foundational Seminars, Elective Seminars, and the Ministry Project Dissertation.

Specializations
Students may specialize by choosing elective seminars from one or more emphases. Qualified students selecting the Church Planting Specialization are eligible for appointment as church planting missionaries through the North American Mission Board’s Nehemiah Project. Directed (independent) studies are available for students seeking advanced training in a particular ministry field. The Doctoral Studies Office (877-414-3755 or docstudies@mbts.edu) can provide additional information.

Students selecting the counseling specialization are required to complete a total of forty-eight hours for the degree. DR30020 Professional Doctoral Colloquium (4 hrs) is to be completed prior to taking any of the elective counseling seminars; DR30060 Integrating Christian Faith & Practice (4 hrs) is to be taken before DR30990 Dissertation Preparation (4 hrs); and DR30990 Dissertation Preparation (4 hrs) is to be taken after the counseling seminars and prior to beginning DR30999 Ministry Project Dissertation-Research (1-6 hours).

Details concerning D.MIN Professional Counseling are provided in the Curriculum section later in this catalog.
Duration
The D.Min. degree is a 30-48 hour program designed to be completed in no less than three years. All work for the degree must be completed within five years.

Military Chaplaincy Program
Qualified U.S. army chaplains admitted to Midwestern’s D.Min. program may request the transfer of up to 12 credit hours toward the D.Min. degree for military training in such areas as Chaplaincy Officer Basic Course, Chaplaincy Officer Advanced Course, and/or ILE/CGSC training. At least one half (12 hours) of the 24 hours required for the D.Min. degree must be completed at Midwestern. All of the D.Min. program fees (i.e., $6,900 for a qualified Southern Baptist student and $11,700 for all other students) must be paid regardless of the number of transfer hours. The Doctoral Studies Office (877-414-3755 or docstudies@mbts.edu) can provide additional information about the D.Min Military Chaplaincy Program.

MASTER’S PROGRAMS

Midwestern Baptist Theological Seminary offers two types of professional master's degrees, a Master of Divinity degree and Master of Arts. MBTS also offers a Research/Academic Masters of Arts. Several areas of concentration or majors are offered under each. A Graduate Certificate in Christian Foundations is also offered.

Through these degree programs, Midwestern prepares students to be ministers who demonstrate commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. Midwestern believes that while both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture. A ministry mindset is instilled in students with an Acts 1:8 foundation. Students are prepared to worship God, evangelize the lost, edify believers, and establish healthy New Testament churches for the purpose of glorifying God.

Master of Divinity (M.Div.)

Purpose
The Master of Divinity (M.Div.) degree is the basic seminary degree for college graduates. It is the appropriate first professional degree for individuals who anticipate ordination. The standard M.Div. degree program requires 90 semester hours. It is designed for individuals who anticipate serving as pastors, evangelists, associate pastors, missionaries, or in other ministries that emphasize expository preaching or teaching of the Word of God. In most cases, the M.Div. degree is also the appropriate degree for students who anticipate doctoral training and a ministry of college or seminary level teaching.

To meet the needs of students preparing for ministries with specific concentrations, Midwestern offers nine concentration tracks within the M.Div. degree. All M.Div. degree concentrations require 92 semester hours with the exception of Biblical Languages which requires 96. Concentrations are offered in Biblical Languages, Christian Education, Collegiate Ministries, Counseling, International Church Planting, North American Church Planting, Urban Ministry, Worship Leadership, and Youth Ministry.

M.Div. Degree Objectives
Students graduating from the M.Div. degree program will be able to do the following:
1. Develop increased Bible and theological knowledge
2. Facilitate interpretation of Scripture using appropriate hermeneutical principles
3. Encourage formulation of theological beliefs based on Biblical and historical perspectives
4. Progress in the practice of classical spiritual disciplines
5. Develop a Great Commission perspective that is demonstrated by skills in evangelism, equipping disciples, preaching and teaching, corporate worship, and leadership.

Program Content
The M.Div. degree program provides a breadth of exposure to the theological disciplines as well as a depth of understanding within those disciplines. It provides students opportunities for the appropriation of theological disciplines, for deepening understanding of the life of the church, for ongoing intellectual and ministerial formation, and for exercising the arts of ministry.

In order to receive the M.Div. degree, a student must complete at least ninety credit hours from courses divided into three categories: Foundational core courses, M.Div. Emphasis courses, and Elective courses. Both foundational and emphasis courses, or their equivalents, are required of all M.Div. candidates. The foundational core courses provide a knowledge base for further study and application. The emphasis courses focus on the skills necessary for Christian leadership. The elective courses are chosen in accordance with a student's interests and vocational goals.

Understanding of the Christian and Baptist religious heritage is fostered through courses in Old Testament and New Testament, Christian History, Baptist History, Theology, and Missions. The cultural context of ministry is dealt with in Apologetics, Ethics, Evangelism, Pastoral Care, and Missions. Supervised Ministry, Personal Spiritual Disciplines, Evangelism, Pastoral Care, Pastoral Ministry, and Leadership courses deal with the candidates' personal and spiritual formation. Enhancement of students' capacity for ministerial and public leadership is the focus of Supervised Ministry, Hermeneutics, Preaching, Pastoral Ministry, Leadership, Educational Administration, and Music or Worship Leadership.

Location
All M.Div. students are required to complete at least one year of full-time study or its equivalent (i.e., thirty credit hours) through on-campus classes. The Residency Requirements in Academic Policy section of this catalog provides details for the completion of a degree.

Duration
The M.Div. degree typically requires three years of full-time academic study or its equivalent.

Admission
The M.Div. degree is a post-baccalaureate degree. Admission requirements include a baccalaureate degree from an accredited institution, evidence of the commitment to and qualities desired for pastoral leadership, and the academic ability to engage in graduate education.

Master of Divinity-Counseling, (M.Div.-CO)

Purpose
The Master of Divinity degree, Counseling concentration cultivates a Christian lifestyle, offers instruction in classical theological disciplines, and develops ministry skills appropriate for a counseling ministry.

The Master of Divinity degree, Counseling concentration is designed to help students meet the educational requirements for licensure in Missouri. The goal is to provide the student with the skills required to deliver appropriate professional counseling services to individuals in either a ministry or private setting. Graduation does not guarantee licensure eligibility since other factors may disqualify the student from eligibility for a license. Students seeking a license in Missouri and/or Kansas are encouraged to read the licensure requirements on the internet at http://www.pr.mo.gov/counselors.asp or http://www.ksbsrb.org.

The seminary reserves the right to require the student to obtain professional counseling for himself or for herself, if necessary, or to require the student to move to another degree program if that change is deemed necessary. The student would be notified of these actions privately with due time to allow for the changes.

CO Concentration Objectives
M.Div. students also completing the Counseling concentration will be able to do the following:
1. Demonstrate an understanding of the Biblical, theological, historical, and psychological foundations of Christian counseling
2. Demonstrate an understanding of how developmental issues and trauma experiences impact the counseling process
3. Demonstrate an understanding of how to select, train, supervise, and evaluate a lay, care-giving ministry that supports the work of the local church, association, and denomination
4. Identify the causes and treatments of the most common counseling problems encountered in a ministry or private setting and apply appropriate counseling principles and techniques to correct the problems
5. Demonstrate professional skills in the areas of diagnosis, treatment, preventive care, remedial care, referral, self-care, and support group ministry.

The Master of Divinity degree, North American Church Planting (NACP) concentration is offered through participation in the Nehemiah Project of the Southern Baptist Convention’s North American Mission Board (NAMB). The NACP concentration cultivates a Christian lifestyle, offers instruction in classical theological disciplines, and develops ministry skills focused on establishing healthy New Testament churches in North America.  

The Nehemiah Project is a cooperative intern strategy that links Southern Baptist churches, associations, state conventions, training institutions, and the NAMB to prepare church planters to plant healthy, reproducing churches. This option requires two years of full-time study, or its equivalent, prior to appointment as a Nehemiah Project church planter. Qualified students then serve as full-time church planters for two years while completing the remaining 18 credit hours of the M.Div.-NACP program.  

NACP Concentration Objectives  
M.Div. students with the North American Church Planting concentration will be able to do the following:  
1. Demonstrate a basic understanding of operative principles and administrative approaches for church planting through practical experiences  
2. Utilize church planting skills in ministry  

Completed on the mission field as part of the IMB’s 2+2 or 2+3 program.

MASTER OF ARTS

Purpose
The Professional Master of Arts is an academic track that unites the core elements of a divinity degree and that of a graduate school. In this program the student will experience a deep and fundamental commitment to Biblical fidelity, theological truth, and ministerial training as well as the broad scope of education offered in a liberal arts-type track. This program draws intellectual resources from the social sciences and humanities in order to inform the ministerial side of formal training with leadership, managerial, organizational, psychological, sociological, and interpersonal prowess.

This integrated approach to education honors the intellectual products of God’s general revelation which come from studies in science and technology while integrating those understandings which are consistent with Biblical truth by rigorous inquiry into the various areas of special revelation. Through a non-compartmentalized approach on inquiry that is subject to the boundaries and instruction of Holy Writ and while utilizing the breadth of revealed truth found in extra-Biblical resources, the Master of Arts concept and subsequent degrees have been born.

The research Master of Arts degree programs are designed to give students advanced training and research in two areas of study: Biblical archaeology and Biblical languages. They do not prepare students for ministry in the local church. These programs are designed for students who desire to pursue for advanced graduate degrees or professional employment in these areas.

The exam is to be administered no later than one month prior to graduation. A student must achieve a passing grade on the examination to earn the M.A. degree.
Location
Courses unique to the M.A. degree programs are only offered on campus in Kansas City. All students are required to complete at least one year of full-time study or its equivalent (i.e., thirty credit hours) at Midwestern’s main campus in Kansas City (Residency Requirements section for Completion of a Degree provides more information).

MASTER OF ARTS in Church Music, (MACM)

Purpose
Midwestern offers the Master of Arts in Church Music (MACM) degree with a primary focus on the preparation of the minister of music for service in local church settings. The MACM enables the student to gain proficiency in the development of music skills within the context of an understanding of the total mission and ministry of the church.

This degree is designed to be a two-year program for full time students who meet the appropriate entrance requirements. A bachelor's degree in music is a prerequisite. However, students with non-music bachelor's degrees may also enter the program by completing a series of pre-master’s music courses or by successfully completing a series of placement examinations.

MACM Degree Objectives
Students graduating from the MACM degree program will be able to do the following:
1. Demonstrate appropriate competencies in music theory, history, and literature
2. Demonstrate a high level of applied musical skills and performance discipline
3. Demonstrate organizational and leadership skills in church music ministry
4. Integrate a Christian lifestyle and professional musical development
5. Demonstrates a balanced approach to church music.

Placement Exams and Pre-Master’s Courses
All students desiring to enter the MACM degree program are required to take a series of examinations to determine the level of undergraduate music proficiency. If the student does not have a bachelor’s degree in music or has never taken undergraduate classes in music theory, ear training, music history, or conducting, he/she must take the pre-master’s or undergraduate classes. Placement exams are given just prior to new student orientation each semester and are offered in conjunction with the undergraduate course rotation schedule. The results of the examinations and auditions will assist the faculty in determining courses that may be required to remove any undergraduate level deficiencies. The Church Music Program Handbook contains greater detail regarding the placement exams. These exams are given the day before New Student Orientation each fall and spring.

1 One hour each semester; MACE +WL students must be enrolled in a choral ensemble each semester they are enrolled full-time. If fewer than six hours of Choral Ensemble are completed to satisfy this requirement, elective hours are increased until a total of 80 hours are earned for the MACE +WL program.
Placement exams test for skills and knowledge in the following undergraduate courses:

- U-MU101 Music Theory I (2 hrs)
- U-MU102 Aural Skills and Sight-Singing I (2 hrs)
- U-MU103 Music Theory II (2 hrs)
- U-MU104 Aural Skills and Sight-Singing II (2 hrs)
- U-MU201 Music Theory III (2 hrs)
- U-MU202 Aural Skills and Sight-Singing III (2 hrs)
- U-MU203 Music Theory IV (2 hrs)
- U-MU204 Aural Skills and Sight-Singing IV (2 hrs)
- U-MU310 Form and Analysis (2hrs)
- U-MU231 Music History I (2 hrs)
- U-MU232 Music History II (2 hrs)
- U-MU340 Basic Conducting (2 hrs)

**Performance Areas and Piano Proficiencies**

Students choose a major performance area: voice, piano, or another instrument. They also choose a secondary performance area. If the major area of performance is voice or an instrument other than piano or organ, the secondary area will normally be piano. If the major applied area is in a keyboard instrument (piano or organ), then voice or another instrument will be the secondary area. Applied studies in other instruments will depend on the availability of qualified applied faculty. Students present a culminating performance project or recital in their major area of performance. This must be a presentation of appropriate music literature from major style periods.

All students are required to pass a piano proficiency examination to complete requirements for the MACM. In addition, all students whose primary area of applied study is not voice are required to pass a voice proficiency examination. These examinations are to be completed one semester before graduation. Requirements are included in the Church Music Program Handbook, which is available in the Music Office.

**Location**

Courses unique to the MACM degree program are only offered on campus in Kansas City. All students are required to complete at least one year of full-time study or its equivalent (i.e., thirty credit hours) through on-campus classes.

**Duration**

The MACM degree typically requires two years of full-time academic study or its equivalent. Although this degree is designed in terms of the rotation of full-time courses within the church music area to be a two-year degree, this schedule assumes the student has tested out of all pre-master’s requirements and needs no remedial work requiring the taking of additional courses. It is rare for a church music student to have no remedial work. Most students will need to take some pre-master’s work in either music theory or history thus prolonging the time students spend pursuing the degree. In addition, church music students must pass piano proficiencies and adequately prepare for a recital in their primary area of applied study. These activities can also prolong the time spent earning the church music degree.

**Distinctive Resources**

MACM students have access to community life that provides informal educational experiences, religious fellowship, and opportunity for reflection upon the meaning of faith in its relation to education for ministry.

For music students in particular, there are significant vocational ministry opportunities in the Kansas City metro area as worship leaders or accompanists.

MASTER OF ARTS in Counseling, (MACO)

Midwestern offers a 62-hour Master of Arts in Counseling degree program designed to help students meet the educational requirements for licensure in Missouri and Kansas as a licensed professional counselor. (As of this printing, state licensure requires a minimum of 48 counseling hours in Missouri and 60 counseling hours in Kansas.) The goal is to provide the student with the skills required to deliver standard of care, professional mental health counseling services to individuals in a ministry, private practice, or public agency setting. Graduation does not guarantee licensure eligibility since other factors such as poor licensure test scores, criminal behavior, and other restrictions may disqualify the student’s eligibility for a license. Since states have license requirements specific to that state, students seeking a license in a particular state are encouraged to read the licensure requirements of that state.

The seminary reserves the right to require the student to obtain professional counseling for himself or for herself, if necessary, or to require the student to move to another degree program if that change is deemed necessary. The student would be notified of these actions privately with due time to allow for the changes.

MACO Degree Objectives

Students graduating from the M.A. in Counseling degree program will be able to do the following:

1. Demonstrate an understanding of the Biblical, theological, historical, and psychological foundations of Christian counseling.
2. Demonstrate an understanding of how developmental issues and trauma experiences impact the counseling process.
3. Demonstrate an understanding of how to select, train, supervise, and evaluate a lay, care-giving ministry that supports the work of the local church, association, and denomination.
4. Identify the causes and treatments of the most common counseling problems encountered in a ministry or private setting and apply appropriate counseling principles and techniques to correct the problems.
5. Demonstrate professional skills in the areas of diagnosis, treatment, preventive care, remedial care, referral, self-care, and support group ministry.

Location

Courses unique to the MACO degree program are only offered on campus in Kansas City. Day, evening, Saturday, and J-Term courses are offered. All students are required to complete at least one year of full-time study or its equivalent (i.e., thirty credit hours) through on-campus classes.

THE SEMINARY'S IDENTITY

Midwestern Baptist Theological Seminary is an entity of the Southern Baptist Convention, serving as a community of learning for persons called to ministry. The Seminary's primary source of support is the Southern Baptist Cooperative Program. The Seminary is governed by a board of 35 trustees elected by the Southern Baptist Convention with 7 trustees elected on a rotating basis each year. In accordance with the Program Statement for seminaries adopted by the Southern Baptist Convention in 1979, Midwestern is primarily a graduate professional school. It is accredited by the Association of Theological Schools and the Higher Learning Commission of the North Central Association of Colleges and Schools. It provides academic programs leading to the Master of Divinity, Master of Arts in Christian Education, Master of Arts in Church Music, Master of Arts in Counseling, Master of Arts with various specialties, Doctor of Ministry, and Doctor of Educational Ministry, as well as undergraduate studies.

THE SEMINARY'S RELATIONSHIP WITH THE CHURCHES

One Faith, One Task, One Sacred Trust: A Covenant Between Our Seminaries and Our Churches

"You therefore, my son, be strong in the grace that is in Christ Jesus. And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also." II Timothy 2:1-2

For over 135 years, the churches of the Southern Baptist Convention have looked to their seminaries for the training and education of their ministers. These six schools were established and undergirded by Southern Baptists in order that our churches may be served by a more faithful ministry.

This is a critical moment in the history of the Southern Baptist Convention—and for our seminaries. The six seminaries serving this denomination bear a precious and perishable responsibility on behalf of our churches, for we are entrusted with those who will be their ministers, pastors, preachers, and servants.

Looking to the dawn of the twenty-first century, we hereby restate and reaffirm our commitment to the churches we serve, to the convictions those churches hold and honor, and to charge we have received on their behalf.

One Faith

The church of Jesus Christ is charged to contend for the faith once for all delivered to the saints. Our seminaries, charged with the theological formation of ministers, must take this charge as central and essential to our mission. In an age of rampant theological compromise, our seminaries must send no uncertain sound.

Let the churches of the Southern Baptist Convention know that our seminaries are committed to theological integrity and Biblical fidelity. Our pledge is to maintain the confessional character of our seminaries by upholding those doctrines so clearly articulated in our confessions of faith; by teaching the authority, inspiration, inerrancy, and infallibility of the Bible; by maintaining the purity of the Gospel and affirming the identity of Jesus Christ, by whose blood we have been redeemed and in whose name alone salvation is to be found; and by proclaiming with boldness the precious and eternal truths of God's Word.

In this we stand together, and we stand with our churches. We understand that those who teach take on an awesome responsibility, and will receive from our Lord a stricter judgment. We stand before this convention and our churches to declare that we stand together in one faith, serving our Lord Jesus Christ.

One Task

Our mission is to prepare ministers for service. We cannot call ministers, nor appoint them to service. Ministers, called by God and commissioned by our churches come to us in order that they may through our seminaries receive learning, training, and inspiration for service. Preachers, evangelists, missionaries, and those who minister throughout the life of the churches come to our seminaries with the hope that they will leave their programs of study better equipped, armed, and matured for the faithful exercise of their calling.

Our mission is to remain ever true to this task. We declare our unflinching resolve to provide the very finest programs of theological education for ministry. We will match theological fidelity to practical ministry, passion to practice, vision to calling, and honor to service. This is our task.

One Sacred Trust

Our schools are not generic institutions for religious studies. We are the six theological seminaries serving the Southern Baptist Convention. We belong to you—we belong to the churches of this Convention. We are proud to carry your charge, and we declare our fidelity to you as a sacred trust. In this trust we stand before the Southern Baptist Convention, and we stand together.

Through the trustees elected by this Convention, our churches must hold our seminaries accountable to the faith once for all delivered to the saints, to the essential task of training and educating ministers, and to the sacred trust that unites our seminaries and our churches.

As the presidents of your seminaries, we declare our unbending and fervent resolve to uphold all of these commitments. We will lead our institutions so that no harm shall come to your students and ministers; so that they will be rooted and grounded in the truth; so that they will be trained as faithful and effective preachers and teachers; so
that they will bring honor to the church and not dishonor; and so that we shall be able to give a good answer and receive a good report when we shall face that stricter judgment which is to come.

This is our pledge, our resolve, our declaration. One Faith, One Task, One Sacred Trust.

Signed by the Presidents of the six Southern Baptist seminaries in the presence of the Messengers to the 140th Session of the Southern Baptist Convention, meeting in Dallas, Texas, June 17, 1997.

MIDWESTERN'S INSTITUTIONAL MISSION, VALUES AND OBJECTIVES

Purpose Statement of the Southern Baptist Seminaries

Southern Baptist theological seminaries exist to prepare God-called men and women for vocational service in Baptist churches and in other Christian ministries throughout the world through programs of spiritual development, theological studies, and practical preparation in ministry.

Mission Statement of Midwestern Baptist Theological Seminary

Midwestern Baptist Theological Seminary serves the church by Biblically educating God-called men and women to be and make disciples of Jesus Christ.

Core Values

Ministry is Biblical: We believe that the Bible is the authoritative and inerrant word of God and thus, it instructs, motivates, and guides us in all areas of ministry. We are committed to helping students know, communicate, apply, and practice Biblical truth.

Ministry is Leadership: We seek to develop leaders who exemplify and communicate God's vision in their ministry settings.

Ministry is Relational: We believe Christ-like relationships with God, family, church, community, and world are essential and should be cultivated.

Ministry is Personal and Spiritual: We seek to provide an atmosphere for students that cultivates consistent, disciplined, and balanced spiritual growth and that validates their call to ministry. We strive to accomplish this through Biblically based teaching and providing opportunities to develop a lifestyle of Christian love and integrity.

Ministry is Focused: From our Midwest context: We prepare students to be 21st century ministers who demonstrate commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. As such, we believe that while both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture. We instill in students a ministry mindset with an Acts 1:8 foundation. We prepare students to worship God, evangelize the lost, edify believers, and establish healthy New Testament churches for the purpose of glorifying God.

Teaching and Learning Values

We seek to train students to integrate Biblical teaching within Midwestern's theological context in the construction of a Christian worldview. We strive to accomplish this by developing analytical, constructive, and interpretative competencies with an emphasis on integrative theological study as a base for the development of professional skills.

Institutional Objectives

Teaching Objective: MBTS seeks to integrate Biblical teaching within Midwestern's theological context to equip students to mature in their Christian worldview and professional ministry skills.

Learning Objectives: Through its exegetical, theological, and practical educational processes, MBTS seeks to produce students who will: Believe that the Bible is authoritative and inerrant (2 Tim 3:15-16; 2 Pet 1:19; Mt 5:17-18). Understand and apply Biblical and theological truth (Rom 15:3-5; Jn 17:17). Exemplify Biblical leadership and doctrinal integrity in ministry (1 Pet 5:2-4). Demonstrate Christ-likeness in seeking and cultivating all relationships (Eph 4:30-32; Col 3:12-13). Manifest a developing and disciplined Christian life (Gal 5:22-23; 2 Pet 1:5-7; 1 Tim 4:7). Be equipped to minister in culturally relevant ways (1 Cor 9:19-23). Commit themselves to fulfilling the Great Commission in worshipping God, in evangelizing the lost, in edifying believers, and in establishing healthy New Testament Churches (Mt 28:18-20; Eph 4:11-14).

Approved by the Faculty of Midwestern Baptist Theological Seminary on April 11, 2001 and adopted by the Board of Trustees of Midwestern Baptist Theological Seminary on April 23, 2001.

THE SEMINARY'S CONFESSION OF FAITH

The Trustees of Midwestern Baptist Theological Seminary, upon the founding of the seminary in 1957, adopted as the Seminary’s confession The Baptist Faith and Message, which was adopted by the Southern Baptist Convention in 1925. The revisions to The Baptist Faith and Message made by the Southern Baptist Convention in 1963, 1998 and 2000 have been subsequently adopted by the Trustees. The Seminary’s current confession of faith, The Baptist Faith and Message, 2000, along with the report of the convention's latest study committee, is as follows:

The 1999 session of the Southern Baptist Convention, meeting in Atlanta, Georgia, adopted the following motion addressed to the President of the Convention:

"I move that in your capacity as Southern Baptist Convention chairman, you appoint a blue ribbon committee to review the Baptist Faith and Message statement with the responsibility to report and bring any recommendations to this meeting next June in Orlando."

President Paige Patterson appointed the committee as follows: Max Barnett (OK), Steve Gaines (AL), Susie Hawkins (TX), Rudy A. Hernandez (TX), Charles S. Kelley, Jr. (LA), Heather King (IN), Richard D. Land (TN), Fred Luter (LA), R. Albert Mohler, Jr. (KY), T. C. Pinckney (VA), Nelson Price (GA), Adrian Rogers (TN), Roger Spradlin (CA), Simon Tsai (AZ), Jerry Vines (FL). Adrian Rogers (TN) was appointed chairman.

Your committee thus constituted begs leave to present its report as follows:

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessionally inclined people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility of guarding the treasury of truth that has been entrusted to us [2 Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on "The Family" in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, "revised at certain points and with some additional articles growing out of certain needs..." We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 "statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life..." It is, therefore, quoted in full as a part of this report to the Convention:

(1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the "certain needs" of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is "the Way, the Truth, and the Life."

The 1963 committee rightly sought to identify and affirm "certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified." Our living faith is established upon eternal truths. "Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us."

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

Respectfully Submitted,

The Baptist Faith and Message Study Committee
Adrian Rogers, Chairman
I. The Scriptures

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore, is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effect regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

X. Last Things
God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions
It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

XII. Education
Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.
In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteehip in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has let it free from the doctrines and commandments of men which
are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.  

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to Biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on Biblical truth. Children are to honor and obey their parents.
