Perspective

PROFILE

Midwestern Baptist Theological Seminary, primarily a professional graduate school, is an entity of the Southern Baptist Convention, serving as a community of higher learning for persons called to ministry. The Seminary is supported by the Southern Baptist Cooperative Program and is governed by a board of 35 trustees, elected by the Southern Baptist Convention. In fulfilling their stewardship for the Seminary, the trustees have adopted the SBC Baptist Faith and Message, 2000 as the Seminary’s Statement of Faith.

Purpose Statement of the Southern Baptist Seminaries

Southern Baptist theological seminaries exist to prepare God-called men and women for vocational service in Baptist churches and in other Christian ministries throughout the world through programs of spiritual development, theological studies, and practical preparation in ministry.

Mission Statement of Midwestern Baptist Theological Seminary

Midwestern Baptist Theological Seminary serves the church by biblically educating God-called men and women to be and make disciples of Jesus Christ.

Core Values

Veritas / Truth – “Know”

We believe that the Bible is the inspired, authoritative, inerrant Word of God, and thus it instructs, motivates, and guides us in all areas of ministry. We are committed to helping students understand, communicate, practice, and defend biblical truth.

Pietas / Devotion – “Be”

We seek to model and to instill in the lives of our students supreme devotion to the Lord. We seek to provide an atmosphere for students that cultivates consistent discipline and balanced spiritual growth that validates their call to ministry. We strive to accomplish this through biblically based teaching and by providing opportunities to develop a lifestyle of Christian love and integrity. We believe Christ-like relationships with God, family, church, community, and the world are essential and should be cultivated.

Missio / Evangelism – “Do”

We believe the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ is to endeavor to make disciples of all nations. The Lord Jesus Christ has commanded the preaching of the Gospel to all nations. It is the duty of every Christian to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Jesus Christ.

We believe in the primacy of the local church in the work of evangelism. We prepare students to worship God, evangelize the lost, edify believers, and establish biblically-based churches for the purpose of glorifying God.

We prepare students to be leaders who demonstrate commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. We seek to develop leaders who exemplify and communicate the Great Commission in their ministry settings.

Teaching and Learning Values

We seek to train students to integrate biblical teaching within Midwestern's theological context in the construction of a Christian worldview. We strive to accomplish this training by developing analytical, constructive, and interpretative competencies with an emphasis on integrative theological study as a base for the development of professional skills.

Institutional Objectives

Teaching Objectives

We seek to integrate biblical teaching within Midwestern's theological context to equip students to mature in their Christian worldview and in their professional ministry skills.

Learning Outcomes

Through exegetical, theological, and practical educational processes, MBTS will produce students who

- Believe that the Bible is inspired, authoritative, and inerrant (2 Tim 3:15-16; 2 Pet 1:19; Mt 5:17-18)
- Understand and apply biblical truth (Rom 15:3-5; Jn 17:17)
- Exemplify biblical leadership and doctrinal integrity in ministry (1 Pet 5:2-4)
- Demonstrate Christ-likeness in seeking and cultivating all relationships (Eph 4:30-32; Col 3:12-13)
- Manifest a developing and disciplined Christian life (Gal 5:22-23; 2 Pet 1:5-7; 1 Tim 4:7)
- Commit themselves to fulfilling the Great Commission in worshipping God, evangelizing the lost, discipling believers, and establishing healthy biblical churches in culturally relevant ways (Mt 28:18-20; Eph 4:11-14; 1 Cor. 9:19-23).
These institutional objectives and learning outcomes were approved by the faculty of Midwestern Baptist Theological Seminary on November 1, 2007, and adopted by the Board of Trustees in fall, 2008.

Accreditation

Midwestern Baptist Theological Seminary maintains professional and academic accreditation with the Higher Learning Commission (HLC) and the Association of Theological Schools (ATS) in the United States and Canada. Both HLC and ATS are recognized by the Council for Higher Education Accreditation (CHEA) and the U.S. Department of Education (USDE).

In December 1961, Midwestern was granted associate membership with ATS. Full membership and accreditation were received on June 9, 1964. This accreditation is periodically reviewed and has been successfully maintained. ATS granted a separate accreditation of Midwestern’s Doctor of Ministry degree program in June 1977. ATS granted preliminary accreditation to the Master of Church Music degree in June 1991. In 2001 ATS granted approval for Midwestern to begin offering the Doctor of Educational Ministry degree program. In 2007, ATS approved the PhD program.

HLC awarded Midwestern accreditation of its professional master’s degree programs in March 1971 and its professional Doctor of Ministry program in April 1975. The undergraduate associate degree programs were approved in 2004. On August 12, 2005, HLC extended Midwestern’s accreditation to include the Bachelor of Arts degree. In 2007, HLC approved the PhD program. In the summer of 2010, HLC approved Midwestern to offer the Master of Arts degree, Theological Studies major as an entirely online degree program. Accreditation by this diversified and comprehensive agency assists Midwestern in accomplishing its professional objectives and commends its graduates to the larger academic and professional communities. After the most recent site visit to the campus of Midwestern Baptist Theological Seminary and Midwestern Baptist College, SBC the HLC approved the offering of the Doctor of Counseling degree (DCoun) and the expansion of the Bachelor of Arts in Christian Ministries and the Bachelor of Arts in Biblical Studies degrees by the addition of double majors to both degrees.

Questions or appeals regarding accreditation issues and/or matters needing outside mediation may be directed in writing to ATS at The Association of Theological Schools, 10 Summit Park Drive, Pittsburgh, Pennsylvania 15275-1110, by phone at 412-788-6505, or by email at ats@ats.edu. Additional information may be obtained from the ATS web page at www.ats.edu. HLC may be contacted in writing at The Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, Illinois 60604, or by phone at 800-621-7440. Additional information may be obtained from the HLC web page at www.hlcommission.org.

Affiliation

Midwestern is a member of the American Schools of Oriental Research (ASOR). A corporate entity located in the United States, ASOR carries on its foreign operations through grants made to independent centers in the Near East, such as Jerusalem’s Albright Institute of Archaeological Research and Amman’s American Center of Oriental Research. Midwestern students have the privilege of attending the Albright Institute without tuition charge and may compete for fellowships offered for research in the Near East. Through its relationship with ASOR, the seminary and its students participate in the work of exploration and excavation in Bible lands, a work that helps unfold information important to theological understanding.

Facilities

The Midwestern campus covers approximately 160 acres of beautiful woods and rolling meadows in North Kansas City, just 10 minutes from downtown Kansas City. The Seminary is strategically located, adjoining I-29, U.S. 69, and U.S. 169 and within five miles of Interstate Highways 35, 70, 435, and 635. This proximity to major transportation networks makes the campus easily accessible and many students and adjunct professors who serve on the field can commute to Midwestern from the surrounding areas.

The campus consists of five main areas: an administrative building, chapel, Trustees’ Classrooms, student housing, and the Koehn-Myers Center for World Evangelism. The Administrative Complex includes the Library, Administration Building, and Annex which houses Campus Operations.

The Midwestern Seminary library is housed in a three-story building near the center of the campus in the Administration Complex. The collection consists of over 200,000 cataloged volumes in addition to a large body of general and denominational periodicals (625 current subscriptions) and other serial materials. The Library participates in Amigos Library Services, a computerized system of shared cataloging, and the Missouri Bibliographic Information Users System (MOBIUS), a consortium of academic libraries in Missouri. Additionally, many electronic full-text resources and databases are available through the library’s website for authorized users.

The Library Curriculum Lab contains the material published by LifeWay Christian Resources, other SBC agencies, and the Woman’s Missionary Union. Over 500 items of current materials are on display for students and other interested persons.

The Charles H. Spurgeon Library Collection is presently a part of the Midwestern Library. Charles H. Spurgeon (1834-1892) was one of the most prominent English Baptist pastors of the 19th century. During his lifetime he amassed a substantial personal library. Representing the subject areas of literature, theology, travel, biography, science, hymnody, history and humor, with
religion being the largest category, the Collection features great Christian writers and has more than 6,000 volumes including many of Spurgeon’s personal works.

The Charles H. Spurgeon Library Collection was acquired from the Spurgeon family by the Missouri Baptist General Association (now Missouri Baptist Convention) when it was available for purchase in London, for 500 pounds ($2500) in 1905. Afterward, the Collection was sent on the S.S. Cuban on Dec. 19, 1905, to New Orleans, LA, then on to Kansas City, MO., by the Illinois Central Railroad. The collection was housed at William Jewell College in Liberty, MO for approximately 100 years. Midwestern purchased the collection from William Jewell College on Oct. 10, 2006. Portions of the Collection are on display in Midwestern’s main Library, while the remaining items are currently housed in a climate controlled library annex for classification, cataloguing and restoration.

The Library Mission Resource Center is a collection of mission artifacts collected from across the world. The late Dr. Lavell Seats, who served as the professor of missions, accumulated the collection over a lifetime. A missionary for 17 years and a teacher for 43 years, Seats began his collection while serving as a missionary in Nigeria, donating the artifacts to the Seminary in 1994. The collection is an educational tool for students who will be working in different cultures as missionaries to give insight into these cultures and traditions. Items include nativity sets, traditional clothing, dolls dressed in ethnic costumes, as well as everyday utensils used in cultures.

The Morton Collection features over 1,000 archaeological artifacts from the Holy Land. These were collected by the late Dr. William Morton, biblical archaeology professor from 1958 to 1984.

The Morton-Seats Institute of Archaeology and Anthropology was formed by Midwestern to provide a permanent and public display area for the Morton and Seats collections. It is also a research center for the ongoing archaeological and anthropological study of the ancient and modern people groups in North Africa and the Middle East. Midwestern provides students the opportunity to participate in accredited archaeological excavations and anthropological field studies abroad which supports the Master of Arts in Biblical Archeology degree.

The recently renovated Trustees’ Building houses classrooms, offices for student development, admissions, and a student center in the lower level. Student mailboxes for campus mail are also located in the student center, along with the LifeWay campus bookstore, owned and operated by LifeWay Christian Resources. This building serves as an academic and social gathering place.

The Koehn-Myers Center for World Evangelism is named after two martyred missionaries, Bill Koehn and Martha Myers, both of whom attended Midwestern Baptist Theological Seminary. The Koehn-Myers Center houses the library annex; academic, doctoral, and faculty offices; and a student lounge.

In early 2010, construction of a new chapel complex was begun and the project was completed in 2013. This facility houses a 1,000 seat auditorium, a banquet hall, and classrooms.

Faculty
The faculty consists of 26 full-time, 1 part-time, four administrative faculty members, and approximately 50 adjunct professors.

Student Body Profile
The students at Midwestern Baptist Theological Seminary and Midwestern Baptist College, SBC come from a wide variety of cultural, economic, and geographical backgrounds. By fall of 2013, the enrollment was 1,202 students from 44 states and 13 foreign countries. Two hundred and sixty-one students were enrolled in undergraduate programs, 465 in master’s programs, 451 in doctoral programs, and 25 in the Midwestern Women’s Institute.

The students, like the faculty and staff, are committed to theological education in preparation for the practice of ministry. The blend of new college graduates with second career professionals brings a richness of life experiences to the classroom. This dynamic, coupled with the classroom instruction, prepares Midwestern students for ministry anywhere God may lead them.

Trustees
As an institution of the Southern Baptist Convention, Midwestern is guided by a board of trustees elected by the convention at its annual meeting. The trustees elect faculty members who subscribe to The Baptist Faith and Message 2000 of the Southern Baptist Convention.

Midwestern derives a significant portion of its financial support from the SBC Cooperative Program. In addition to Cooperative Program funds and student fees, alumni gifts and endowments from special friends enable Midwestern to further its far-reaching ministry.

Website

Student Handbook

INTRODUCTION

The Student Handbook clarifies policies designed to provide a safe atmosphere conducive to campus living and academic pursuits. While enrolled, students and family members are responsible for the information contained within the handbook, and with its obligations. Questions or requests for information regarding the Student Handbook may be directed to the Admissions Office.

Midwestern’s Core Values and Student Responsibilities

Ministry is Biblical. Because we believe the Bible is God’s inerrant word, we believe that every person of every race possesses full dignity and is worthy of respect and Christian love. Midwestern students are expected to model this value by showing respect and Christian love toward other students, faculty, staff, and administrators. This respect for other individuals includes an appreciation of cultural backgrounds different from one’s own, an understanding of different attitudes and opinions, and an awareness of the consequences of one’s actions on the broader community.

Ministry is Leadership. Because we seek to develop leaders who exemplify and communicate God’s vision in their ministry settings, we believe students should strive for the highest standard of integrity.

Ministry is Relational. Because we believe Christlike relationships with God, family, church, community, and the world are essential and should be cultivated, students are expected to model kingdom relationships with the various members of the seminary campus. While students are encouraged to share their opinions and convictions, freedom in any orderly relationship of human life is always limited and never absolute. Therefore, students are expected to strive toward high standards of compassion and courtesy in the exercise of their freedoms.

Ministry is Personal and Spiritual. Midwestern seeks to provide an atmosphere for students that cultivates consistent, disciplined, and balanced spiritual growth and that validates the student’s call to ministry. Students are expected to progress toward moral and spiritual maturity through the indwelling presence and power of the Holy Spirit.

Ministry is Focused. Midwestern prepares students to be twenty-first century ministers and laymen who demonstrate a commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. Student conduct is expected to reflect these commitments.

Emergencies

For immediate help in an emergency or threatening situation, individuals should call 911—Kansas City’s emergency telephone number. This 911 number will reach fire, police, or ambulance service. After relevant information is reported to the 911 operator, campus security personnel should be notified immediately by calling 816-414-3836. Students may also call this number to report housing emergencies.

In Kansas City, Missouri, emergency preparedness officials test the city’s severe weather warning siren system at 11:00 a.m. on the first Wednesday of each month.

COMPLIANCE WITH FEDERAL LAWS AND REGULATIONS

Nondiscrimination

Midwestern Baptist Theological Seminary and College does not discriminate on the basis of race, color, national origin, sex, age, disability or status as a protected veteran. The Seminary’s nondiscrimination policy applies to all phases of its employment process, its admission and financial aid programs, and to all other aspects of its educational programs and activities. Further, this policy applies to sexual violence and sexual harassment (forms of sex discrimination) occurring both within and outside of the Seminary context if the conduct negatively affects the individual’s educational or work experience or the overall campus environment. As a protected religious organization, Midwestern Seminary does consider religious faith, practice, and character to be relevant criteria in many educational or employment decisions. Retaliation directed to any person who pursues a discrimination complaint or grievance, participates in a discrimination investigation, or otherwise opposes unlawful discrimination is prohibited.

Any person having inquiries concerning the Seminary’s application of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 or other civil rights laws should contact one of the following:

Student Right to Know

Midwestern Seminary complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act). This act requires Midwestern Seminary to collect, prepare, publish, and distribute campus crime statistics and security policies. This information is distributed to all students and employees annually and posted on the College’s web site at www.mbts.edu/consumer-information/#HealthAndSafety or at the Security Office located in the Administration Building or by calling 816-414-3836.

Drug and Alcohol Awareness

Midwestern supports and endorses the Drug-Free Schools and Communities Act. Pursuant to this Act MBTS expressly prohibits the unlawful manufacture, distribution, dispensation, possession, or unlawful use of controlled substances, including illicit drugs. The use of alcohol as a beverage by students, whether on or off campus, is prohibited.

The Disciplinary Action section later in this handbook provides details of the sanctions applied for violations of this policy. The entire Drug and Alcohol Prevention Program policy is located on the MBTS website at www.mbts.edu/downloads/site/ drugalcohol.pdf under Consumer Information, Safety and Health. Copies of the policy can also be obtained from the Student Development Office.

Facilities and Services for Disabled Students

Midwestern is committed to complying with Title II of the Americans with Disabilities Act (ADA). This Act requires that no qualified individual with a disability will, by reason of such disability, be excluded from participation in or be denied the benefits of entities services, programs, or activities or be subjected to discrimination by any such entity. Similar obligations are found in Section 504 of the Federal Rehabilitation Act of 1973.

Students with disabilities are expected to master the fundamental skills and knowledge that are required for their course of study. Students should not expect Midwestern to excuse them from requirements that are difficult but rather should take the necessary steps to ensure that they are getting the help they need to enable them to meet the program’s requirements.

Any student seeking effective auxiliary aids for a current disability is responsible for providing the Admissions Office with timely and adequate documentation of the student’s disability. Acceptable documentation is a necessary prerequisite for proper evaluation of the reasonableness of a proposed accommodation or modification to the rules, policies, and practices of Midwestern. The Admissions Office can provide the student with guidelines for acceptable documentation of a disability.

The student is responsible for initiating consideration for accommodations relating to course or degree requirements with the Admissions Office. Based on appropriate documentation and discussion with the student regarding past experiences, the Dean of Students will decide if accommodations are warranted and what accommodations should be recommended.

Further information is available at the Admissions Office located in the Trustees Classroom Building, by calling 816-414-3733, or on Midwestern’s web site at www.mbts.edu/consumer_information #DisabledStudents

Instructional Facilities and Labs

Information on the institution’s instructional facilities is available at the Admissions Office located in the Trustees Classroom Building or by calling 816-414-3733. Also see www.mbts.edu/current_students/library/ for information on library resources at Midwestern.

Campus Safety and Security Report

The Campus Safety and Security Report is available on request from the Security office located in the Administrative Building or by calling 816-414-3836. Each fall semester the report is posted on Midwestern’s website.

Questions regarding this information may be directed to the Chief of Security.

Peer-to-Peer File Sharing

The Higher Education Opportunity Act (HEOA) includes provisions that are designed to reduce the illegal uploading and downloading of copyrighted works through peer-to-peer (P2P) file sharing (an approach to content distribution in which digital files are transferred between “peer” computers over the Internet). Consistent with the principles of Midwestern and the expectations for student behavior, Midwestern views education as the most important element in combating illegal sharing of copyrighted material and uses a variety of methods to inform Midwestern’s constituents about the law and responses to claims of copyright infringement. (The website www.mbts.edu/site/consumer_information#Peer-to-Peer provides more detailed information.)

Midwestern currently employs an enterprise-class Sonicwall security device for analysis of all inbound and outbound network traffic. Access to P2P protocols is blocked as much as is practical by current technology. When excessive sustained uploading is detected, the Information Technology (IT) department makes an effort to identify the end user’s system and notify the user of the issue and possible causes. In extreme cases, when contact cannot be made with the system owner, the data connection is severed until the owner can be reached and the issue resolved.

Students who share files of which they are not the copyright owners are most likely in violation of Seminary policy and potentially subject to lawsuit by the copyright holder under the Digital Millennium Copyright Act. Students are responsible for understanding what constitutes
legal use of music, movies, software, images, and other copyright works that they own or use. In using Midwestern’s network resources, students agree to abide by the policies and guidelines set forth by Midwestern.

Questions about file sharing may be addressed to Midwestern’s Helpdesk by calling 816-414-3763 or by emailing helpdesk@mbts.edu.

Scholarship Fraud

According to the Federal Trade Commission, perpetrators of financial aid fraud often use the following lines to sell their scholarship services; students should avoid any scholarship service or website that says the following:

- “This scholarship is guaranteed or your money back.”
- “You can’t get this information anywhere else.”
- “I just need your credit card or bank account number to hold this scholarship.”
- “We’ll do all the work.”
- “This scholarship will cost some money.”
- “You’ve been selected by a ‘national foundation’ to receive a scholarship” or “You’re a finalist” in a contest you never entered.

If you believe you’ve been the victim of scholarship fraud, wish to file a complaint, or want more information, call 1 (877) FTC-HELP or see www.ftc.gov/scholarshipscams. On November 5, 2000, Congress passed the College Scholarship Fraud Prevention Act to enhance protection against fraud in student financial assistance by establishing stricter sentencing guidelines for criminal financial aid fraud.

Student Body Diversity

For information about the diversity of Midwestern’s student body, students may contact the Registrar’s Office in the Administration Building, or they may call 816-414-3713.

RESPONSIBILITIES - ACADEMIC

Electronic Communication

Both academic information as well as information related to the student’s financial standing with the school (i.e., his or her account balance) will be sent only to the student’s MBTS email. The student is responsible for checking his/her MBTS-allocated email account. Even if a student communicates through a personal email account, MBTS will only respond through the student’s MBTS email. The student may annually opt out of receiving any electronic (email) communication from MBTS, choosing instead for all communications to be delivered via USPS, by completing the Opt-Out of Electronic Communication available online and in the Communications Office (816-414-3709).

New Student Orientation

All newly admitted students are required to attend New Student Orientation (NSO), which is held for graduate and PhD students each spring and fall semester on the Friday before classes start. Students should contact the Admissions Office at 816-414-3733 for questions or details. Master of Theological Studies (MTS) students should enroll in the online NSO.

Pre-enrollment

Continuing students are encouraged to enroll in classes as soon as online registration is open for the next semester. Pre-enrollment gives students the opportunity to schedule classes before they are filled and for the financial aid office to process financial aid. A pre-enrolled student may add or drop classes before the matriculation due date without a penalty. Students should refer to the Course Changes and Pre-enrollment Policies in the Academic Information section of this catalog. Paper enrollment forms are available online and in the Registrar’s Office.

Prospective Students

Prospective student referrals may be made by contacting the Admissions Office at 800-944-6287 or by calling 816-414-3733 or by emailing at admissions@mbts.edu. The Admissions Office will contact the prospective student and send information about Midwestern. All prospective students are encouraged to schedule a campus visit. Lodging and meals may be provided by Midwestern for up to two days during the visit.
Online Students
All newly admitted online students are required to complete the online course entitled New Student Orientation in the student’s first term. Initial enrollment in the course is free. Students who fail to complete the NSO the first time will be enrolled a second time and charged a $25 fee. Each time students have to retake the course they will be charged this fee.

The Online Student Handbook, which is made available to all online students via Blackboard, contains all policies and procedures that are unique to and especially pertinent to online coursework. Online students are responsible for being knowledgeable of its content, which is binding for all online students.

RESPONSIBILITIES-COMMUNITY

Child Endangerment and Abandonment
Children should not be left unattended or placed in any situation which might cause harm or injury to the child. Children should be under adult supervision at all times in campus buildings and facilities.

Fireworks
No person, group, organization, or program is permitted to possess, offer for sale, explode or cause to explode, any fireworks, firecrackers, or other items that may cause smoke, heat, or sparks within the buildings or on the property of Midwestern Theological Seminary. Anyone found in violation of this policy will be subject disciplinary action. In addition to campus policy, fireworks within the city limits of Kansas City are prohibited by law and violators are subject to penalties under city ordinance 26-3309.

Maintenance
Any need for housekeeping attention, maintenance and repairs in hallways, restrooms, entrances, and other common use areas should be reported to the Campus Operations Office (816-414-3732).

Seminary Seal and Logo
Institutional seals and logos are unique, historic symbols of an institution’s identity and tradition. They represent the entire institution and, therefore, should be used with care and discretion. The use of Midwestern’s seal and/or logo, in its past or present versions, on any publications, website, merchandise, in any electronic communications, or as a feature of any gratuity item, must be approved in advance by the Communications Office.

Smoking
In keeping with our concern for the health and well-being of students, smoking or any other use of tobacco products is not permitted anywhere on the Midwestern campus, including campus housing.

RESPONSIBILITIES-CONDUCT

Disciplinary Action
Disciplinary action may be initiated if a student is involved in immoral or unethical behavior, including the violation of the property rights of others. The following are categories of conduct unacceptable in the Seminary community:

- **Academic Misconduct.** Academic misconduct includes cheating and plagiarism. Students are to refrain from the use of unauthorized aids on examinations and assignments and to turn in only those assignments that are the result of their own efforts and research (i.e., proper citation is to be given for all quotations and/or paraphrasing). Midwestern strongly deplores every form of plagiarism and dishonesty, which are incompatible with the very purpose for which students ought to pursue an education at MBTS.
- **Beverage Alcohol or Illegal Drugs.** The purchase, possession, or use of alcoholic beverages is prohibited on or off campus or as part of any seminary/college activities, whether that activity is on or off campus. The unlawful manufacture, distribution, dispensation, possession, or use of any illegal drug or illegal drug paraphernalia is prohibited or off-campus. A substance of abuse is any form of narcotics, hallucinogenic, “street drugs,” beverage alcohol, or any other controlled substances as defined by law. Possession of alcohol or illegal drugs in campus housing will result in immediate suspension.
- **Gambling.** Gambling on- or off-campus or via the internet is prohibited.
- **Sexual Impropriety.** Sexual impropriety is participation in premarital sex, extramarital sex, homosexual activities or any form of deviant sexual behavior or cohabitation. Pornography is also prohibited. Pornography is the possession, purchase, distribution, or use of any pornographic materials in any form (magazines, photos, CD ROM, games, computer games, Web sites, etc.).
- **Neglect of Financial Obligations.** Failure to pay rent, tuition, fees, or other seminary bills in a timely manner as prescribed by the Business Office constitutes neglect of financial obligations. Intentionally writing bad checks (i.e., checks with insufficient funds) is prohibited.
- **Giving False Information or Altering Records.**
- **Theft.** Theft is the unauthorized taking, borrowing and/or keeping of property belonging to others.
- **Abusive or Disrespectful Behavior.**
- **Personal Abuse.** Personal abuse is any behavior that results in harassment, coercion, threat, disrespect and/or intimidation of another person. It is also any unwanted
sexual attention toward another person. Actions or statements that cause damage or threaten the personal and/or psychological well-being of a person are also considered personal abuse.

_Breach of Peace._ Breach of peace is any action which disrupts the peace or which endangers or tends to endanger the safety, health, or life of any person. It also includes the disruption of the functional processes of the Seminary by individuals or organizations.

_Reckless Behavior._ Any behavior that creates a risk or danger to one’s self or others in the Seminary community is strictly prohibited.

These listed behaviors and other conduct that are unbecoming of a Christian minister are grounds for disciplinary action. Reports of such conduct off campus will also be investigated, and the student involved may be subject to disciplinary action. Students involved in civil infractions are accountable to civil authorities but may also be subject to discipline by the Seminary.

The Dean of Students is responsible for the administration of discipline among students. The Dean of Students is responsible to the President. Cases involving academic misconduct necessitate the administration of discipline by the Dean of Students.

The purpose of disciplinary action is primarily remedial and redemptive. The following are options available to the administration for both behavioral and academic infractions:

- **Reprimand and Warning.** An official warning that continuation or repetition of an inappropriate behavior will result in a more severe sanction.
- **Fine.** A financial penalty appropriate to the violation.
- **Community Service.** This sanction requires the student to render a designated number of hours as specified service to Midwestern or the community.
- **Probation.** A formal written warning that the student’s conduct is in violation of Midwestern’s policies. The continued status of the student as a student depends on the maintenance of satisfactory citizenship during the period of probation. Students on probationary status may not hold student leadership or officer positions. Probation may also include the forfeiture of other student privileges, such as student housing or ministry referral assistance. This is considered a second warning.
- **Voluntary Withdrawal.** This sanction allows a student to acknowledge that the student’s actions are inconsistent with expectations of the Seminary community. The student who voluntarily withdraws must make a formal written request if there is a desire to be readmitted later.
- **Suspension.** Termination of student status at Midwestern for not less than the remainder of the semester. The student’s presence on the campus may be prohibited during this period.
- **Expulsion.** Termination of student status at Midwestern permanently or for an indefinite period of time. This is usually given (but not exclusively) after a first and second warning, depending on the offense.

If needed, the Dean of Students may convene the Student Development Committee to act upon instances of student misconduct. The committee will be chaired by a member of the faculty and may include the student’s faculty advisor, the Seminary Academic Dean, the Registrar, or other members of the faculty or administration who may be appropriate to the situation. In the case of academic misconduct, the student will be referred to the Seminary Dean of Students. A committee led by the Dean of Students and including the Academic Dean may be formed. This committee may confer with the student in question and will determine appropriate disciplinary action.

Midwestern seeks to be a responsible and redemptive community. In order for this to be true, staff, faculty, and students must accept responsibility to report those actions that might be detrimental to the reputation, well-being, or safety of the Midwestern community or the ministries Midwestern serves. Conduct that is unethical or otherwise inappropriate should be reported to appropriate personnel. The Dean of Students will investigate such reports and may personally talk with the individual(s) involved and determine if further action is needed.

**Grievance Process**

If a student on occasion feels that the decisions and/or actions by faculty, staff, or fellow students are inappropriate and/or unjustified, the student may choose to appeal the decision and/or action. If the student chooses to do so, the following 4-step grievance process is designed to give biblically-based guidance in resolving a grievance, dispute, or conflict.

1. If the issue is solely academic in nature and relates specifically to a professor’s judgment regarding the student’s grade or other similar matters, the student should refer to _Academic Appeal Process_ under _ACADEMIC POLICIES_ in the Academic Information section of this catalog.
2. The student is first to seek to resolve the matter in a specific conference with the faculty member, staff person, or fellow student involved. Careful and thorough attention must be given to achieving a mutual understanding of the perceived problem by determining and agreeing on relevant facts, clarifying perceptions and misunderstandings, and seeking to define the problem in a way that is acceptable to both parties (Matthew 18:15-20).
3. If a student, after a good faith effort to resolve a matter, feels that the problem persists to his injury or disadvantage, the student may appeal to the Dean of Students. The Dean of Students will meet with the student to hear the grievance and take steps to resolve the problem. This meeting shall remain confidential.
unless legal or protective action is mandated by law. The Dean of Students will work with the student to formulate a plan of resolution.

4. Should the student feel the issue remains unresolved, the student may submit an official grievance to the Student Development Committee for review. If the student’s grievance is with the Dean of Students (i.e., if it relates specifically to some decision or action by the Dean of Students), then the student may, after unsuccessfully finding resolution in Step one, bypass Step Two and submit an official grievance directly to the Student Development Committee. A Formal Grievance Form is available on the Consumer Information section of the MBTS website.

5. This Formal Grievance Form is to be completed and returned to the Dean of Students within five business days of the unsuccessful attempt to resolve the problem (Step Two). The Dean of Students will make a copy for the student’s file and forward the grievance form to the chairperson of the Student Development Committee within five business days of receiving it from the student. The Dean of Students will also submit to the Committee Chair his response to the student’s formal grievance. The Student Development Committee serves as an objective interpreter of policy processing and as a monitor of policy integrity in relation to specific student grievances.

The Student Development Committee:
1. Will review the filed grievance form submitted by the student. If the grievance is directed against any member of the Committee, then that member will be recused and replaced temporarily by another faculty member assigned by the President.
2. Will review the filed grievance response submitted by the Dean of Students.
3. May make a face-to-face inquiry with the student (or telephone call with an online student).
4. May make a face-to-face inquiry with the Dean of Students (or a telephone call with an online student).
5. May make a face-to-face inquiry with any other party that can assist in determining a solution to the grievance.
6. Will provide one of the following responses:
   a. The Committee may find that the decision of the Dean of Students accurately reflects the institution’s guiding documents and core values and, thus, will direct that his decision be upheld.
   b. The Committee may find that the decision of the Dean of Students does not in some way accurately reflect the institution’s guiding documents and core values. In such a case, the Committee will advise that his decision be amended, stating specifically how it should be amended; and if any additional actions are deemed necessary by the Committee in order to bring resolution in the matter, the committee may so advise. In this second case (6.b), all Committee decisions shall be reviewed by the President prior to announcement and final implementation.

If a student believes that the Student Development Committee has violated the Student Handbook or due process, the student may file a Student Development Committee Grievance Form with Midwestern’s President as a final appeal. This form is available on the Consumer Information section of the MBTS website. This form is to be completed and submitted to the Dean of Students, who will forward it along with all relevant documents to the President’s Office within five business days of receipt from the student. The decision of the President shall be final.

RESPONSIBILITIES-EXPECTATIONS

Campus Wide Learning Opportunities

Classes are occasionally moved to accommodate campus-wide learning opportunities. Seminary students are expected to attend these events.

Dress

Maturity, dignity, warmth and a spirit of deference are expected in every venue of seminary life, marked by mutual respect and courtesy. Appearance and attire, whether seasonal or semi-formal, should be modest and Christ-honoring everywhere on campus. In order to create a positive learning environment free of distractions, tank tops and short-shorts are prohibited in class and in chapel.

Divorce

Midwestern considers marriage to be a covenant relationship and a healthy marriage to be crucial to any married student’s ministry. Any change in a student’s marital status (marriage, divorce, separation, legal separation) should be reported to the Admissions Office. Those students who experience divorce or separation after being approved for admission may be asked to withdraw from classes so that appropriate attention might be given to family needs. After one full year of withdrawal, the student may reapply for admission to Midwestern. Consideration of the student’s application at that time will be based on what has transpired in the student’s marriage and family relationship since the withdrawal.

Opportunities for service in local churches may be more limited for graduates with a divorce than for other graduates. Divorced applicants should explore the realistic assessment of the range of opportunities of service open to them before pursuing training at Midwestern.

Local Church Membership Certification

Midwestern serves the church by biblically educating God-called men and women to be and to make disciples of
Jesus Christ. As a school supported by the Cooperative Program of the Southern Baptist Convention, Midwestern affirms the importance and primacy of the local church in evangelism and missions. Therefore, students are expected to participate actively and regularly in a local church. All students should join a local church by the end of their first academic year.

Students are classified as “Southern Baptist,” “other (non-SBC) Baptist,” or “non-Baptist” based on the church membership information they provide the seminary at the time of their admission. This denominational status is used to determine the tuition rate the student will pay. A student’s denominational status will not change unless the student joins a church of a different denomination. If a student changes church affiliation he/she must report this change on a new Local Church Membership Certification form and return it to the Registrar’s Office by Friday (4 pm) of the first week of each semester in order for the tuition rate to be reflected in the current semester. Students must certify each semester in the matriculation process that they still retain membership in a Southern Baptist church in order to receive the SBC discounted rate.

Chapel Attendance

Chapel is viewed as a vital and distinctive part of the educational experience on Midwestern’s Kansas City campus. Chapel helps define who we are and what we stand for as a Southern Baptist, church-related, and evangelical institution of higher education. All graduate students are strongly encouraged to attend the Tuesday and Wednesday chapel services. College students are required to attend a certain amount of chapel services.

SERVICES

Bookstore: LifeWay Campus Store

The bookstore is located on the lower level of the Trustees Classroom Building. It is operated by LifeWay Christian Resources of the Southern Baptist Convention and is part of the chain of LifeWay Bookstores. The bookstore carries all Seminary-required texts, relevant books, commentaries, and supplies. Many books are discounted 15 percent on cash sales. Special sales are offered periodically. The Bookstore may be contacted by phone at 816-455-3925 or email at mbstextbooks@lifeway.com.

Midwestern Calendar

All meetings for student organizations, special interest groups, and/or special events must be scheduled on the Midwestern calendar. Students desiring to schedule an event or meeting must schedule the date and campus facilities through the appropriate campus office.

Meetings and events scheduled on the Midwestern calendar can also be listed in the seminary’s News and Announcements email blast that goes out to all students, faculty and on-campus staff. All such announcements must be approved through the appropriate department’s cabinet-level administrator, and should be turned in at least one week prior to the event.

Computer Lab Printing

Printers are available for student use in the Library Computer Lab. Students can print directly from their own personal computers or utilize a lab computer. The library assesses a minimal charge per page for printing.

Employment

International (F-1) Students. U.S. Immigration laws prohibit F-1 students from being employed for wages or working off-campus, and allow only 20 hours of employment for wages or work per week on campus. After the first year of school, qualified F-1 students may seek approval and authorization from the U.S. Citizenship and Immigration Services to be employed off-campus. The spouse of an F-1 student holding an F-2 visa is not permitted to work.

Campus. The Human Resources Office is located in the Administration Building. It is the central location for learning about on-campus employment and for submitting applications. Midwestern believes in employing students and student spouses and encourages them to submit applications.

Church-Related. Students desiring church work are encouraged to contact the Admissions Office. An electronic copy of a resume should be placed on file in this office. Student resumes are then distributed to churches as requested. The Seminary encourages students to be in a ministry setting and assists students as they seek ministry positions.

Other Employment. The Admissions Office provides assistance to students in locating off-campus employment. A list of current job opportunities is available through that same office.

Business or Commercial Ventures On Campus. Permission for any business or commercial ventures on campus or within the Seminary housing area (including baby-sitting services) must be requested in writing from the Admissions Office. Off-campus businesses are not allowed to solicit on campus without written permission from the Admissions Office.

Housing

Individuals in campus housing are subject to rules and regulations deemed necessary for the best interests of all students and families. Students receive information concerning these rules at the time they receive their housing assignment.

Guest Housing. Commuter students have the option of guest housing provided through a local hotel at a discounted rate. Please contact the Housing Office for details.

Campus Housing. Campus housing units are located on campus and consist of one bedroom apartments for
Also available through GuideStone for employees. When a unit has been vacated, campus operations personnel will inspect the unit. The status of this inspection, along with the status of the student’s accounts receivable record, will determine the amount of deposit refunded.

**Prohibitions.** Beverage alcohol, tobacco and illegal drugs are not allowed anywhere on the Midwestern campus, including campus housing. Possession of such in campus housing will result in immediate eviction. Pets are not allowed in seminary housing.

**Limits of Care**

Midwestern Seminary’s purpose is to equip individuals for ministry and educate Christian adults. In the process of equipping students, Midwestern is often asked to provide pastoral care and counseling. The care provided by Midwestern Seminary is defined as pastoral support-care. This provision means the seminary will offer encouragement, advice, prayer, and biblical guidance for our students.

In no way does Midwestern Seminary intend to present all its employees as professional caregivers (licensed counselors, psychologists, psychiatrists, etc.). The Seminary does not attempt to be the primary caregivers for those with severe problems like clinical depression, addictions, suicide, severe marriage and family problems, etc. In these cases the Seminary will refer the individual or couple to a qualified caregiver.

**Insurance**

The Seminary encourages all students to obtain medical and hospitalization insurance for their own protection. A student hospitalization plan is available through providers. HealthCare.gov is a good place to shop for medical insurance. At the time of enrollment all students will be required to indicate whether they are covered by hospitalization insurance. The student must sign a waiver if he/she is not insured. All international students (students holding F-1 or J-1 Visas) are required to show proof of health insurance.

Life insurance is also available through GuideStone for reasonable premium rates. Each student is encouraged to carry some form of life insurance. Seminary insurance does not cover the loss of personal property or damage to personal items, whether on-campus or in a seminary housing unit. Each student or resident is encouraged to purchase such coverage from a private insurance carrier.

**International Students**

International students are welcome at Midwestern, which is authorized under federal law to enroll nonimmigrant international students. Midwestern’s specialized programs are appropriate for persons preparing for a career in Christian ministry. International Students may only attend Midwestern’s Kansas City campus. New international students may only begin in the fall or spring semesters.

**Requirements for Living in Campus Housing.** Full-time current/future students who are enrolled in a minimum of 9 credit hours of master’s coursework per semester are eligible to live in Midwestern campus housing. One online class may be counted toward the 9 credit hours. This 9 credit hour requirement applies to an individual student, not the cumulative hours of family members. Students are not required to take January and summer classes to stay in campus housing as long as they are full time during fall or spring semesters. Doctoral students are only considered for residential housing upon availability when the residential units are not at capacity.

Any current student, who withdraws from classes, fails to enroll, or otherwise ceases to be a student will be expected to move out within thirty days from the qualifying event. The resident may only remain in campus housing with an approved exception from the Vice President of Administration. A graduating student may contract for and occupy the space until the last day of the month following completion of the resident’s coursework without the additional charge. Any exceptions to this rule must be approved in writing by the Vice President of Administration. A student may occupy campus housing during the time required to earn the degree for which the student is enrolled. You must re-apply for housing if you desire to stay on campus for an additional degree plan.

**Check-out procedures.** When the resident is preparing to vacate campus housing, the resident must submit an *Intent to Vacate* notice at least 30 days prior to the anticipated move out date. The resident will be charged for a full 30-day period even though the resident may actually vacate the unit during the month. Residents who neglect to return keys or fail to complete the proper forms will continue to accrue rent charges until the checkout process is completed, and may also forfeit their Housing Deposit. MBTS shall remove and dispose of, at the owners’ expense, any personal property left in the contracted space or any storage areas after a tenant has vacated a unit. The resident will owe the entire month’s rent for the month in which they vacate the unit.
International students at Midwestern are expected to be aware of and in compliance with all federal regulations applicable to them. Midwestern does not admit students who are currently out of status with the U.S. Citizenship and Immigration Services.

Lost and Found
The campus “Lost and Found” service is maintained in the Security Office. Found items should be taken there as well as inquiries for lost items.

Parking
All vehicles parked on campus are to have a Midwestern parking sticker. Parking stickers may be obtained from the Security Office at a small fee.

Post Office and Campus Mail
Student mailboxes are located on the lower floor of the Trustees Classroom Buildings adjacent to the Lifeway Bookstore. Each student is assigned a campus box by the Business Office at New Student Orientation or upon request. The student box is for internal campus use such as returning class papers, campus flyers, and memos. Questions concerning student mailboxes should be referred to the Business Office in the Administration Building.

Campus boxes are for internal use only, not for the delivery of U.S. mail. Mail sent through the U.S. Post Office should be addressed to the student’s home or campus address. U.S. postage stamps may be purchased in the Business Office.

Publications
Academic Catalog. Midwestern’s Academic Catalog is the Seminary’s official statement of curricular offerings and academic policies. The catalog provides information that will enable students to make informed decisions concerning their seminary education. The Seminary may require a student whose enrollment has continued beyond five years to graduate according to the requirements of a catalog issued subsequent to the student’s initial registration. Students reenrolling after being out of school for one year or more must adhere to the requirements of the Catalog in effect at the time they reenroll.

The Midwestern. The Midwestern is the official publication for students, faculty, staff, alumni, trustees, and friends of Midwestern. It is published by the Communications Office. This magazine-style publication includes news and feature stories concerning the entire Midwestern community.

Midwestern Journal of Theology. The Midwestern Journal of Theology is a scholarly journal written to assist Christians and churches in making disciples of Jesus Christ throughout the world. Published twice a year, each issue includes theological and exegetical articles, inspirational sermons, and reviews of important books.

Student Handbook. The Student Handbook is included as a section in the Academic Catalog and sets forth policies and procedures pertaining to students and student families. New students are required to submit a signed statement affirming that they have read the Student Handbook. All students and family members are encouraged to be familiar with the Handbook. For any questions or information regarding the Student Handbook, students should contact the Admissions Office at 816-414-3733.

Security
Buildings and grounds are checked periodically. Security-related matters may be directed to 816-414-3836.

In the event of emergencies threatening life and property, students should call 911 for immediate help from the Fire Department, Police Department, or ambulance service.

Koehn-Myers Center
The Koehn-Myers Center for World Evangelism is named after two martyred Yemeni International Mission Board missionaries, Bill Koehn and Martha Myers, both of whom attended Midwestern Baptist Theological Seminary. The Koehn-Myers Center houses the Library Annex; Academic, Doctoral, Faculty offices; a student lounge; and the Missions Atlas Project.

Student Development Committee
The Student Development Committee is composed of the Dean of Students, three faculty members, and a student representative. The Committee proactively works with the Dean of Students for the watch-care of student life issues at Midwestern and ultimately seeks to maintain an environment that enables success for Midwestern students.

OPPORTUNITIES

Midwestern Evangelism Teams (MET)
Midwestern Evangelism Teams (MET) are student-led outreach teams organized to provide practical evangelism opportunities throughout the year. Students participate in weekly evangelistic opportunities throughout the semester with special emphasis on personal evangelism.

Involvement in MET is voluntary and open to anyone at Midwestern who has a heart for sharing the Gospel of Jesus Christ.

Ministry Opportunities
Over 550 Southern Baptist churches lie within a 100-mile radius of Midwestern. The proximity of this great number of churches makes it possible for a majority of Midwestern students to serve in a ministry setting while pursuing their theological education. Many Midwestern students serve as pastors, assistant pastors, interim pastors, or ministers of music, Christian education, or youth.
Students also serve in such specialized ministries as language missions, new work ministries, Christian social ministries, and student work.

The Student Development Office maintains a resource for students and alumni to explore places of service in area churches and across the convention. Students are encouraged to take advantage of this resource by providing an electronic copy of a resume for reference. Ministry inquiries may be directed to the Student Development Office.

**Music Opportunities**

Seminary students, spouses, faculty, and staff join together to form the choral group called the Midwestern Singers. The choral group provides special music for the seminary chapel services, programs, and events. The Midwestern Singers provides a ministry opportunity and creative outlet for talented musicians. Two credit hours are awarded at no charge for those enrolled.

An auditioned Midwestern Praise Team ensemble offers opportunities in preparing contemporary music and occasionally an instrumental ensemble. Interested persons should contact the Church Music Office.

**Recreation**

Midwestern sponsors a recreation program under the guidance of the Campus Culture Office. Midwestern recognizes the importance of health and physical fitness. Recreation at Midwestern involves assisting members of our community to experience renewal and a sense of well-being of mind, body, and spirit through the creative power of God.

The recreation program attempts to be inclusive, with activities for students, faculty, staff, and family members. This program includes team and individual sports as well as leisure recreation. Sports include intramural softball, basketball, flag football, soccer, and ultimate Frisbee. Equipment for various activities may be checked out through the Campus Culture Office.

A campus-wide picnic is scheduled each year in the fall and spring. This campus-wide fellowship event celebrates the beginning and end of the academic year.

Off-campus facilities are occasionally reserved for recreation. Ball fields, gyms, pools, and other recreation facilities are located near the campus.

All recreation and leisure activities and events are posted online. Dates and general information for events are also listed in The Spire. Further information regarding these events may be obtained through the Campus Culture Office.

**Scheduling Special Activities**

Special activities or meetings on campus are to be scheduled through the appropriate offices. The Koehn-Myers Center and the Chapel are scheduled through the President’s Office. Rooms and times are then placed on the Midwestern calendar. No event is to be scheduled on campus prior to contacting the appropriate office.

**Student Body Association**

The Student Body Association (SBA) is the official organization for student government on campus. Officers for the association are elected annually by the general student body. The SBA promotes student interests and conducts activities directly related to student life. For example, the SBA presents the needs and issues of students to Midwestern and organizes social events for fellowship during the school year. Questions regarding SBA issues should be directed to the Dean of Students.

**Student Organizations**

Two types of student organizations operate at Midwestern: official organizations established by the faculty and administration, and student volunteer organizations which are established around a particular student interest or geographical area.

**Student Volunteer Organizations**

All student volunteer organizations should contribute in a positive and practical way to the intellectual, spiritual, and professional interests of students. Students interested in forming a new organization are required to observe the following guidelines:

1. Forms to be used in proposing a new student organization are available in the Student Development Office.
2. The completed organization form will include the following:
   a. The name of the proposed group.
   b. A signature of a faculty member or administrator who will assume the role of sponsor.
   c. A statement of purpose.
   d. An organizational statement.
   e. A petition signed by 20 people, 6 of whom will be active members.
3. The completed form should be returned to the Student Development Office.
4. The Student Body Association and the Student Development Committee must approve new or reconstituted organizations.
5. Upon approval, the organization will be granted permission to use seminary facilities and publications.
6. Officers of the newly formed organization should be elected and recorded in the Student Development Office prior to the second meeting.
7. A copy of the organization’s constitution and bylaws must be submitted and filed in the Student Development Office.

An annual registration is required for all organizations. Annual registration involves providing the Student Development Office with names of officers, sponsors, and any revisions of the statement of purpose or organizational statement. The annual registration must be completed prior
to scheduling meetings. Meetings on campus are scheduled through the Student Development Office.

**Midwestern Women’s Institute**

Midwestern believes that women were created to be complementary to men, yet unique. Women have unique opportunities and challenges in ministry. Just as men are called to train and prepare for ministry at seminary, women must train and prepare as well. Midwestern Women’s Institute exists to equip and prepare the women of Midwestern to fulfill the Great Commission by providing them with biblical training, the support and fellowship of fellow Kingdom-minded women, and practical preparation for ministry and service.

Students and wives of students at MBTS/College are eligible to graduate through our certificate program. A certificate is presented to those completing the prescribed requirements. Many of the MWI courses are taught by Midwestern’s professors, their wives, our administrators, and women serving and ministering in the Kansas City area. These courses are designed to meet the unique needs of women in the ministry. Free childcare is provided by reservation.

**Worship and Special Events**

The students, faculty, and staff of Midwestern gather together regularly for worship, special lectures, and events.

**Chapel**

Chapel services are held weekly on Tuesdays and Wednesdays at 10:00 a.m. in the Seminary Chapel during the fall and spring semesters. The services offer a variety of preaching, teaching, and other worship opportunities.

**Convocation**

Convocation is held twice during each school year—a general convocation at the beginning of the fall semester and an academic convocation at the beginning of the spring semester. A ceremonial assembly of all members of the campus community, convocation serves as a launching point for each new semester.

**C. W. Scudder “School of the Prophets” Memorial Lectureship in Christian Ethics**

In 1991, Lyle Scudder and Kathy Scudder established the C. W. Scudder “School of the Prophets” Lectureship as a memorial to the late Dr. C. W. Scudder, Vice President for Internal Affairs, Senior Professor of Christian Ethics, and Vice President Emeritus at Midwestern Seminary, from 1975-1991. This lectureship focuses on the biblical basis for dealing with contemporary social challenges and ethical issues.

**H. I. Hester Lectureship on Preaching**

In 1958, Dr. H. I. Hester, the first Chairman of the Midwestern Seminary Board of Trustees, together with Mrs. Hester, instituted the H. I. Hester Lectureship on Preaching. A distinguished authority in the field of preaching delivers a series of lectures.

**Lewis A. Drummond Lecture Series**

The Lewis A. Drummond Lecture Series on Evangelism was established in 2005 by the widow of Dr. Lewis A. Drummond, Betty Drummond, of Dothan, AL, as an annual, one-week evangelism lecture series dedicated in memory of her husband. At the time of his death in 2004, Dr. Drummond was Evangelism Professor in Residence at the Billy Graham Training Center at The Cove in Asheville, NC and Chancellor of the Schools of Evangelism for the Billy Graham Evangelistic Association. He served as the Billy Graham Professor of Evangelism at Southern Baptist Theological Seminary in Louisville, KY, from 1968-73, President of Southeastern Baptist Theological Seminary in NC from 1988-92, and was the Billy Graham Professor of Evangelism at Beeson Divinity School in Birmingham, AL, from 1992 until he retired in 2003.

**Sizemore Lectureship in Biblical Studies**

In 1976, the Midwestern family and many of its friends established the Burlan A. Sizemore, Jr., Lectureship in Biblical Studies as a memorial to Dr. Sizemore. Sizemore, Professor of Old Testament and Hebrew at Midwestern since 1968, was killed in an auto accident in March 1976. This lectureship brings authorities and scholars to the campus to deliver a weeklong series of lectures on some aspect of biblical studies.

**C.H. Spurgeon Lectures on Preaching**

The C.H. Spurgeon Lectures on Preaching is designed to serve as a week of inspiration and spiritual renewal for both the Midwestern and area communities. A well-known preacher or denominational leader lectures during this week of worship each year.
Financial Information

The student is responsible for meeting all educational expenses such as tuition, fees, housing, books, etc. All educational charges are due and payable on the published due date of the semester or term for which the student is enrolled.

Tuition and fees are subject to change at the discretion of Midwestern without prior notice in accordance with established policies and procedures. Any revisions will be communicated to students prior to each semester.

Financial Services Office Hours

Financial Services is open to serve students Monday through Friday, 8:00 am to 4:00 pm. The Office is closed for chapel services on Tuesday and Wednesday from 10:00 to 11:00 am and daily for lunch from noon to 1:00 pm. Students may pick up refund checks, cash personal checks up to $50, obtain change, and buy stamps. Students may also pay enrollment fees, housing costs, library fines, etc.

If students have questions about the financial payment processes or if assistance is needed, students should contact Financial Services at 816-414-3716 or sfs@mbts.edu. Should financial problems concerning payment of bills arise, the student may discuss arrangement for payments with the Director of Financial Services.

- Students must have completed all required documents requested by Financial Services
- Students must have no outstanding balance

Housing

Only full-time, degree-seeking students in residential programs may reside in campus housing. Applications for housing are not accepted until after a student has received a notice of acceptance as a degree-seeking student. All housing rates are subject to change without notice; however, housing rates normally are adjusted on an annual basis. Lease information is available through the Seminary Housing Office (816-414-3817).

Students who decide not to reside in campus housing after making application may have the deposit refunded provided he/she submits the request in writing at least 30 days prior to the intended date of occupancy. If campus housing is not available at the time of the request, applicants are placed on a waiting list based on the date the Housing Office receives the application and deposit.
Rent for campus housing is due on the first day of each month. A late fee of $25 is charged after the 10th of each month. Midwestern reserves the right to request students to vacate the student housing for nonpayment of rent. A $25 charge is assessed for each key that is lost or not returned. Exceptions to these policies due to exigent circumstances are at the discretion of the Vice President for Administration. Criteria that influence exceptions are on file in the Student Housing Office. The rental rates are inclusive for all utilities (electricity, gas, trash, water, Wi-Fi and basic cable).

**PAYMENT INFORMATION**

**Matriculation**
Matriculation is the process by which students become officially enrolled at Midwestern. This process includes agreement to abide by the institutional code of conduct for students and payment of tuition and other fees. Once a student has matriculated he/she becomes eligible for access to student services and other facilities. Students must complete the matriculation process each semester of their study at Midwestern.

Matriculation is a mandatory process that confirms the student’s attendance, housing (if any), class schedule, and payment arrangements. The process is completed online through the student portal. Failure to complete the matriculation process prior to the deadline may result in a hold on the student’s account or cancellation of his/her enrollment in classes.

**Financial Responsibility**
Institutions of higher learning and especially those that primarily teach Christian principles are responsible for teaching students not only academics but also principles of good citizenship. Financial integrity and responsibility are character traits of the highest priority. Enforcing accountability is a primary tool for teaching students to be responsible citizens. Students are responsible for the costs of attending or taking classes at Midwestern and for living within Midwestern’s financial guidelines.

Enrollment in courses or residence in campus housing constitutes a contractual financial obligation of the student to pay tuition and other fees. The student is ultimately responsible for his/her account and should monitor it on a regular basis. Students have access to their account information on the Student Portal which shows tuition amounts billed and paid, scholarships posted to their accounts, bookstore charges, and housing and utility costs.

**Tuition Due Dates**
Tuition due dates are posted to the website and student portals for each semester and term. Students should review these sources for the specific dates to ensure their fees are paid in a timely manner.

**Fall and Spring Semesters**
Tuition and fees for the fall and spring semesters is due one week prior to the beginning of the semester. For term B (classes that begin during the second half of the semester), tuition and fees are due eight weeks after the semester due date.

**J-Terms (January, June or July)**
Tuition and fees are due the first Monday of the month prior to the month in which the class session occurs. For example, classes meeting for in-class sessions in January are due the first Monday of December.

**Doctoral Programs**
Doctoral students are billed twice annually for their program tuition and fees. Tuition and fees are due by July 1 for the fall semester and January 1 for the spring semester.

**Impact for Non-Payment**
Students who have registered but have not paid tuition and fees by the due date will be assessed a late payment fee every month until the account is paid in full. Students are not automatically dropped for non-payment and must initiate the drop process through the Registrar’s Office. Consult the Registration Calendar and Tuition Refund Schedule for deadline and refunds based on the date courses are dropped. Students who do not drop will be responsible for the full payment of tuition and fees. See also Past Due Accounts section below.

**Doctoral Payment Options**
Students who do not pay in full are automatically placed on a six-month payment plan of tuition only. Monthly payments are due on the first of each month. A late
fee is assessed for each month that payment not received by the first day of the month.

Financial aid is available only for eligible doctoral programs. Students should refer to the Financial Aid Information section of the catalog or contact the Financial Aid Office.

Master’s Payment Options
Three options are available for admitted degree-seeking students to pay their tuition and fees:

- Payment in full
- Monthly payment plan
- Financial aid programs, including scholarships and Federal Student Aid.

Admitted, nondegree-seeking students may use the monthly tuition payment plan, however, nondegree-seeking and conditionally-admitted students are not eligible for scholarships or financial aid.

Payment in Full
One of three methods may be selected for making full payments:

- Mailing a check to MBTS, Attn: Financial Services, 5001 North Oak Trafficway, Kansas City, MO 64118 Payments postmarked by the due dates do not meet the payment deadlines; payments must be received by the due date. Students should allow at least 7-10 days for mailing.
- Payment in person at the Financial Services office located in the Administration.
- Payment in full by credit card through the Student Portal. Students can click the Pay by Credit Card button on the My Ledger page and follow the prompts.

Monthly Payment Plan
Midwestern contracts with Nelnet to provide a monthly payment plan option to its students. A $25 nonrefundable enrollment fee is required for each payment plan. A down payment is due upon enrollment in the plan. The remainder is divided evenly, and monthly payments are automatically withdrawn from the participant’s checking or savings account on the 5th or 20th day of each month throughout the semester.

Once established by the student, the payment plan is not automatically modified for changes in enrollment or fees. Any changes to the amount required or cancellation of payments must be made through Financial Services ten days prior to the next required draft.

Students should contact Financial Services or refer to the website for further information about enrollment periods and plan options. A link to the payment plan is also provided on the website and student portal.

Financial Aid
Financial aid funds are disbursed according to the regulations for each award program. The Financial Aid section of the catalog provides more information about available financial aid programs. The funds are credited to students’ accounts upon confirmation of eligibility. For the fall and spring semesters, funds are typically credited on the Friday of the second week of the semester.

Timing of disbursements is contingent upon the student meeting all conditions for receiving aid. Students who have not received a financial aid award letter before the semester due date should make other payment arrangements while the financial aid process is being completed. Otherwise, the fees are considered late, and the student may incur late payment fees.

Any excess credit balance after financial aid disbursements will be processed within 14 days that the credit balance occurred. The Credit Balance Refunds section listed below provides more information. If charges remain on the student’s account after financial aid disbursements or if subsequent charges are made, the student is responsible for making certain the charges are paid on time.

Past Due Accounts
Students with past due financial obligations will be placed on financial hold, which may lead to termination of enrollment, withholding of grades, degrees, and transcripts. Such students will not be permitted to pre-enroll or enroll for future semesters/terms until their past-due financial obligations have been paid or approved arrangements for payment have been made. A fee of $25 is assessed for all late payments of tuition. Overdue balances will be addressed on a monthly basis by the Business Office, and nonpayment will lead to financial hold.

Past due account notifications are sent by email to current and former students who have outstanding balances on their account. It is in the best interest of the student to speak with Financial Services to discuss options for resolution on accounts. Students with past due balances that remain unpaid or unresolved may be referred to a collection agency. If so, any collection fees become the student’s responsibility.

Returned Checks
A check received for payment of tuition fees but returned for any reason invalidates a student’s enrollment and jeopardizes the student’s status. All returned checks must be redeemed within two weeks. A $20 returned check fee is assessed for each check returned by the bank. In addition, appropriate late payment fees may be added. Upon the receipt of the third returned check from a student or member of their immediate family, Midwestern will no longer accept a check in payment of fees and check cashing privileges will be revoked. Future payments for tuition, rents, utilities, etc., will only be accepted in cash, money order, or cashier’s check. Bad checks may be subject to collection or prosecution.
Credit Balance Refunds
Credit Balance Resulting from a Course Withdrawal
A student who withdraws from a course or from Midwestern completely is subject to the refund schedule policy. If the refund schedule allows for a refund and if a refund would create a credit balance on a student’s account, he/she must request a refund in writing to Financial Services by sending an email to sfs@mbts.edu.

Credit Balance Refund Resulting from Federal Title IV Aid
If receipts of Federal Title IV aid (grants or loans) result in a credit balance, a refund check in the student’s name will automatically be mailed to the student. If the student’s account is paid partly by a Parent Plus Loan and results in a credit balance, the check is drawn to the borrower to the extent of the PLUS loans proceeds.

Federal Title IV aid can only be credited towards institutional charges. Non-institutional charges such as finance charges and late payment fees cannot be paid from Title IV aid. These charges may result in a refund being generated leaving an outstanding balance on the student’s account for which the student is responsible. These other charges, as well as future charges, may be paid from excess funds by completing an Authorization to Hold Funds form. The authorization is optional and may be revoked in writing at any time.

Students receiving Title IV aid who withdraw completely may be billed for balances resulting from the mandatory return of funds to the U. S. Government.

FINANCIAL AID
Application and Eligibility
Eligibility for financial aid is determined on the basis of financial need. Financial aid is available to eligible students to help meet education-related expenses. The types of financial aid available include grants, loans, and scholarships. Grants and scholarships are “gift aid” and need not be repaid. Loans must be repaid to the lender over an extended period, typically after the student leaves school.

All applicants for financial aid are required to do the following:
1. Be a fully admitted, degree-seeking student pursuing an eligible degree. Nondegree-seeking students and those only auditing classes are not eligible for financial aid.
2. Complete a Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. Midwestern’s school code is 002485.
3. Complete verification when required. Guidelines will be provided to the student for completion of the verification process.

Information provided by the student on the FAFSA is used to generate an Expected Family Contribution (EFC), which takes into account the income and assets of the student and/or parent. The EFC is used to determine the student’s financial need. The student’s financial need is the difference between the Cost of Attendance and the Expected Family Contribution or EFC. The Cost of Attendance includes the educational expenses:

    - Direct Costs:
      - Tuition
      - Room and board (for students living on and off campus)
      - Required fees

    - Indirect Costs:
      - Books and supplies
      - Transportation
      - Miscellaneous expenses

The amounts for these six educational expenses are the student’s estimated Cost of Attendance at Midwestern Baptist Theological Seminary, and they become the student’s budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students) are charged on the student’s college bill. Financial aid recipients are selected on the basis of demonstrated financial need (as stated above) and/or academic achievement. Most financial aid awards are based on full-time enrollment, which is a minimum of 9 credit hours per semester for a graduate student.

Students should note that in order to complete a master’s degree within three years, students must take more than 9 credit hours per semester. Students should consult with their Academic Advisors to plan course loads accordingly.

In order for a student to continue to receive financial aid, the student must maintain financial aid Satisfactory Academic Progress (SAP). Midwestern Baptist College, SBC’s policy for determining financial aid Satisfactory Academic Progress is stated below. For more information on financial aid, students may contact Financial Services by calling 816-414-3828 or by accessing the financial aid information found on the Midwestern website: www.mbts.edu

Satisfactory Academic Progress (SAP) Policy
The U.S. Department of Education requires schools to develop and implement policies by which academic progress is evaluated and monitored for all students, even for those students who have not received financial aid in prior terms at Midwestern.

Students must meet the Satisfactory Academic Progress (SAP) requirements to receive federal Title IV aid, which include Federal Direct Loans and Federal Grad PLUS Loans. Midwestern also applies the SAP requirements to monitor eligibility for all institutional aid.

This policy describes the Satisfactory Academic Progress and includes requirements in addition to the...
Academic Standing requirements for each academic program (refer to Academic Probation in the Academic Information section).

The standards for which students are measured for SAP include Qualitative, Quantitative, and Maximum Time Frame as defined below. The academic record of students receiving financial aid is reviewed after the end of each semester. The academic record review is cumulative and includes all courses taken at the student’s current academic level.

SAP Measurements for Master’s Students
1. **Quantitative:** Eligibility for most financial aid requires at least half-time enrollment, per regular semester. A student must successfully complete 2/3 of attempted coursework at the current level. Withdrawals, incompletes, repeated courses, failure grades, and transfer hours count as attempted coursework. Noncredit and audit courses are not included in course load. Note: Completion rates are not rounded up.

2. **Qualitative:** To maintain eligibility, a student must maintain the minimum cumulative GPA of 2.0. Transfer credit will not be included in qualitative work evaluated for SAP. Only credits earned at MBTS are used to calculate GPA.

3. **Maximum Time Frame:** A student may not exceed a maximum number of attempted hours in any program even if aid was not received during the current term or prior terms. For master’s programs, MBTS defines the maximum time frame as 150% of the published number of credit hours for the student’s declared degree program. Once the student reaches the maximum time frame allowed, the student is ineligible to receive financial aid. Students may appeal on the basis of coursework not applicable to the current degree program.

Financial Aid SAP for Doctoral Students

1. The minimum GPA component for doctoral students is measured by the Doctoral Studies Office. Since the doctoral standards are more stringent than the federal SAP requirements, doctoral students permitted to continue enrolling in doctoral seminars or courses are deemed to be making satisfactory academic progress.

2. During the seminar/course phase of the doctoral program, students must complete a minimum of two seminars per semester (i.e. at least 12 credit hours each academic year) to be considered a full time student. During the dissertation phase, students must complete the dissertation within five years of the start of their program. (A full explanation of full and part time status for doctoral students is found later in this section.)

3. For doctoral degree programs, eligibility for federal financial aid ceases after students in the DCoun program have been enrolled for five years.

**SAP Review and Warning**
Financial aid satisfactory academic progress is reviewed at the end of each semester (fall and spring). Failure to meet the minimum standard outlined in this policy statement places a student on financial aid SAP warning status. Students on financial aid SAP warning will remain eligible for federal financial aid for one payment period.

Students on financial aid SAP warning have one semester to correct a progress problem stemming from a low grade point average or lack of credit hour completion. Students placed on academic probation by the Registrar are also considered to be on financial aid SAP warning for one semester and are expected to comply with the requirements of both academic probation and financial aid SAP warning.

Students who do not reestablish satisfactory academic progress after one semester on financial aid SAP warning are no longer eligible to receive federal financial aid and are placed on financial aid SAP suspension. The financial aid SAP suspension appeal process is described below.

**Financial Aid SAP Suspension Appeal Process**
Students who do not meet the financial aid SAP requirements due to mitigating circumstances may submit a financial aid SAP Appeal to Financial Services to request an extension to receive federal financial aid for one additional semester. Common situations that may cause a student to fail to meet satisfactory progress standards include family difficulties, such as illness/hospitalization, change in employment or other catastrophic, unplanned circumstances.

**Appeal Process**

**Step One:**
Students who choose to follow the appeal process must:
- Submit Appeal Form to Financial Services
  - Student must state why he or she failed to meet SAP requirements
  - Student must state what has changed so that he or she will meet SAP at the next review

**Step Two:**
Financial Services will:
- Review the Appeal Form
- Send results of appeal to the student
- Approved appeals include
  - Approval and terms of reinstatement of financial aid eligibility
  - Requirement to meet SAP in next enrollment period (semester) or
  - Requirement to follow an academic plan over an extended period of time

---

1 The Doctor of Counseling program is the only doctoral degree program currently eligible for Federal Student Aid.
o Approved appeals will result in financial aid being awarded for the enrollment period

• Denied appeals include
  o Reasons for denial
  o What the student must do to meet SAP
  o Denied appeals will not be awarded financial aid until SAP is met

Step Three:
Students must continue to meet terms, as established, until SAP is met in order to continue receiving financial aid on a probationary basis. Once SAP is met, a student is no longer considered to be on probation. Failure to maintain SAP in a subsequent semester will result in the student being placed on warning for the upcoming enrollment period (semester).

Students are reminded that readmission to Midwestern after an academic suspension or approval of an academic suspension appeal does not automatically reinstate financial aid eligibility after a financial aid suspension. Reinstatement of financial aid eligibility is not retroactive. Reinstatement of financial aid eligibility only affects current or future enrollment periods.

Students Should Monitor Their Academic Progress
Students are responsible for reviewing their grades (including midterm and end of term grades) and comparing their progress to the standards set forth in the financial aid Satisfactory Academic Policy to ensure that they are aware of their standing.

Students are encouraged to seek assistance through pursuing additional academic advising, arranging for tutoring, or regularly discussing their academic work with their instructors. Students are responsible for monitoring their own academic progress because the review completed by Financial Services may immediately affect their financial aid eligibility for the next term.

Federally Defined Leaves of Absence
Midwestern does not grant federally defined Leaves of Absence for financial aid purposes. If a student must withdraw from school due to circumstances beyond the student’s control, Midwestern may determine a withdrawal date related to those circumstances. Midwestern always has the option to use the student’s last day of documented attendance in an academically-related activity.

A financial aid refund calculation will be made in accordance with current federal regulations. For information concerning the current federal financial aid cancellation policies, students should contact a Financial Aid Specialist.

Break in Enrollment
When a student has a break in enrollment and is readmitted, the financial aid SAP status for prior terms applies. For example, if a student is placed on financial aid suspension at the end of the spring term and does not return for the next fall term but returns the next spring term, the student continues in a financial aid suspension status for the spring term.

Definition of Traditional semesters, J-term, & Summer Sessions
A traditional semester is referred to as a standard term (i.e., fall and spring). Standard terms are defined as 15 weeks of instruction. Satisfactory Academic Progress requirements are calculated on the satisfactory completion of at least 9 credits in at least 15 weeks of instruction.

J-term credits from classes occurring during the first full week in January are added to the spring term. Any other intensive courses such as academic workshops, etc. are credited within the term in which they are held. Summer intensive courses for the purpose of credit hour load and measurement of progress are combined together into the summer term. The summer term is considered a “trailer” of the standard spring semester. This notation means that aid processed for the summer term is based on the FAFSA from the prior academic year.

Course Repetitions and Incompletes
Repeated and withdrawn courses count as hours attempted in determining financial aid SAP but do not count as hours earned or completed. As of July 1, 2011, changes in federal regulations allow students to repeat coursework to count toward enrollment status (full-time, half-time, and less than half-time), and they are, thereby, eligible to receive federal student financial aid. Students may repeat a previously passed course once for the purpose of raising the letter grade, and students may repeat a failed course until it has been passed.

Courses in which an incomplete grade is awarded are also counted as hours attempted but not earned or completed until such time as an earned passing grade is issued by the professor to replace the incomplete grade. Per the incomplete grade policy, an incomplete grade not replaced with a passing grade within the time specified on the Incomplete Grade Form becomes a failing grade in the financial aid SAP computation.

Change of Major/Additional Degrees
The minimum cumulative GPA and minimum completion rate of the financial aid satisfactory academic progress (SAP) policy are not affected by a change of major or seeking an additional degree within the same degree level (e.g., master’s). All periods of the student’s enrollment at that level are counted in determining financial aid SAP. Once the student reaches the maximum time frame allowed, the student is ineligible to receive financial aid. Students may appeal on the basis of coursework not applicable to the current degree program.

Changed Grades
If a grade is changed, the student is required to notify Financial Services immediately. Financial Services then initiates a review of the effect of the grade change on satisfactory academic progress within 30 days of
notification. A grade change late in the term or after the
term in question or failure to notify Financial Services may
result in the loss of financial aid eligibility because
regulations may limit the time in which aid may be re-
awarded or disbursed.

Transfer Credits
All transfer credit(s) listed on the student’s Midwestern
transcript are included in the student’s financial aid SAP
quantitative evaluation. Generally, only transfer credit used
to satisfy a Midwestern degree requirement is transferred
and, therefore, used in the financial aid SAP calculations.
See Transfer Credit in the Academic section for further
information.

Students Conditionally Admitted
Students who are conditionally admitted are not eligible
for financial aid. Students must meet the requirements of
their conditional admission to qualify for financial aid in
future semesters. Students will be notified by the Registrar’s
Office when they become fully admitted students. All
coursework taken during the conditional admission will be
included in SAP calculations.

Remedial and English as a Second Language Course
(ESL)
Remedial courses at Midwestern are assigned an
academic level lower than the student’s program of study or
degree level. As such, remedial hours are not counted in
determining financial aid SAP. Midwestern does not offer
ESL courses. If a student is required to take ESL courses,
he/she needs to complete those courses at another college or
university. These hours would not be used to satisfy degree
requirements at Midwestern and, therefore, would not be
counted in determining financial aid SAP at Midwestern.

Federal Title IV Financial Aid
Programs

Eligibility for Federal Financial Aid
To receive federal financial aid, a student must . . .
• Be a United States Citizen or eligible non-citizen
• Demonstrate financial need (except for certain loans)
• Have a high school diploma or a General Education
  Development (GED) certificate
• Be a fully admitted degree-seeking student
• Certify that he/she is not in default on a federal student
  loan and does not owe money on a federal student grant
• Have a valid Social Security Number
• Register with the Selective Service, if required
• Maintain satisfactory academic progress once in school.

Federal Direct Loans
Financial Services strongly encourages students to keep
their educational loan indebtedness to a minimum so that it
does not affect their ability to accept a future ministry call.
Educational debt should not be assumed without serious
consideration. Students are encouraged to contact a
Financial Aid Specialist to discuss all aspects of applying
for, receiving, and repaying loans before the application
process.

Before students can receive their first loan funds, they
must complete entrance loan counseling. In addition, it is
the student’s responsibility to complete exit counseling
upon graduation, leaving school, or reducing attendance
below half-time so that he/she understands all aspects of
repayment, deferment, forbearance, consolidation, etc.

To receive a student loan, a student must sign a Master
Promissory Note (MPN), a legal agreement committing to
repay the loan, using an electronic form. Student can sign
the MPN and complete entrance counseling online at

Unsubsidized Loans
Graduate students enrolled at least half time are only
eligible for unsubsidized loans. Unsubsidized loans accrue
interest from the date of disbursement. Students have the
option of allowing the interest to accrue (adding it to the
principle) while they are in school or paying the interest on
a quarterly or annual basis. Students are encouraged to
consider paying the interest on their loans while they are in
school.

Repayment for unsubsidized loans begins 6 months
after students graduate, withdraw, break enrollment or drop
below half-time status. (The definitions of full-time status,
half-time status, and less than half-time status are defined
below.)

Definition of Student Status for Graduate Students
For the purposes of Federal Student Financial Aid, the
following student status’ are used to determine eligibility for
loans as well as to determine the cost of attendance for
graduate students.
• Full-time Status For federal student aid purposes,
  graduate students are full-time when enrolled for 9 or
  more credit hours during a 15-week semester.
• Part-time Status Graduate students are half-time
  students when enrolled for 5 to 8 credit hours during a
  15-week semester.
• Less than Half-time Status students are less than half-
time students when enrolled for less than 5 credit hours
during a 15-week semester.

Definition of Student Status for Doctor of Counseling
students
For the purposes of Federal Student Financial Aid, the
following student status’ are used to determine eligibility for
loans as well as to determine the cost of attendance for
Doctor of Counseling students.
• Full-time Status. For federal student aid purposes,
  Doctor of Counseling students are considered full-time
  when enrolled for 6 or more credit hours a semester.
• **Half-time Status.** For federal student aid purposes Doctor of Counseling students are considered half-time when enrolled for 3 to 5 credit hours a semester.

• **Less than Half-time Status.** By the very nature of the program, doctoral students cannot be less than half-time.

**Annual Federal Loan Limits (Effective July 1, 2012)**

Annual Federal student loans for graduate students is limited to $20,500, or the maximum as determined by the Cost of Attendance (COA) for the specific program if the COA is less than the annual limit of $20,500 (see Cost of Attendance for Direct and Indirect costs found earlier in this section).

**Aggregate Loan Limits (Effective July 1, 2008)**

The aggregate loan limits for graduate students is $138,500 (no more than $65,500 of which can be subsidized). Note: Graduate aggregate loan limits include all unpaid loans taken for undergraduate degrees.

**Federal Graduate PLUS Loans**

The Federal Graduate PLUS loan is available to graduate students as additional assistance after the Direct Loans have been utilized. This is a credit-based loan with adjustable interest rates. Students should contact Financial Services regarding this loan option prior to application. As a reminder, the total amount of financial assistance (including scholarships and loans) cannot exceed the student’s cost of attendance.

**Loan Disbursement - Federal Loans**

Loans will be disbursed in the following manner:

- Disbursements will be determined based upon enrollment in full semester and 8 week terms (see examples below)
- Disbursements will occur approximately 14 days after the student becomes eligible (actively attending at least half-time)
- Loans pay toward current outstanding balances first.

**Loan Example:**

An undergraduate student is planning to borrow federal loans and is enrolled in a 3 credit hour full semester class and a 3 credit hour class occurring during the B term (second 8-week term) of the semester. The student meets eligibility requirements and can expect the full loan to release to his student account approximately 12 days after his B term class begins.

The refund will be processed within 14 days after the funds are showing as paid to the student’s account on the student portal. Students in this example can expect to make other payment arrangements until the eligibility requirements are met.

Aid will be delayed in disbursement for any student requiring an award adjustment because of a change in their registration.

If a student were taking a class in the full semester and both the A and B term, the loan would be disbursed 12 days after the full semester and A term begin. If a student were taking 2 classes in the B term only, the loan would be disbursed 12 days after the B term began. The half-time enrollment and 12 day criteria apply to all combinations of enrollment.

**Loan Deferments**

Midwestern participates in federal and state funded student aid programs involving loans and grants. Midwestern is eligible to certify deferments for federal or state educational loans obtained through other institutions. To qualify for a loan deferment, graduate students must be enrolled at least half time each semester. Information regarding loans and deferments are available through Financial Services. Typically a deferment form will need to be requested from the student’s loan agency or downloaded from the agency’s website; the form must then be completed by the student and taken to Financial Services for verification.

**Repayment Policy (Return of Title IV Aid)**

The federal government mandates that students who withdraw from all classes may only keep the financial aid (federal Title IV grant and loan assistance) they have “earned” up to the time of withdrawal. A student who has federal aid and withdraws before 61% of the semester has elapsed is evaluated according to the U.S. Department of Education guidelines and formula.

To determine the percentage of aid earned, the calendar days completed in the semester are divided by the total days in the semester. Weekends are included, but scheduled breaks that are at least five (5) days in length are excluded. If the student completes more than 60% of the semester, 100% of the aid is earned for the semester. If the student completes 60% or less of the semester, the portion of federal aid determined to be unearned must be repaid to the federal aid programs. The formula used to determine the required return of federal and other student financial aid is finalized within 30 days of the withdrawal date.

For students receiving federal aid, the refund must first be repaid to the Title IV programs, state grants, and institutional funds in accordance with existing regulations in effect on the date of withdrawal and with respect to various types of aid. Financial Services should be contacted for a calculation of the actual amount the student must return.

If a student has not earned all of the federal financial aid received to date at the point of withdrawal, funds are repaid in the following order: Federal Unsubsidized Direct Loan, Federal Subsidized Direct Loan, Federal PLUS Loan, Federal Pell Grant, state grant and scholarship funds, institutional financial aid, outside scholarships.
In the event a student has received funds for living expenses and an overpayment of federal grant funds occurs, Midwestern notifies the student of the overpayments. The student is responsible for returning the overpayment to the proper federal grant program. Students who fail to repay overpayments are not eligible for additional financial aid funds at any institution until the overpayment has been satisfied.

Cancellation of Federal Financial Aid

Students who have been awarded federal financial aid from Midwestern are subject to the cancellation of their federal financial aid and the removal of the aid previously credited to their accounts for the following reasons:

- Withdrawing from school
- Ceasing to attend classes
- Dropping below half-time status

Cancellation of federal financial aid is made in accordance with current federal regulations and is processed by Financial Services.

Enrollment and Academic Decisions Affecting Your Aid Eligibility

Your financial aid award is an estimate of your federal and institutional eligibility. There are factors that can change, lower or even eliminate your financial aid eligibility. It is important to understand how academic decisions can affect your financial aid. You are always encouraged to contact financial aid with any questions prior to making any of the following changes:

- Not attending, dropping, or withdrawing from courses and/or terms you are registered to attend
- Completely withdrawing from Midwestern
- Failing to properly withdraw from Midwestern
- Failing to maintain Financial Aid satisfactory academic progress
- Providing incomplete or inaccurate information during the application process
- Receiving additional sources of aid (such as outside grants or private loans)
- Changing enrollment level (some scholarships require full-time enrollment; Stafford loans require half-time enrollment)
- Defaulting on a student loan or having an unresolved federal grant overpayment
- Providing false or misleading information
- Receiving federal aid for the same academic year at another institution
- Repeating a course for which you already received a passing grade more than once.

Cancellation of Midwestern Scholarships and Other Financial Aid

- Dropping Classes – Midwestern scholarships and other institutional financial aid require a student to have the official status of “full-time.” A student who drops below full-time status through the 100% add/drop date loses eligibility for scholarships and any awarded institutional aid will be removed.
- Withdrawing from School – The scholarships of a student who withdraws from school during the institutional refund period, as defined in the Financial Information section of the catalog, are prorated based on the tuition refund schedule for that semester. No scholarship funding is adjusted for students who withdraw after the institutional refund period.

Department of Veterans Affairs (VA) Educational Assistance

Students may receive benefits under one of the following program chapters:

- 30 - Montgomery GI Bill-Active Duty
- 31 - Vocational Rehabilitation and Employment (R&E) VetSuccess
- 32 - The Post-Vietnam Veterans’ Education Assistance Program, or VEAP
- 33 - Post-9/11 GI Bill
- 35 - Dependents’ Educational Assistance program, or DEA
- 1606 - Montgomery GI Bill-Selected Reserve
- 1607 - Reserve Educational Assistance Program (REAP)

The website [www.gibill.va.gov](http://www.gibill.va.gov) provides further information.

Applying for Benefits

A student who has previously used his/her VA educational benefits should complete and submit a Request for Change of Program or Place of Training (VA 22-1995) or a Certificate of Eligibility VA (26-1880) to the Military Benefits Liaison in Financial Services.

A student who has never used VA educational benefits should apply for benefits at [www.gibill.va.gov/apply-for-benefits](http://www.gibill.va.gov/apply-for-benefits). A Certificate of Eligibility from the VA will be mailed to the student approximately 6–8 weeks after the application has been processed. The student should then forward a copy of the Certificate to Financial Services. The VA will notify the student in writing if the student is not eligible for benefits.

Once the student is granted benefits and has received a Certificate of Eligibility, the student should enroll in class as a fully-admitted, degree-seeking student. The student must notify Financial Services any time he/she has a change in enrollment.

As a general policy, Midwestern encourages all current or former military students, especially undergraduates, to...
file the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov.

**Certification and Payment**

Financial Services certifies student enrollment to the VA through VAONCE, which will then send payments directly to Midwestern for Chapter 33 and 31 students.

Veteran students enrolled through Montgomery GI Bill -Active Duty (CH-30), Montgomery GI Bill-Selected Reserve (1606) or Reserve Educational Assistance Program-REAP (1607) must verify enrollment through Web Automated Verification of Enrollment (W.A.V.E.) www.gibill.va.gov/wave/index.do.

These students are paid directly and should make tuition payment arrangements with Financial Services. If payment has not been received within a reasonable amount of time after certification, the student is responsible for contacting the VA directly to determine the cause.

Questions concerning the amount of payment should also be directed to the VA. The VA may be contacted by phone at 888-442-4551 or by email at https://gibill.custhelp.com/app/answers/list.

**Tuition Assistance Program Eligibility for Active Duty Military, National Guard, and Reservists**

**Up-Front Tuition Assistance (TA)**

Military Tuition Assistance (TA) is a benefit paid to eligible members of the Army, Navy, Marines, Air Force, and Coast Guard. Congress has given each service the ability to pay up to 100% for the tuition expenses of its members.

Midwestern is a signatory of the Department of Defense (DoD) Tuition Assistance Program Memorandum of Understanding (MOU) and eligible to receive TA. TA is not a loan; it should be viewed as money earned just like base pay. TA is usually paid directly to Midwestern by the individual service for tuition and eligible fees.

Active duty military and reservists interested in obtaining Tuition Assistance must check with their Education Services Officer to determine whether they are eligible. Students are encouraged to contact their Education Office at least 30 days prior to their anticipated enrollment date.

Each service has its own criteria for eligibility, obligated service, application processes, and restrictions. Students should log on to the following links to apply for TA authorization:

**Army:** www.goarmyed.com/public/public_tuition_assistance_policies.aspx

**Navy:** www.navycollege.navy.mil/

**Air Force (Common Access Card required):** www.my.af.mil/faf/FAF/faHome.jsp

Once students are approved for TA and are fully admitted, degree-seeking students at Midwestern, they must notify the Military Benefits Liaison in Financial Services for certification and processing. The education office should send payment directly to Midwestern.

Students are encouraged to keep copies of all forms for their records. Students who are eligible for Tuition Assistance may be required to pay the portion of their tuition and fees that are not covered by TA prior to registration.

A final grade report will be submitted electronically to the education office after the student completes the course(s). Students consent to the release of their grade(s) by signing the Tuition Assistance form.

**SCHOLARSHIPS AND GRANTS**

Institutional grants and scholarships are awarded to qualifying students. As a general rule, Midwestern does not allow the ‘stacking’ of institutional scholarships unless otherwise noted. Midwestern will award the institutional scholarship that provides the greatest benefit to the student.

**Institutional Grants**

**Student’s Child Tuition Grant.** Children of full-time, degree-seeking students (twelve or more credit hours for undergraduate students and nine or more credit hours for graduate students) are eligible to receive a Student’s Child Tuition Grant. The grant is 25% of the child’s tuition rate. The grant does not apply to fees. The student’s child tuition grant does not apply to children of doctoral students. Online courses do not qualify toward this grant.

**Student’s Spouse Tuition Grant.** Spouses of full-time, degree-seeking students (twelve or more credit hours for undergraduate students and nine or more credit hours for graduate students) are eligible to receive a Student’s Spouse Tuition Grant. The grant is 50% of the spouse’s tuition rate. The grant does not apply to student fees. The student spouse tuition grant does not apply to spouses of doctoral students. Online courses do not qualify toward this grant.

**Academic Scholarships**

All scholarships are awarded to fully admitted, degree-seeking students. Students must be enrolled full-time to be considered for any of the following scholarships.

**Academic Excellence Scholarship**

This scholarship is available for the initial academic year of enrollment only to students with a GPA of 3.5 or higher in their baccalaureate degree or graduate transfer work. *(This scholarship is funded in part by the Samuel Ayers and Mildred Ayers Scholarship Fund.)*

**Church Match Scholarship**

This scholarship is available for the initial academic year of enrollment. Midwestern will match $250 for any student whose church donates a minimum of $500 toward their education. A Church Match Scholarship form, found
Financial Information

on the web site, must be completed and submitted with the church scholarship. Online students are not eligible for this scholarship.

Returning Journeyman/ISC Scholarship

This is a full-tuition scholarship for the first two semesters at Midwestern’s main campus, awarded to a Journeyman or ISC participant returning from service with the International Mission Board. The recipient must be fully admitted and enrolled full-time in an MDiv or MA program within one year of service completion.

This is a nonrenewable scholarship. Applicants may not transfer from another seminary to Midwestern.

IMB Personnel Scholarship

This scholarship is available to all appointed IMB personnel who are currently completing or who have completed field personnel orientation at the International Learning Center (ILC). This scholarship covers 50% of tuition charges for online and on-campus classes. Eligible IMB Personnel include: Career and Apprentice Missionaries, Journeyman (while on field deployment) and International Service Corps.

Prior to the initial scholarship award, students must complete the IMB Personnel Scholarship form (request from Financial Services). This form must be on file prior to the initial award. If at any time the student ceases to be eligible due to a change in IMB Missionary status, Midwestern must be notified immediately.

Outside Scholarships

Outside scholarships are scholarships that students will use as additional funding. Scholarships may be awarded from foundations, churches, retail businesses, etc. Outside scholarship awards combined with other financial aid cannot exceed the cost of attendance.

Financial Services requires written confirmation from the scholarship donor. Notification of the outside scholarship award should be sent as early as possible in order for the scholarship to be included in the financial aid award.

Endowed Scholarships

Each year Midwestern’s students benefit from scholarships donated by individuals and organizations to financially assist students with paying their educational expenses. To receive primary consideration, students are encouraged to submit the scholarship applications by July 1 for the Fall semester and November 1 for new students in the Spring semester. Midwestern’s scholarship applications are generic, so only one application needs to be completed in order to be considered for most scholarships. The Endowed Scholarship application can be found on the Financial Aid page of Midwestern’s website: www.mbts.edu/admissions/financial-aid
Academic Information

The Seminary does not discriminate on the basis of race, color, national or ethnic origin, or gender in the administration of its educational policies, admission policies, scholarship and loan programs, or any other programs and activities, and complies with applicable nondiscrimination laws.

The Seminary offers both Master’s and doctoral degree programs.

General Requirements

Students wishing to enroll in a Master’s degree program must meet the following requirements:
- Possess an earned baccalaureate (undergraduate) degree from an accredited institution
- Be able to enunciate a clear testimony of conversion to faith in Jesus Christ.

Students wishing to enroll in a doctoral degree program must meet the following requirements:
- Possess an earned baccalaureate (undergraduate) degree from an accredited institution
- Possess an earned Master’s degree from an accredited institution
- Be able to enunciate a clear testimony of conversion to faith in Jesus Christ.

Prerequisites for a Graduate Degree

Students desiring to earn one of Midwestern’s graduate degrees are required to have completed an accredited baccalaureate degree or its equivalent. Midwestern adheres to the Association of Theological Schools’ standards that limit the number of students who are accepted from non-accredited schools. Applicants for the Doctor of Ministry degree are to have an accredited M.Div degree or its equivalent. Applicants for the Doctor of Educational Ministry degree are to have an accredited M.A.C.E. degree or its equivalent. Specific requirements for admission to doctoral programs are outlined in the appropriate doctoral degree guide, which is available from the Doctoral Studies Office.

Students with degrees from non-accredited schools may be granted acceptance on the basis of scholastic probation. Qualified undergraduate students who have not completed the requirements for a baccalaureate degree may request to enroll in a master’s level course by obtaining approval using the Undergraduate Student Request to Register for a Master’s Level Course form which is available from the Registrar’s Office.

Educational Preparation

Students who plan to enter seminary after college should plan their undergraduate curriculum with future studies in mind. In order to prepare for advanced theological study, students should have an understanding and awareness of themselves and their cultural, political, and social milieu. They should have a basic knowledge of the Bible and religious history and be aware of theological thought. As part of the educational preparation, the student should also develop good English and communication skills. A student must be able to write and speak clearly and correctly and be able to think logically and in an organized manner. A student will also benefit from being proficient in reading at least one foreign language.

The faculty at Midwestern Seminary in principle affirms the following statements on pre-seminary studies by the Association of Theological Schools:

General Principles
- Schools should require evidence that a student has developed to a satisfactory degree the ability to think independently, to communicate effectively, and to do research
- Students should possess a basic general knowledge of past and present culture through studies in the humanities and the natural social sciences
- The biblical languages are useful tools that may be acquired in the pre-seminary period. Latin is important, especially in some traditions. Modern languages such as German, French, and Spanish are also valuable.

Religious Studies
- The study of religion is appropriate within a liberal arts education. Students should be discouraged, however, from anticipating, to any considerable extent at the undergraduate level, work that will form part of their seminary program. Such anticipation may narrow the base on which later theological reflection will rest and may also create problems in planning an integrated program in the theological school.
- Seminaries, on their part, should attempt to accommodate students with advanced undergraduate work in the area of religion. (Advanced Standing by Examination and Course Waiver by EXCEL Examination later in this section provides further information.)
Special Circumstances
- Specific curricular requirements may be required by member schools.
- A demonstrated competence, e.g., in business or a profession, may be considered a helpful part of pre-seminary preparation.
- Candidates whose formal preparation is deficient may be required to undertake remedial study at the undergraduate level, even though they hold an accredited bachelor's degree.
- Accepted measuring tests, such as the Graduate Record Examination, are appropriate aids to evaluate applicants.
- Schools should assess by letters of reference and, if possible, by interview, their applicant's maturity, emotional stability, skill in personal relationships, and commitment to theological study.

How to Apply for Degree-Seeking Students
To apply for admission to Midwestern Seminary, go online to www.mbts.edu and click on “Apply Now.” All applications are to be initiated online.

The applicant will provide some basic personal information at the time the application is initiated, and a nonrefundable application fee will be required. Subsequently, the applicant will receive from the Admissions Office a list of additional documents required for the application process to be complete, along with detailed instructions regarding these required items. Required documents include:

- A Church Endorsement Form certified by the church where the applicant is a member
- Three personal reference forms – one must come from the applicant’s pastor
- Official transcripts of all academic work from all schools attended should be sent directly to Midwestern’s Admission Office
- A brief written testimony of conversion to faith in Christ
- If married or engaged, a brief essay by the spouse or fiancé indicating support for the study plans
- If applicable, brief explanation of any divorce
- Health, financial, and local church information forms
- For additional documents required from international students, see “International Student Requirements” in this Admissions section.

Non-English Transcripts
If original transcripts are in a language other than English, they should be accompanied by a complete English translation. Additionally, students submitting non-English transcripts must have them certified by the World Education Services (WES) or the Foreign Credential Services of America (FCSA).

Send all application materials to the following address.
Admissions Office
Midwestern Baptist Theological Seminary
5001 N. Oak Trafficway
Kansas City, MO 64118-4697.

Once all required documents have been submitted to the Admissions Office by the applicant, a decision regarding admission will be made by the Admissions Committee as quickly as possible, and the applicant will be informed of the decision immediately via email.

An applicant may be accepted either unconditionally or conditionally. Students accepted unconditionally may be eligible for institutional scholarships and federal student aid. Those accepted conditionally are not. Reasons for conditional acceptance may include, but are not limited to such issues as delay in receipt of required documents, prior behavioral issues, low GPA, etc.

Divorce
Although Midwestern attempts to be a redemptive institution, students with serious family problems should defer seminary education. Prospective students with divorce in their histories will be asked to note that fact as a part of their application information and to provide an explanation of the circumstances surrounding the divorce. Prospective students with recent divorce need to wait until one year after the divorce to apply to attend Midwestern. A member of the Admissions Committee may ask for an interview with the prospective student prior to approval for admission.

English Proficiency
All degree-seeking students entering a master’s program at Midwestern for the first time are required to demonstrate mastery of written communication skills by achieving a combined grade point average of 2.5 or higher in a minimum of six semester hours of undergraduate English composition or its equivalent. Any student below this 2.5 GPA average or with fewer than six hours of undergraduate English composition will be required to take U-GE102 English Composition II or its equivalent at Midwestern or at a college or university approved by Midwestern within one year of the student's initial enrollment.

As an alternative to taking the course, graduate students who do not meet the English proficiency requirement will be allowed to complete the Credit by Exam for English Composition II using the online format. The student will be provided with the instructions for completing the exam, the study materials, and the exam via Blackboard. The student will be responsible for securing a proctor who will be present throughout the exam. The proctor must be approved by the faculty member who is managing the course. The proctor will
communicate his/her willingness to serve prior to the release of the study materials.

The proctor may not be a member of the student’s family or someone under the supervision of the student. The Seminary will provide a faculty member to manage the process of releasing test-taking materials, providing the exam, and grading the completed exam. The exam will be graded as pass/fail, and the exam results will be sent to the Registrar’s Office for notation on the student’s records. The nonrefundable fee for the testing procedure is $105.

Students not completing this requirement within one year will be suspended from enrolling until they have satisfied the requirement. U-GE102 English Composition II is a three-credit-hour undergraduate course and is not applicable toward any master’s level degree requirements. The level of English competency will be determined by an analysis of undergraduate transcripts. Those students required to take U-GE102 English Composition II or its equivalent will receive notification from the Registrar’s Office.

International Mission Board “2+2” or “2+3” Program

Midwestern offers the Master of Divinity degree, International Church Planting concentration in cooperation with the International Mission Board (IMB) of the Southern Baptist Convention. The concentration includes two years of study at Midwestern and two or three years of international field-based service and study in cooperation with the IMB (i.e., “2+2” or “2+3”). Students completing the program qualify for appointment as career missionaries with the IMB without additional stateside ministry experience.

Since the field-based service is part of the program, when a student completes the field service, he/she may return to MBTS within one year without readmission.

International Student Requirements

TOEFL

In addition to the general requirements for admission to Midwestern, any international student (i.e., a student with an F-1, J-1, or R-1 visa) whose native language is not English must take the Test of English as a Foreign Language (TOEFL). Korean speaking students who are in degree programs taught in Korean and Spanish speaking doctoral students in doctoral programs taught in Spanish are exempt from this TOEFL requirement.

The TOEFL score submitted to Midwestern must be from a test taken within two years of the applicant’s anticipated first date of attendance. The applicant’s TOEFL score report must be sent directly to Midwestern by the Educational Testing Service to be official. Applicants should not send copies of their personal score reports. The minimum TOEFL score for admission to Midwestern is a total score of 80 on the Internet-based test (iBT Test). Other forms of TOEFL exam are not accepted unless prior approval is obtained from the Admissions Committee.

Information about the TOEFL examination is available at most colleges and universities or may be obtained by writing the Educational Testing Service at: TOEFL/TSE Services, P.O. Box 6151, Princeton, NJ 08541-6151, USA, or online at www.ets.org/toefl. Use Midwestern’s school code (6441), to have the Educational Testing Service forward your score directly to Midwestern. The TOEFL score must be received by the Admissions Office before an international student’s application will be processed.

Proof of Adequate Financial Support

The U.S. Citizenship and Immigration Service requires that prospective international students who will be on an F-1 visa provide evidence of adequate financial support for the duration of their status as a student. Therefore, international students need to complete an International Student Certification of Finances form to provide evidence of their financial support for the duration of the international applicant’s study at Midwestern. This form must be submitted as part of the international student’s application. Family and friends that pledge support on this form are expected to make their money available in advance of the applicant’s entry into the United States.

International Student Application Process

International Students are advised to begin the Midwestern application process at least one year prior to the anticipated date of entry. The application process can be initiated online by going to www.mbts.edu and clicking on “Apply Now.” Detailed instructions will be provided regarding how to submit the student’s TOEFL scores and International Student Certificate of Finances. These two items, along with all other required documents, must be received by Midwestern for the student’s application for admission to be processed. All application materials must be received by the Admissions Office at least 90 days prior to the anticipated date of entry.

If accepted as a student each international student upon arrival at Midwestern is also required to show proof of having health insurance for themselves and their family, if applicable. After the prospective international student’s application for admission is approved, Midwestern will send the applicant a Certificate of Eligibility for Non-Immigrant F-1 Student (Form I-20). Using the information on the I-20 form, the international applicant must next complete an I-901 form and pay the fee in U.S. currency. Instructions for completing the I-901 form and paying the fee are available at the U.S. Department of Homeland Security and Immigration and Customs Enforcement website: www.fmjfee.com/I901fee.

Upon completion of the I-901 form and payment of the required fee in U.S. currency, the international applicant must present the I-20 form along with a receipt showing
that the I-901 fee has been paid to a U.S. Consulate or Embassy. If approved, the U.S. Consulate or Embassy will then issue the international applicant a visa for entrance into the United States.

**Macedonia Project**

The Macedonia Project is a joint ministry initiative between the International Mission Board and Midwestern Seminary. The first step in the process is for the IMB to approve those who enter this program. Successful candidates for the program are accepted in the International Service Corps (ISC) to study on-line at one of the six Southern Baptist seminaries while serving on the field. Once the missionary candidate is accepted by the IMB to enter the Macedonia Project, then the student/candidate will choose a seminary for study. The student will enter the MBTS MATS (Master of Arts in Theological Studies) program of 45 hours. MBTS agrees to give the successful candidate a 50% scholarship for each class taken. The IMB agrees to reimburse the seminary for the other 50% of the cost of each class.

**New Student Orientation**

All new students are required to attend New Student Orientation prior to the student’s first semester at Midwestern. Dates for this event are listed in the Academic Calendar at the beginning of this catalog. Orientation sessions are offered on the Kansas City campus just prior to the start of the fall and spring semesters.

New online students are enrolled in New Student Orientation online immediately when fully and conditionally admitted. Students are required to complete NSO during the term for which they are enrolled. Initial enrollment in the course is free. Students who fail to complete the NSO the first time will be enrolled a second time and charged a $25 fee. Each time students have to retake the course they will be charged this fee.

**Nondegree-Seeking Students**

A nondegree-seeking student is any student who is taking classes for credit or auditing a course(s) at Midwestern, but has not been admitted into any degree program. To be eligible to take master’s level courses as a nondegree-seeking student, the student must have completed an undergraduate degree, complete the Nondegree-Seeking Application for Admission, and be formally admitted. No nondegree-seeking student is eligible to receive Federal Student Aid. A maximum of 30 credit hours may be taken as a nondegree-seeking student.

**Application Process**

To apply as a nondegree-seeking student go online to www.mbts.edu and click “Apply Now” or “Apply Online.” All applications are to be initiated online.

The applicant will provide some basic personal information at the time the application is initiated, and a nonrefundable application fee will be required. Subsequently, the applicant will receive from the Admissions Office a list of additional documents required for the application process to be complete, along with detailed instructions regarding these required items.

**Required documents includes the following:**

- Pastor’s Recommendation Form, fully completed and signed by applicant’s pastor
- Master’s applicants: college transcripts
- Undergraduate applicants:
  - Transcripts of any college coursework previously taken
  - If the applicant has already received a bachelor’s degree, documentation of that degree is required
  - If fewer than 30 semester hours of college coursework have been completed, a high school transcript and SAT or ACT scores must also be submitted (in addition to transcripts of college coursework previously taken).

Submit all application materials to the following address:

Admissions Office
Midwestern Baptist Theological Seminary
5001 N. Oak Trafficway
Kansas City, MO 64118

The applicant will be informed by the Admissions Office regarding the status of his/her application as soon as a decision is reached. All applicants must meet regular admission standards as listed in the College (undergraduate) or Seminary (graduate) catalogs.

**Practicums**

Field-based practicums are supervised practical application learning opportunities. The student works with an instructor or professor-of-record and field supervisor. The field supervisor may, or may not, be onsite with the student, which makes it possible for a student to work through a practicum with an expert in his or her ministry area. Field-based practicums are included on both on-Campus and the Online Schedules. The learning experiences include reading, reflection, research, projects, collaboration, written assignments, and field-based evaluation. Practicums vary in length.

**Readmission**

Students who have not attended Midwestern within the past two calendar years (i.e., 24 consecutive months) must complete an Application for Readmission and return under the current academic catalog requirements.
Appeals may be made to the Academic Policies Committee.

Testing Services’ School Codes for Midwestern

The Test of English as a Second Language (TOEFL) school code for Midwestern is 6441. Information about the TOEFL examination is available online at www.ets.org/toefl. Using Midwestern’s code allows the Educational Testing Service to forward the score directly to Midwestern. The TOEFL score must be received by the Admissions Office before an international student’s application will be processed.

The Graduate Record Examination (GRE) school code for Midwestern is 6441. Information about the GRE examination is available online at www.ets.org. A GRE score is optional, i.e., not required, for admission to Midwestern.

Transfer Credit

Two-thirds of the credits required in a MBTS degree may be granted on the basis of transfer credits. To be eligible for transfer, courses must meet the following requirements:

- The course must be equivalent in content and requirements to courses in the Midwestern catalog.
- The course must meet a Midwestern degree requirement.
- The student must have a recorded grade of C- or higher for master’s and B or higher for doctoral transfers.
- When MBTS determines it will accept credits applied to other graduate degree programs, not more than half of the credits required for the other degree may be transferred. For example, a student with the 45 hour MATS degree could transfer up to 40 hours into the 81-hour MDiv program or 45 hours into a 90 hour MDiv program.

Qualified U.S. military chaplains admitted to Midwestern’s DMin program may request the transfer of up to 12 credit hours toward the DMin degree for military training in such areas as Chaplaincy Officer Basic Course, Chaplaincy Officer Advanced Course, and/or ILE/CGSC training. At least one third (10 hours) of the 30 hours required for the DMin degree must be completed at Midwestern.

Graduate students transferring from unaccredited institutions (an institution of higher education that is not accredited by a regional or institutional accrediting agency recognized by the Council for Higher Education Accreditation and/or the U.S. Department of Education) may validate transferable master’s level coursework with EXCEL exams and/or faculty validation of competency. Upon successfully passing the exam or faculty validation, the student will be awarded transfer credit. For further information, see the Course Waiver by EXCEL Examination in the Academic Policies section of this catalog.

ACADEMIC POLICIES

Academic Appeal Process

Students desiring to request exceptions to academic policies and regulations are to submit a written statement explaining the request and the reasons for it to the Academic Dean or Registrar for consideration by the Academic Policies Committee. The Academic Office or Registrar’s Office should be contacted about procedures and/or forms.

Academic Probation

To remain in satisfactory academic standing, master's degree students and undergraduate students must maintain a cumulative grade point average (GPA) of 2.0 or higher for all coursework taken at Midwestern. The Registrar will notify each degree-seeking student whose cumulative GPA falls below 2.0 that the student is being placed on academic probation, that the student may enroll for no more than 9 graduate credit hours or 12 undergraduate credit hours per semester while on academic probation, and that the student is automatically enrolled in a study skills course (GS90 Study Skills, 1 hour) when the student registers the next term/semester. The study skills course is required each semester while on probation. A student may not enroll for Study Skills without enrolling in at least one other course. Credit for Study Skills does not count toward meeting degree requirements. For further information, see the Study Skills policy later in this section of the catalog.

Being placed on academic probation will affect a student’s eligibility to receive financial aid. Students receiving financial aid should also see the Satisfactory Academic Progress policy under Financial Aid in the Finance section of this catalog. Students under extenuating circumstances may provide a basis for an appeal to enroll in additional classes. Appeals may be made to the Registrar’s Office.

The student who fails to attain at least a 2.0 cumulative GPA by the conclusion of the second semester of the probationary period must withdraw from Midwestern for at least one semester. The student who anticipates returning to Midwestern should seek advice in advance from the Admissions Office as to what components would be necessary for readmission. After the withdrawal period, the student may apply for readmission. If the student is readmitted, he/she must achieve a cumulative GPA of 2.0 or above within the following two semesters. Otherwise, the student is ineligible to continue studies at Midwestern without permission from the Academic Policies Committee.
Doctoral students should consult the appropriate doctoral program guide for the policy regarding satisfactory academic standing that applies to them.

Advanced Standing by Examination—Master’s

The Advanced Standing Program offers qualified, degree-seeking graduate students the opportunity to test out of selected foundational courses, not to exceed 25% of the total credit-hours required for any degree. Successful completion of an advanced standing examination satisfies the specific course requirement covered by the examination and reduces the number of credits needed to graduate. As such, advanced standing credit generally is not transferable to other institutions. Advanced standing examinations must be taken at the main campus of MBTS.

Candidacy for Advanced Standing Examination

To test out of a foundational course the advanced standing candidate must meet the following criteria, as certified by the Registrar’s Office:

1. Satisfactory completion of a comparable undergraduate course having the same general content
2. Having a B grade or higher in the comparable course
3. Having an overall undergraduate GPA of 3.0 or higher on a 4.0 scale.

Prerequisites 1-3 may be waived in the case of students who show initial evidence of serious study for the course outside a formal undergraduate setting.

Examination Logistics and Applicable Fees

Degree-seeking students who wish to test out of a course will be charged a $40 per credit hour testing fee. One week before attempting the examination, the advanced standing candidate will receive a study guide for the course to be ‘challenged’ by examination. If the student does not take the examination within eight days of receiving this study guide, the option of testing out of that course will be forfeited. The candidate is forbidden to copy, photograph, or otherwise capture the information given in the advanced standing study guide; and the study guide itself must be surrendered at the time of the scheduled examination.

The Academic Development Office will notify the student and the Registrar’s Office of the examination results. If the student passes the examination, a ‘P’ (passing grade) for that course will be noted on the student’s transcript. If the student fails the examination, the student will be required to take that course and will not be given the opportunity to retake the qualifying examination. Since courses are offered on a rotating basis, the student will be responsible for ensuring that the qualifying examination is taken early in the student’s degree program, leaving sufficient time to take the required course within the established course rotation.

Students desiring to take an advanced standing examination are to obtain an Application for Advanced Standing from the Registrar’s Office. Students must complete a separate form for each course. Students having met the requirements to take an advanced standing examination must obtain certification to this effect from the Registrar Office and submit the completed form to the Academic Development Office for the examination to be scheduled.

Qualified students may earn advanced standing for up to 25% of a degree program from the following courses:

Attendance

Midwestern expects regular attendance in all classes and students must inform professors of anticipated absences. A student must attend at least 75 percent of class sessions to receive credit. Failure to attend 75 percent of class sessions will result in the student receiving a failing grade for that course. Students who fail to participate in an online course for 14 calendar days, or who miss more than 25% of the total sessions of an on-campus course, will be assigned a grade of “FN,” unless they make prior arrangements with the course instructor. Professional doctoral students must submit an appeal to the Director of Doctoral studies. Research doctoral students must submit appeals to the PhD Director. These appeals will be presented to the Doctoral Studies Committee for a decision.

Professors will record student attendance for every course. If an enrolled student has never attended a course or has ceased to attend or has missed more than 25 percent of class sessions, the professor will notify the Registrar’s Office of the student’s last date of attendance or non-attendance. Students who begin a course, but at some point in the semester cease attending, and who do not provide official notification, will be assigned a grade of “FN” (failure for non-attendance), and dated to the student’s last date of attendance/participation. A grade of
“FN” will be assigned when a student stops attending and/or participating in a class for 14 days or longer.

Attendance must be “academic attendance” or “attendance at an academically-related activity” as required by a professor or an academic degree program. Examples include the following:

- Physical attendance in a classroom where there is direct interaction between the instructor and student
- Submission of an academic assignment
- Examination
- Computer-assisted instruction
- Study group assigned by professor
- Participation in online discussion about academic matters.

Auditing

Auditing students do not receive academic credit for the audited course, and the hours taken are not computed in the student’s grade point average. After the last day to add a class (i.e., the end of the first week of classes), a class audited may not be changed to a credit class. Only regularly scheduled courses may be audited and then only for the scheduled hours. Auditors attend class under the regular class attendance policy. Auditors do not take examinations or quizzes and do not submit assignments for grading by the professor. Participation in class discussions or activities is at the discretion of the professor and requires advance preparation or knowledge of the subject or topic by the auditor.

Auditing for Non-Admitted Students

Students not currently admitted, but who desire to audit classes (on a non-credit basis), must complete the Non-Admitted Auditor’s Enrollment form and pay the applicable audit fees. Auditing students do not receive academic credit for the audited course, and the hours taken are not computed in the student’s grade point average. Auditors attend under the regular class attendance policy. Auditors do not take examinations or quizzes and do not submit assignments for grading by the professor. Participation in class discussions or activities is at the discretion of the professor and may require advance preparation or knowledge of the subject or topic by the auditor.

Catalog Requirements

Students are required to satisfy degree requirements according to the Academic Catalog that is in effect for the term in which they first enroll at Midwestern. Students not attending Midwestern for more than one year (12 consecutive months) are required to meet requirements from the catalog in effect at the time they reenroll unless prior arrangements have been approved by the Academic Policies Committee. Students may petition the Registrar in writing to meet degree requirements from a more recent catalog provided they are enrolled when that catalog is in effect.

Closure or Delayed Opening for Inclement Weather

Closure or delayed opening of the Kansas City campus due to inclement weather is at the discretion of the President or designated administrator. Unless notified otherwise, the cancellation of Kansas City classes will be announced primarily on the MBTS website. Notice may also be given on local Kansas City television stations. When classes are not cancelled during inclement weather conditions, students should use discretion to prevent endangering themselves or others by attempting to travel to class during dangerous or intimidating conditions or situations. Consideration will be extended to students who cannot make it to class due to safety concerns, children at home, etc.

Computer-Campus-Computer (CCC) courses

Computer-Campus-Computer (CCC) courses are designed to be equivalent in content to full semester courses. Students begin four weeks prior to the one week of intensive lectures on campus with preparation by the student at home via the computer and/or email. These courses are offered during the fall and spring break and during summer and winter breaks. Classes meet Monday through Friday for a week. After the one-week, on-campus class, the student finishes course assignments and/or tests via the computer and/or email for the next four weeks. Students utilize the MBTS email address and the internet to complete the CCC Course.

Course Changes (Add/Drop or Withdrawal)

Students are encouraged to finalize their course schedule before the matriculation date. A course change fee is charged per occurrence after the matriculation due date. Ceasing to attend a class at any time without processing a Class Schedule Change Form does not constitute an official drop/withdraw and will result in a failing grade being issued.

Students are responsible for completing and filing the Course Schedule Change Form with the Registrar’s Office by the published deadlines. Students dropping the last or only class in which they are enrolled will need to complete an Exit Form in addition to the Course Schedule Change Form.

Withdrawing from courses not only affects a student’s academic progress, but also may have consequences for financial aid, housing eligibility, or visa status. Financial aid is paid based upon the student’s status. Dropping below full time status may require the student to vacate on-campus housing unless prior approval was obtained. The student should refer to the following sections in this catalog for more information: Withdrawal from Seminary in the Academic Information section, Tuition Refunds...
Schedule in the Financial Information section, and the Registration Calendar in the front section of this catalog for exacts dates and deadlines.

**Adding On-Campus Courses**
Students may add new courses until Friday (4pm) of the first week of the semester, subject to eligibility, space availability, and the policy governing maximum course load. No on-campus class can be added after the end of the first week.

**Adding Online Courses**
Students may add online courses until 4 pm on the first day of a class. No online classes can be added after the first day of a term.

**Withdrawal From On-Campus Classes**
Withdrawing from a 15-week long on-campus course after the end of the first week of a semester, but prior to November 1 (fall semester) or April 1 (spring semester), will result in a “W” (withdrawn) grade. Students may not drop or withdraw from a 15-week, on-campus course after the above dates, except for medical reasons or other emergencies. After the fall and spring deadlines, the student will receive a grade of “F” if he/she does not successfully complete the course. Exceptions are made by the Academic Policies Committee. In the case of an approved exception, the professor may assign a “WP/WF” (withdraw passing or withdraw failing) grade as appropriate. Courses dropped during the first week of a semester will not appear on the student’s transcript. “W”, “WP”, or “WF” grades will not be computed in the students GPA.

**Withdrawal from Online Classes**
Students may drop or withdraw from online courses during the first two weeks of the term and will be assigned a “W” (withdrawn) grade with a fifty percent refund of tuition. Students may not drop or withdraw from an online course after the second week, and will receive a failing grade if they do not successfully complete the course. Exceptions may be granted by the Online Academic Policies Committee for medical reasons or other emergencies. If a student is granted an exception, the professor may assign a “WP/WF” (withdraw passing or withdraw failing) grade as appropriate. Courses dropped on the first day of a term will not appear on the student’s transcript. “W”, “WP”, or “WF” grades will not be computed in the students GPA.

**Course Offering Cancellations**
Occasionally, cancelling a class may be necessary due to insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is determined by the Academic Dean. Every effort will be made to provide notice of the cancellation at least one week prior to the first scheduled meeting of the class. The Registrar’s Office will advise the student of the cancellation and any other options including the possible rescheduling of the class. MBTS does not assume responsibility for any graduation delay that might result from the cancellation.

**Course Repetition**
Students must repeat courses in which he/she receives a failing grade if the course is required for his/her degree. If a student earns a higher grade for the repeated course, the “F” is not removed from the transcript but is not calculated in the grade point average with the new passing grade. Students may repeat a previously passed course only once for the purpose of improving the letter grade. Students may repeat a failed course until he/she has passed the course. Courses repeated must be equivalent in both content and credit hours.

**Course Substitution**
The faculty has prescribed required courses according to the purposes of the various degree programs; therefore, permission to substitute other courses for the required courses is an exception requiring special approval. A student should obtain and complete a **Master’s Course Substitution/Waiver Request** form available in the Registrar’s Office. Signatures must be obtained for each course for which a substitution or waiver is requested.

Approval is required from a professor who normally teaches the course and the student’s academic advisor. If the course substitution or waiver is for a degree program Foundational Core course, approval must also be obtained from the Academic Policies Committee. If the substitution is for a degree program emphasis course, approval of the Academic Dean is also required.

**Coursework Requirements**
Course requirements such as readings, reviews, research, and term papers assume that students will invest a minimum of two hours out of class for every one hour in class. Students are advised to adjust their academic workload and employment to provide thorough preparation for each course.

**Course Waiver by EXCEL Examination**
Degree-seeking graduate students who believe they are competent in a required seminary course may apply to take an EXCEL exam to have the required course waived and receive entry into upper level course work. However, the student must complete the waived hours with additional electives. To be eligible to take an EXCEL exam, a student is to have earned an overall undergraduate GPA of 3.0 or higher on a 4.0 scale and have earned a grade of B (3.0) or higher in the course under consideration.

Students must apply for an EXCEL exam through the Academic Office at least two weeks prior to the
examination date. A nonrefundable fee of $25 is charged for each exam taken. Payment is due in advance or at the time of the examination. Examinations are graded on a pass/fail basis.

Credit Hour

A credit hour is an amount of work represented for the intended learning outcomes achieved in one hour of classroom instruction (i.e., a 50 minute class period) or direct faculty instruction plus a two-hour final exam taken during the fifteenth week or the equivalent.

In nontraditional or specialized courses (e.g., online, internships) where a course may not meet for the equivalent instructional time, instructors may use alternative instructional processes so that students achieve the equivalent learning objectives.

Credit Hour Load

Full-time. Doctoral students are continuously enrolled throughout their programs and are classified as full-time students. Students are enrolled in a minimum of one four-hour class or seminar each semester until they meet all requirements. Graduate students are classified as full-time when enrolled for nine or more credit hours during the fall or spring semesters.

Part-time. Graduate students are part-time students when enrolled for less than nine credit hours during a 15-week semester.

To complete a MDiv degree in three years or six semesters, students must take 15 or 16 hours each semester. Some programs may require additional hours. Students may not exceed the 18 hour maximum load limit without obtaining approval from the Academic Dean. Students placed on academic probation or making less than satisfactory academic progress may be limited in the number of credit hours they may take and, therefore, may be required to enroll in additional semesters to complete graduation requirements.

Cross-Enrollment through the Kansas City Association of Theological Seminaries

Regular enrollment in another ATS accredited theological seminary in the Kansas City area (Central Baptist Theological Seminary, Midwestern Baptist Theological Seminary, Nazarene Theological Seminary, and Saint Paul School of Theology) qualifies a student for cross-enrollment at Midwestern. Credit on work taken at Midwestern is transferable to the institution in which the student is enrolled.

Subject to prior approval of the Academic Dean, a degree-seeking student currently enrolled at Midwestern may request to enroll in a course at one of the other Kansas City Association of Theological Seminaries and have the course credited toward a degree from Midwestern. Normally, a student will take no more than four hours per semester in cross-enrollment. Courses taken must be electives. A student may not take more than eight hours in cross-enrollment toward a degree at Midwestern. Courses for cross-enrollment taken at Midwestern should be on-campus classes.

Degree Change

All requests to change degree programs, majors, or concentrations must be submitted to the Registrar’s Office using the Application for Degree Program Change. All forms must be signed by the student in order to be processed. Degree Program Change forms received by the Friday of the first week of the semester will be effective for the current semester. Any form received after this due date will become effective the following semester. Students should be aware that some credit hours may not transfer to the new degree. Degree requirements and other policies will be determined by the catalog in force at the time the degree change is made.

Students who are changing their degree from residential degrees to online degrees will be required to complete the online New Student Orientation (NSO) course. The Registrar’s Office will automatically enroll students in the NSO course. Students who fail to complete the NSO the first time will be enrolled a second time and charged a $25 fee. The $25 fee will be charged each time a student has to retake the course.

Degree Progress

Responsibility for degree progress ultimately belongs to the student. Students can view their degree progress through their student portal. The current curriculum for each degree is also available online at www.MBTS.edu. Students in need of assistance may contact the Registrar’s Office (Registrar@mbts.edu).

Duration of Degree Completion

Students should plan their courses in order to complete their degree within a reasonable time frame. Effective as of June 2, 2013, all course credits applied toward the following degree requirements should be earned within ten years of the awarding of the degree:

- Master of Divinity
- Master of Arts in Christian Education
- Master of Arts in Church Music
- Master of Arts, in Counseling
- Master of Theological Studies

Any exception to this policy must be approved by the Academic Policy Committee.
The Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include the following:

1. The right to inspect and review the student's education records within 45 days of the day Midwestern receives a request for access. The student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The Midwestern official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Midwestern official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. The student may ask Midwestern to amend a record the student believes is inaccurate or misleading. The student should write the Midwestern official responsible for the record, clearly identify the part of the record the student wants changed, and specify why the record is inaccurate or misleading. If Midwestern decides not to amend the record as requested by the student, Midwestern will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Midwestern in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Midwestern has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, Midwestern discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

Directory information (listed below) is generally considered not harmful or an invasion of privacy if released. Unless the Registrar’s Office is informed otherwise by the student in writing, directory information may be released by Midwestern without the student's permission.

Directory Information. The following information is considered to be directory information by Midwestern and, therefore, information that is generally not considered harmful or an invasion of privacy if disclosed:

- Name, address, & telephone listing
- Email addresses
- Participation in officially recognized activities
- Date and place of birth
- Photographs
- Dates of attendance, degrees, and awards
- Most recent previous school attended
- Class schedule/roster
- Field of study (program/major)
- Full-or part-time status

Students who do not want to release this information to anyone who does not have an authorized and/or legitimate need to know the above information should notify the Registrar's Office in writing of this desire and the noted information will not be released. If a student specifies that an address and/or phone number not be released, this action will prohibit even friends and relatives from being able to obtain that information from Midwestern.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Midwestern to comply with the requirements of FERPA. The name and address of the office that administers FERPA is as follows:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC 20202-4605

Final Examinations

Students are required to take final examinations at the times scheduled. School policy prohibits the taking of a final exam early. Students who are scheduled for three or more final exams on the same day may request permission from the course professor to reschedule one exam provided the request is made prior to the exam day. Forms for Final Examination Change Request are available in the Registrar’s Office. In addition, a student who is unable to take a scheduled final examination because of confining illness or some other serious circumstances should follow the same process as above.
Grades and Academic Assessment

To assist Midwestern in the ongoing assessment of student learning and achievement, students are asked to complete the confidential, internet-based assessment of their course(s). The confidentiality of student responses is ensured through a system that permits faculty to view only the summary data of each class. Individual student responses are flagged for tracking purposes only and cannot be identified by the faculty nor are they available to faculty. Course assessment(s) may be accessed through the student portal and are made available beginning with the last two weeks of the semester or term. Students have the option of completing the online course assessment at the end of the semester or term and retrieving the grade(s) for their course(s).

Students who do not have internet access may obtain access and/or assistance in Midwestern’s library. Students having difficulty accessing their online course information should contact IT personnel at 816-414-3763 or at helpdesk@mbts.edu.

Grades/Grade Reports

Final course grades are available to registered students through the Internet student portal once they have been received and processed by the Registrar’s Office. Students desiring to know their course grades prior to this distribution should contact the course professor(s), not the Registrar's Office. Students must have financial accounts with Midwestern in good standing before grades may be accessed at the end of each semester through the student portal.

Midwestern follows a 4.0 grade-point system to encourage academic achievement. Under this system grades are given certain numerical values per credit hour (the grading system chart is listed below). A failing grade in a course is permanently recorded on the student's transcript, but it is not included in grade point average computation if a student repeats and passes the course.

Incomplete Grade

An incomplete grade may only be reported for a student who has a passing grade in a course but who is unable to complete the final examination and/or final coursework due to serious illness of the student, serious illness or death in the student’s immediate family, or other unusual and substantial cause beyond the student's control.

Failure to appear for a final examination or failure to complete coursework as assigned is not a basis for an incomplete grade. Assigning an incomplete grade to a student must not provide the opportunity for the student to complete work beyond the end of the semester if the extension gives the student an advantage others in the course in similar circumstances did not have. Students are to submit the incomplete coursework/exam to the professor no later than two weeks after the last day of the semester or course. All Incomplete grades must be removed within three weeks after the semester or course in which the incomplete grade was given. At the end of three weeks, the grade defaults to the grade earned that was listed by the professor on the Incomplete Grade form.

The student's record shall bear the grade of "I" on any incomplete course until all work is completed. If the student does not submit the assigned work, the “I” grade will be changed to the grade reported as being earned-to-date which includes a zero for incomplete portion of assignments. A student whose circumstances are so extreme that they do not permit the submission of the work within the stated period may petition the Registrar for a further extension.

Independent Studies

The purpose of Independent Studies is to provide a degree-seeking student the opportunity for advanced research in specialized areas of academic pursuit. Independent Studies are not an alternative approach for completing courses that are available in regular curriculum offerings. A student who wishes to enroll for an Independent Study must meet the following qualifications:
1. The student has completed at least one-half of the hours required for the student’s degree program
2. The student shall not take more than 6 hours of the degree program as Independent Study courses without pre-approval from the Academic Policies Committee
3. The student has a cumulative grade point average of 3.0 or higher or approval of the Academic Policies Committee.

A student interested in taking an Independent Study must complete the following process:
1. Complete an application available in the Registrar's Office
2. Acquire the Registrar's signature verifying that the student meets the required qualifications
3. Enlist a professor willing to direct the Independent Study course. If a professor agrees to do so, a learning contract must be drafted and attached to the application.
4. Submit the completed application and learning contract to the Academic Dean for final approval no later than 14 days after the first day of classes of the semester for which the Independent Study is requested.

If approved, the application and learning contract are sent to the Registrar's Office to enroll the student for the Independent Study. The student is to complete the Independent Study course within the semester in which the student is enrolled in the Independent Study. In addition to normal matriculation fees, the student pays a course fee of $100 for the first credit hour and $50 for each additional credit hour for each Independent Study course.

Normally, a required course is not available as an Independent Study course. In cases in which the seminary is responsible for scheduling deficiencies respecting required courses, a student may request permission to take a required course as an Independent Study.

**Integrative Seminar Policy**

All new students (FA-14 and forward) are required to take Integrative I, II and III. All transfer students and current students who opt for the new curricular paths that require Integrative I, II and III (3 hours total) will substitute with GS1891 MTS Capstone Experience Course (3 hours).

**Integrity in Theological Studies**

The fundamental purpose of Midwestern is to assist the development of Christian ministers who are equipped to make responsible and relevant witness to the redeeming Gospel of Jesus Christ in the context of the vastly complex and rapidly changing modern culture in which God has granted us the grace of life. In accordance with this purpose, therefore, Midwestern dearly cherishes and earnestly seeks to foster among all its students the qualities of spiritual dedication, creative imagination, and personal integrity.

Consequently, the Administration and Faculty of Midwestern expect, as a minimum requirement, that each student shall do his or her own work. The student is to let every test and examination reflect only the best results of his or her own disciplined study. Likewise, every term paper and written report must represent the student’s own original approach to the task assigned, and they should not contain either direct quotations or paraphrases of any part of any other writer’s book or paper, published or unpublished, for which due credit is not given to the original author. Such credit should be acknowledged by proper citation (in text, footnotes, and bibliography) of the sources employed.

Unless otherwise instructed by the professor under whose direction the paper is prepared, Turabian’s *A Manual for Writers of Research Papers, Theses, and Dissertations* (with such supplements as may be prepared by the faculty) will serve as the guide for citing all sources.

It cannot be exaggerated how strongly Midwestern deplores plagiarism in all its forms. Dishonesty is incompatible with the very purpose for which a student avails himself of its ministries. It is to be desired that one remain without a degree rather than to obtain it by dishonest means, for Christianity cannot countenance conduct that contradicts its basic tenets. It is further to be hoped that each individual will recognize a responsibility for his brother as well as for himself in all such matters.

This statement was first adopted by the faculty of Midwestern on October 5, 1961, and continues to be affirmed by the current faculty.

**Leave of Absence**

Emergencies that require a student to withdraw from classes for a time are dealt with on a case-by-case basis depending upon the nature of the emergency. Midwestern seeks to respond to students according to their individual need in these cases.

**Library Use**

As a normal part of the educational process, students are expected to use the learning resources available in Midwestern’s library for completing course assignments, research, etc. The library collection consists of over 200,000 cataloged volumes in addition to a large body of general and denominational periodicals (625 current subscriptions) and other serial materials. A Curriculum Lab contains curriculum material published by LifeWay Christian Resources, other SBC agencies, and the Woman's Missionary Union.

All students except online students are required to have a Midwestern Identification Card that serves as the student’s library card. Access to print resources,
computers, as well as online databases is permitted only with a valid ID card.

**Limiting Credit Hours and/or Employment Hours**

To exceed the maximum class load of 18 credit hours per semester, a student must obtain approval of the Academic Dean. A student working in excess of 20 hours per week in secular and/or religious employment is advised to enroll for a reduced academic load. The faculty advisor will work with the student in assessing his/her workload. A student working in excess of 35 hours per week in secular and/or religious employment is advised not to enroll for more than 14 credit hours per semester.

**Main-Campus Instructional Requirement**

The ‘main-campus instructional requirement’ of any degree is the number of credit hours toward that degree which must be earned through courses scheduled at the main campus of MBTS in Kansas City, MO. For most master’s degrees, at least one third of the credit-hours required must be earned through main-campus courses. In such cases, the remaining two-thirds of the required credit-hours for master’s degrees may be earned through any combination of online and on-campus instruction. Practicums and field-supervised learning experiences can be used to satisfy the main-campus instructional requirement. For specific main-campus requirements pertaining to any master’s degree, students should refer to the ‘location’ section of that degree in the following catalog pages. Students should also note that the main-campus requirement to qualify for campus housing may differ from the requirements given with each master’s degree. For information regarding on-campus housing and credit-hour requirements, students should contact the Seminary Housing Office at (816) 414-3817.

**Nondegree-Seeking Students**

Students who desire to take occasional classes for credit, or who wish to take classes full-time before deciding on a particular degree-program, are classified as ‘nondegree-seeking.’ To take classes for credit on a nondegree-seeking basis, students must complete the Nondegree-Seeking Student Application for Admission, be formally admitted, and pay the applicable tuition and fees before taking more than 3 credit-hours of classes. Students may refer to the Admission section of this catalog for more information.

**Pre-enrollment**

Pre-enrollment is strongly encouraged for all current students to secure a seat in courses offered. Before pre-enrolling, students should check their student accounts and make payment arrangements for any unpaid balance.

Pre-enrolled students complete registration by paying the registration, tuition, and course fees before or on their due dates. Students should check their student portal to view registered classes and to make payment arrangements.

**Program Extensions for International Students**

The program duration for an F-1 Visa student is determined by the expected length of study established by the school (e.g., 36 months DMin and DCour; 48 months, DEdMin; 60 months, PhD) and documented on Line 5 of the I-20 by a program end date. If the student realizes that he/she is not going to graduate by the semester documented on the I-20, he/she may request more time (a program extension) prior to the expected graduation for reasons limited to the following:

- Changes of major or research topic
- Unexpected problems with research
- Documented illness.

Delays due to academic probation or suspension do not qualify as reasons for extension.

In each case, recommendation for extension must come from the student’s academic advisor and dissertation supervisor for doctoral students. Also, students will have to provide updated financial support documentation to verify that they have the financial capacity to stay for the additional amount of time.

**Readmission of Service Members/Veterans**

Midwestern complies with the federal requirements for Readmission of Service Members/Veterans as specified in Title 34 CFR § 668.18 and listed in the Federal Register/ Vol. 74, No. 208/ Thursday, October 29, 2009. Although some exceptions exist, this compliance provides the following assurances:

- A re-enrolling veteran may not be denied readmission on the basis of his or her military service
- The eligible veteran may enroll during the next term after he or she has indicated intent to re-enroll
- The eligible veteran may be admitted with the same academic status (i.e., to the same degree program, with the same enrollment status, with the same number of credits, and with the same satisfactory academic progress status)
- During the first academic year of re-enrollment, the veteran is assessed the same tuition and fee charges as were in effect during the academic year he or she left Midwestern to report for military service unless the difference in cost will be paid by the veteran’s education benefits with no loss of benefits to the veteran.

In most cases, the veteran must apply for readmission within five years of completion of military service. In cases where the veteran may no longer be prepared to be

Page | 40

Academic Information
readmitted with the same academic status (e.g., to continue in the next level of a language course), Midwestern will make a reasonable effort to help prepare the veteran. This effort might include provision of refresher courses at no extra cost to the veteran or some other appropriate provision.

To re-enroll, the veteran should notify the Admission’s Office of his or her intent to reenroll, submit a completed Application for Admission form to provide current information to update the student data system, and provide proof of his or her induction or discharge from active military service and a current Certificate of Eligibility. The veteran should also contact the Financial Aid Office to complete any necessary paperwork for receipt of eligible benefits and/or financial aid.

Registration and Matriculation
Students can register online for classes through their student portal. Online registration opens April 1 for summer and fall semesters and October 1 for January and spring semesters. Any student with a hold on his/her account cannot register online.

Students who are still in the application phase are allowed to enroll in only one class until they are fully or conditionally admitted.

Once a student is enrolled in classes, he or she must complete matriculation before the due date. Matriculation is the process by which a student becomes registered, confirms his/her student information, and makes payment arrangements. For further information, see the Matriculation policy under Financial Information section of this catalog. For procedures related to the adding or dropping of classes, see the Course Change policy under the Academic Policy section of this catalog.

Residency Requirements
Residency requirements refers to the number of credit hours of a degree that must be earned through Midwestern (i.e. distance education [online] or on-campus classes).

Satisfactory Academic Progress (SAP)
A student must maintain a cumulative grade point average (GPA) of 2.0 or higher for all coursework taken at Midwestern to remain in satisfactory academic standing. The SAP policy is different for undergraduate, master’s, and doctoral students. For guidelines, a student should refer to Academic Probation in this section of the catalog. Federal guidelines require recipients of federal Title IV financial aid to satisfy additional standards (see Federal Financial Aid section in this catalog for detailed SAP requirements).

Scheduling Plan
Midwestern’s curriculum is structured around two fifteen-week semesters. Courses are also offered in January and summer terms in one- and two-week intensive formats. Some graduate courses are also available online and are structured around two 8-week terms per semester. The goal of the scheduling plan is to make classes accessible to as many students as possible.

Special Status
Students not currently admitted who wish to take a special course at Midwestern, such as a seminar, workshop, conference, or other special event, must complete the online Special Status Application and pay the applicable tuition and fees. Students may take up to 4 credit hours of such courses while in the application process. To take regular online or classroom courses, students should apply to be degree-seeking or non-degree seeking students.

Students without a Baccalaureate Degree
Enrolling in Master’s Level Courses
Undergraduate students may request to enroll in a master’s level course for credit or audit but must obtain approvals from the professor of the master’s course, the Dean of the College, the Seminary Academic Dean, and the Registrar for each master’s level course. Students may enroll only if space is available. In the event a course reaches an enrollment limit, master level students will have priority. In addition, per accreditation requirements, 80% or more of the registered students must be master’s level students. Master’s courses used to meet undergraduate degree requirements may not be used at a later time to meet master’s degree requirements. Grades awarded are based on the grade and syllabus requirements for the master’s level course. Course requirements are not reduced for undergraduate students.

Student’s Responsibility and Academic Advising
An academic advisor is available to provide guidance concerning academic programs and to verify the accuracy of course selections, but students are ultimately responsible for knowing program requirements and proceeding to satisfy those requirements in an orderly and timely manner.

Study Skills
If a student’s GPA falls below 2.0 at the end of a semester, the student will be placed on probation and automatically enrolled in the Study Skills course when the student enrolls for his/her next course. For example, if an online student only takes a course in Term B, that student cannot take the Study Skills course in Term A. The Study Skill course is a one-credit hour, pass/fail course. Regular tuition and fees will be charged. This credit does not count toward meeting graduation or degree requirements.

The instructor for the Study Skills course will work with the student to help the student develop the requisite skills for academic success. If a student’s GPA is not
Graduation Honors

Graduation honors are awarded to qualified graduates of Midwestern’s degree programs. Graduate students who complete degree requirements with an overall cumulative grade point average (GPA) of 3.60 to 3.799 will receive the notation “With Honors” upon graduation. Graduate
students with an overall cumulative GPA of 3.80 or above will receive the notation "With Highest Honors" upon graduation. The cumulative GPA includes courses taken at Midwestern to meet degree requirements. Graduates of the Midwestern’s Women’s Institute program are not recognized with honors.

Participation in Commencement

Upon satisfactory completion of the prescribed course of study and all other requirements for graduation, the student is entitled to graduate. The requirements for the degree earned by the student will be determined by the catalog in use when the candidate first enrolls at Midwestern. If a student desires to graduate under the requirements from a subsequent catalog issued while pursuing a degree, the student may petition the Registrar for permission to do so. Midwestern may require a student whose enrollment has continued beyond five years to graduate according to the requirements of a more recent catalog.

Participation in Commencement for Students Lacking Hours

If a student is approved to take a course(s) at another school during his/her final semester at MBTS, the student must provide an official transcript of that course to the MBTS Registrar’s Office at least two days prior to commencement. If the final grades for that course are not available from the other school, the student must provide documentation from the transfer school that shows that he/she is on track to pass the class with a grade of C- or higher. A student will be allowed to participate in the graduation ceremony with this documentation, but he/she will receive the diploma only after the MBTS Registrar’s Office receives an official transcript with the final passing grade. If following the ceremony, the student does not receive a C- or higher, he/she will not receive a diploma and must petition the Academic Policies Committee for approval to complete the requirement according to an alternate plan. Regardless of when the student completes all of the degree requirements, he/she is only eligible to participate in one commencement exercise for his/her degree.

A student who has not completed all requirements prior to the ceremony is ineligible to receive any scholastic awards at graduation or to be recognized at commencement as a recipient of academic honors. Academic honors earned at MBTS during the student’s course of study will be noted on the student’s diploma and transcript when all degree requirements have been completed.

Requirements for Graduation

GPA Requirement. To qualify for graduation, master’s degree and undergraduate students must attain a 2.0 or above cumulative GPA in all graded work taken at Midwestern or transferred from another institution to meet Midwestern’s degree requirements. All doctoral students must maintain a 3.0 or higher cumulative GPA on all work taken during their tenure in the program.

Residency Requirement. The student should refer to the Residency Requirements policy in the Academic Information section of the catalog.

Attendance at Commencement. Candidates are expected to be present for Commencement. Under unusual circumstances, a candidate may petition to graduate in absentia. A written petition requesting permission to graduate in absentia must be submitted to the Registrar for faculty approval no later than November 1st for the Fall Commencement and no later than April 1st for the Spring Commencement.

Other requirements
- Complete Graduate Exit form
- Complete exit counseling for students who received federal loans
- Complete Students Outcome Survey/Graduating Student Questionnaire
- Pay any unpaid balances

Midwestern offers a PhD in Biblical Studies, with available emphases in Old Testament, New Testament, biblical preaching, biblical theology, biblical ethics, biblical ministry and biblical missiology. The PhD is intended primarily to equip persons for vocations of teaching and research in theological schools, colleges, and universities or for the scholarly enhancement of ministerial practice.

The PhD degree program is under the direction of the Doctoral Studies Office. For more information, you can call 877-414-3755 or e-mail docstudies@mbts.edu.

Admission

In addition to the general criteria for admission to Midwestern Baptist Theological Seminary, applicants to the PhD degree program must satisfy the following criteria:

1. Hold an earned (a) ATS accredited Master of Divinity degree or (b) a graduate Master’s degree of at least 52 hours in a theological or related discipline from an accredited institution
2. Have a 3.0 grade point average or above on a 4.0 scale for all graduate-level studies
3. Demonstrate graduate-level competency in biblical Hebrew and Koine Greek (see language requirements below)
4. Demonstrate a basic knowledge of biblical hermeneutics/interpretation (i.e., by taking an introductory graduate-level hermeneutics course).

Along with submitting all completed application forms and the application fee, the applicant must do the following:

1. Request that original transcripts from each academic institution previously attended be sent to the Doctoral Studies Office
2. Submit an academic essay explaining the applicant’s call to PhD studies, current ministry setting, and explanation of interest in the requested concentration of study as an example of the applicant’s research and writing skills
3. Provide two academic references and one personal or professional reference
4. Provide a completed Church Endorsement Form.

International applicants must also submit the results of the Test of English as a Foreign Language (TOEFL) examination. For the internet-based test (iBT), a minimum total score of 80 is required with a minimum of 20 on each of the Reading, Listening, Speaking, and Writing sub-sections. Other forms of the TOEFL exam are not accepted unless prior approval is obtained from the Doctoral Studies Committee.

Applicants not meeting all admission requirements may petition to enter the program under provisional status. For information about this process, please contact the Doctoral Studies Office (877-414-3755 or docstudies@mbts.edu).

Language Requirements

Applicants to the PhD program must demonstrate an adequate working knowledge of both Greek and Hebrew. Demonstration of competency in both languages is required prior to admission to the program, unless otherwise approved by the Doctoral Studies Committee. Students lacking the required level of competency in either language may be admitted provisionally with the understanding that such deficiency must be remedied by the end of the first year of PhD studies. Acceptable competency in all required languages must be confirmed prior to taking comprehensive exams.

The level of competency in Greek and Hebrew is dictated by the particular needs of each emphasis. The basis for judging competency in all PhD language requirements is determined by a set number of credit hours earned in study at the Master’s level or higher. For example, the combined Biblical Studies emphasis needs a competency which is the equivalent of 12 hours of Greek and 12 hours of Hebrew earned on the Master’s level. The chart below lists the required credit hours for Greek and Hebrew by emphasis. The various ways in which each competency may be verified are listed below.

Students are also required to demonstrate a reading knowledge of one modern research language. Normally, the modern language would be either German or French. However, students may appeal to the Doctoral Studies Committee to substitute another modern language or statistics in lieu of German or French. The determination of the language to be required will take into consideration the student’s area of specialization, particular needs, and future ministry goals. For example, students enrolling in the Biblical Missiology emphasis may demonstrate proficiency in the language requirement of their chosen area of missional engagement. Other than German or French, the Doctoral
Studies Committee must approve the language requested by the student. Students must demonstrate or substantiate an acceptable reading knowledge of a modern language prior to taking comprehensive exams. If a student does not do so, that student will be placed on interrupted status and must remedy the deficiency within one semester. Failure to confirm modern language competency in a timely manner will place the student on probationary status and may cause termination from the program.

Competency in a language may be demonstrated in any one of the following ways:

1. By attending and passing a Master’s level course in the language at MBTS (Greek, Hebrew, Theological German, or Theological French). Tuition for these courses is the responsibility of the student and is not included in the PhD program tuition.

2. By attending and passing a comparable course on a Master’s level at an accredited educational institution (see www.chea.org). The student must confirm the completion of the course by submitting an official transcript showing a passing grade. The student may also be requested to furnish an official syllabus for the course.

3. By passing an approved exam proctored by an authorized faculty or staff member of MBTS. A fee will be charged for the exam. Applicants may contact the Doctoral Studies Office (doestudies@mbts.edu) for more details.

4. By providing acceptable evidence to the Doctoral Studies Committee substantiating the required level of proficiency.

Program Objectives

Students graduating from the Doctor of Philosophy program will be able to do the following:

1. Master a discernible field of study within their chosen theological discipline
2. Understand and demonstrate research methodologies and procedures appropriate to their chosen field of study
3. Demonstrate theological inquiry and hermeneutical expertise through writing and teaching within their chosen field of study
4. Exercise the liberty to develop and defend a research dissertation.

Location

All PhD seminars are generally offered on Midwestern’s main campus in Kansas City, Missouri.

Duration

The PhD degree is a 52-hour program usually requiring four years or more of academic study. All work for the degree must be completed within eight years.

PROFESSIONAL DOCTORAL PROGRAMS

Doctor of Ministry (DMin) and Doctor of Educational Ministry (DEdMin) degrees offered through Midwestern Baptist Theological Seminary are designed for persons seeking a high level of competence in the practice of ministry. The Doctor of Counseling (DCoun) is a program of professional study for students who desire to practice professional counseling at the highest level of clinical competence. The DMin and DEdMin are recognized by the Association of Theological Schools (ATS) as professional theological degrees. The DCoun is recognized by the Higher Learning Commission (HLC). Although the degrees are considered equivalent in quality to the Doctor of Philosophy (PhD), they differ significantly in that the latter seeks primarily to understand the way things are, with practical payoffs being a secondary concern.1

These degree programs are under the direction of the Doctoral Studies Office. For more information call 816-414-3755 or email docstudies@mbts.edu.

Admission

In addition to the general criteria for admission to Midwestern Baptist Theological Seminary listed earlier in this catalog, applicants to the DMin, DEdMin, or DCoun programs must have the following:

1. An earned Master of Divinity degree or equivalent from an accredited institution for entrance into the DMin program or an earned Master of Arts in Christian Education degree or equivalent (e.g., MDiv-CE concentration) from an accredited institution for entrance into the DEdMin program. A Master of Arts in Counseling (MACO) degree or equivalent from an accredited institution is required for entrance into the DCoun program.

2. A 3.0 grade point average or above on a 4.0 scale for all graduate level studies (students not meeting this standard may request to see the Low-GPA policy for Professional Doctoral Studies).

3. Three years of ministry experience is required for DMin since the completion of the first program appropriate master’s degree.

Upon receiving an application packet, the prospective student must submit/provide the following:

1. A completed Application for Admission form and application fee

2. A personal essay of 8-12 pages providing the applicant’s understanding of Christian ministry and describing the applicant’s calling, ministerial service to date, and ministerial goals with an explanation of how the doctoral program will help the applicant reach those goals

3. A letter of endorsement/recommendation from the applicant’s current ministry

4. Academic, personal, and professional references

5. Original transcripts from each academic institution previously attended sent to the Doctoral Studies Office.

International applicants must also score a minimum of 80 on internet-based test (iBT), and 550 on the written version or 213 on the computer version of the Test of English as a Foreign Language (TOEFL) examination. The TOEFL requirement is waived for Korean students who are in degree programs taught in Korean-Speaking and for Spanish-speaking students in doctoral programs taught in Spanish.

Applicants not meeting all admission requirements may petition to enter the program under probationary status. Information about probationary admission may be requested from the Doctoral Studies Office (1-877-414-3755 or docstudies@mbts.edu).

Professional Doctoral Studies Objectives

Students graduating from a Professional Doctoral Studies program will be able to do the following:

1. Draw on the resources of the classical area of theological study

2. Do original field research and needs analysis

3. Organize and motivate others to carry out such program plans with a high level of competence

4. Move beyond routinely accepted techniques of ministry toward new dimensions, methods, and outreach.

Seminars

Required seminars (doctoral courses) are offered multiple times per year. All new DMin and DEdMin students must complete the Professional Doctoral Colloquium Seminar prior to enrolling in any other seminars. Concentration seminars are also offered at various times throughout the year. DCoun students have a separate course listing from the DMin and DEdMin students.

Each seminar is offered as a week-long intensive course with pre- and post-coursework. The Dissertation Preparation seminar should be completed as the last seminar because it transitions the student into the ministry project phase of the program.

Location

All foundational doctoral seminars are offered on Midwestern’s main campus in Kansas City, Missouri.

Status

The DMin, DEdMin, and DCoun are continuous enrollment programs. Students enroll in a minimum of two seminars each year until all requirements are met. During the project dissertation phase of the program, students continuously enroll each fall and spring semester in 30999 Ministry Project Dissertation-Research (1-6 hours) until the project dissertation is ready to defend; students then register

---

for 30990 Ministry Project Dissertation-DMin or 30995 Ministry Project Dissertation-DEdMin.

Students who are unable to maintain continuous enrollment status may request to be placed on a one-year interrupted status for a medical or ministry-related hardship. A fee of $250 is assessed for each semester on interrupted status. Students requiring a longer suspension of continuous enrollment may request to be placed on inactive status for a period not to exceed three years. An inactive status fee of $500 per year is charged to the student. Updated information and admission requirements must be met before reentering the program. No academic work may be done while on interrupted or inactive status.

**Ministry Project Dissertation**

After the completion of all seminars, the student is required to design, implement, and evaluate a ministry project. The ministry project will demonstrate the student's integration of theological education and ministry practice. From idea conception to oral defense, the ministry project usually takes 10 to 16 months and results in a dissertation of at least 100 pages, not including appendices and bibliography.

The Doctor of Counseling is unique in its practice of a clinically descriptive and biblically prescriptive counseling model. This model combines the best practices of the behavioral sciences to describe emotional issues and applies biblical concepts to solve emotional issues. This treatment approach is compatible with counselors who desire to join correctly the Christian perspective with contemporary scientific methodology and clinical techniques of the counseling profession.

MASTER’S PROGRAMS

Midwestern Baptist Theological Seminary offers two types of professional Master degrees, a Master of Divinity degree and Master of Arts. MBTS also offers a Research/Academic Master of Arts. Several areas of concentration or majors are offered under each. A Graduate Certificate offers biblical, theological, historical, and personal training for lay ministry in the local church.

Through these degree programs, Midwestern prepares students to be ministers who demonstrate commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. Midwestern believes that while both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture. A ministry mindset is instilled in students with an Acts 1:8 foundation. Students are prepared to worship God, evangelize the lost, edify believers, and establish healthy New Testament churches for the purpose of glorifying God.

Master of Divinity (MDiv)

Purpose
The Master of Divinity (MDiv) degree is the basic seminary degree for college graduates. It is the appropriate first professional degree for individuals who anticipate ordination. The standard MDiv degree program requires 81 semester hours. It is designed for individuals who anticipate serving as pastors, evangelists, associate pastors, missionaries, or in other ministries that emphasize expository preaching or teaching of the Word of God. In most cases, the MDiv degree is also the appropriate degree for students who anticipate doctoral training and a ministry of college or seminary level teaching.

To meet the needs of students preparing for ministries with specific concentrations, Midwestern offers eight concentration tracks within the MDiv degree. All MDiv degree concentrations require 90 semester hours with the exception of Counseling which requires 96. Concentrations are offered in Biblical Languages, Christian Education, Church Planting, Counseling, International Church Planting, Leadership, Preaching and Pastoral Ministry, and Youth Ministry.

MDiv Degree Objectives
Students graduating from the MDiv degree program will be able to do the following:
1. Develop increased biblical and theological knowledge
2. Facilitate interpretation of Scripture using appropriate hermeneutical principles
3. Encourage formulation of theological beliefs based on biblical and historical perspectives
4. Progress in the practice of classical spiritual disciplines
5. Develop a Great Commission perspective that is demonstrated by skills in evangelism, equipping disciples, preaching and teaching, corporate worship, and leadership.

Program Content
The MDiv degree program provides a breadth of exposure to the theological disciplines as well as a depth of understanding within those disciplines. It provides students opportunities for the appropriation of theological disciplines, for deepening understanding of the life of the church, for ongoing intellectual and ministerial formation, and for exercising the arts of ministry.

Location
All MDiv students are required to complete at least one year of full-time study or its equivalent (i.e., thirty credit hours) through on-campus classes. The Residency Requirements in Academic Policies section of this catalog provide details for the completion of a degree.

Duration
The MDiv degree typically requires three years of full-time academic study or its equivalent. Effective as of June 2, 2013, all course credits applied toward the MDiv degree requirements should be earned within ten years of the awarding of the degree.

Admission
The MDiv degree is a post-baccalaureate degree. Admission requirements include a baccalaureate degree from an accredited institution, evidence of the commitment to and qualities desired for pastoral leadership, and the academic ability to engage in graduate education.

Distinctive Resources
MDiv students have access to community life that provides informal educational experiences, religious fellowship, and opportunity for reflection upon the meaning of faith in its relation to education for ministry.

MASTER OF ARTS

Purpose
The Professional Master of Arts is an academic track that unites the core elements of a divinity degree and that of a graduate school. In this program the student will experience a deep and fundamental commitment to biblical fidelity, theological truth, and ministerial training as well as the broad scope of education offered in a liberal arts-type track. This program draws intellectual resources from the social sciences and humanities in order to inform the ministerial side of formal training with leadership, managerial, organizational, psychological, sociological, and interpersonal prowess.

This integrated approach to education honors the intellectual products of God’s general revelation which come from studies in science and technology while integrating those understandings which are consistent with biblical truth by rigorous inquiry into the various areas of special revelation. Through a non-compartmentalized approach on inquiry that is subject to the boundaries and instruction of Holy Writ and while utilizing the breadth of revealed truth found in extra-biblical resources, the Master of Arts concept and subsequent degrees have been born.

The research Master of Arts degree programs are designed to give students advanced training and research in two areas of study: biblical archaeology and biblical languages. They do not prepare students for ministry in the local church. These programs are designed for students who desire to pursue advanced graduate degrees or professional employment in these areas.

Master of Arts in Church Music, (MACM)

Purpose

Midwestern offers the Master of Arts in Church Music (MACM) degree with a primary focus on the preparation of the minister of music for service in local church settings. The MACM enables the student to gain proficiency in the development of music skills within the context of an understanding of the total mission and ministry of the church.

This degree is designed to be a two-year program for full time students who meet the appropriate entrance requirements. A bachelor's degree in music is a prerequisite. However, students with non-music bachelor's degrees may also enter the program by completing a series of pre-master's music courses or by successfully completing a series of placement examinations.

MACM Degree Objectives

Students graduating from the MACM degree program will be able to do the following:
1. Demonstrate appropriate competencies in music theory, history, and literature
2. Demonstrate a high level of applied musical skills and performance discipline
3. Demonstrate organizational and leadership skills in church music ministry
4. Integrate a Christian lifestyle and professional musical development
5. Demonstrate a balanced approach to church music.

Placement Exams and Pre-Master’s Courses

All students desiring to enter the MACM degree program are required to take a series of examinations to determine the level of undergraduate music proficiency. If the student does not have a bachelor’s degree in music or has never taken undergraduate classes in music theory, ear training, music history, or conducting, he/she must take the pre-master’s or undergraduate classes. Placement exams are given just prior to new student orientation each semester and are offered in conjunction with the undergraduate course rotation schedule. The results of the examinations and auditions will assist the faculty in determining courses that may be required to remove any undergraduate level deficiencies. The Church Music Program Handbook (available in the Music Office) contains greater detail regarding the placement exams. These exams are given the day before New Student Orientation each fall and spring.

Placement exams test for skills and knowledge in the following undergraduate courses:
- U-MU101 Music Theory I (2 hrs)
- U-MU102 Aural Skills and Sight-Singing I (2 hrs)
- U-MU103 Music Theory II (2 hrs)
- U-MU104 Aural Skills and Sight-Singing II (2 hrs)
- U-MU201 Music Theory III (2 hrs)
- U-MU202 Aural Skills and Sight-Singing III (2hrs)
- U-MU203 Music Theory IV (2 hrs)
- U-MU204 Aural Skills and Sight-Singing IV (2hrs)
- U-MU310 Form and Analysis (2hrs)
- U-MU231 Music History I (2 hrs)
- U-MU232 Music History II (2 hrs)
- U-MU340 Basic Conducting (2 hrs)

Performance Areas and Piano Proficiencies

Students choose a major performance area: voice, piano, or another instrument. They also choose a secondary performance area. If the major area of performance is voice or an instrument other than piano or organ, the secondary area will normally be piano. If the major applied area is in a keyboard instrument (piano or organ), then voice or another instrument will be the secondary area. Applied studies in other instruments will depend on the availability of qualified applied faculty. Students present a culminating performance project or recital in their major area of performance. This must be a presentation of appropriate music literature from major style periods.

All students are required to pass a piano proficiency examination to complete requirements for the MACM. In addition, all students whose primary area of applied study is not voice are required to pass a voice proficiency examination. These examinations are to be completed one semester before graduation. Requirements are included in the Church Music Program Handbook, which is available in the Music Office.

Location

Courses unique to the MACM degree program are only offered on campus in Kansas City. All students are required to complete at least two-thirds of the required credits for the degree through on-campus classes.

Duration

The MACM degree typically requires two years of full-time academic study or its equivalent. Although this degree is designed in terms of the rotation of full-time courses within the church music area to be a two-year degree, this schedule assumes the student has tested out of all pre-master’s requirements and needs no remedial work requiring the taking of additional courses. It is rare for a church music student to have no remedial work. Most students will need to take some pre-master’s work in either music theory or history thus prolonging the time students spend pursuing the degree. In addition, church music students must pass piano proficiencies and adequately prepare for a recital in their primary area of applied study. These activities can also prolong the time spent earning the church music degree.

Effective as of June 2, 2013, all course credits applied toward the Master of Arts in Church Music degree requirements should be earned within ten years of the awarding of the degree.

Distinctive Resources

Programs of Study
MACM students have access to community life that provides informal educational experiences, religious fellowship, and opportunity for reflection upon the meaning of faith in its relation to education for ministry.

For music students in particular, there are significant vocational ministry opportunities in the Kansas City metro area as worship leaders or accompanists.

Master of Arts in Counseling, (MACO)

MBTS offers a 60-hour Master of Arts in Counseling (MACO) degree, designed to help students meet the educational requirements for licensure in Missouri, Kansas, and many other states. As of this printing, state licensure requires a minimum of 48 counseling hours in Missouri and 60 counseling hours in Kansas. Since licensure requirements are specific to each state, students seeking a license in a particular state are encouraged to read the licensure requirements of that state in order to create a program at MBTS which satisfies its criteria.

The MACO requires a 500-hour internship, taken in the spring of the last semester of the program. Students not completing this internship requirement must enroll in the summer internship course for an additional 3-credit hours.

The MACO equips students with the professional skills required to deliver counseling services that meet the standard of care for mental health counseling. Settings for such services might include local church ministry, private practice, hospital-based counseling, and in various public agencies. However, graduation from the MACO program at MBTS does not guarantee licensure eligibility, since other factors such as poor licensure test scores and disqualifying behavioral patterns, plus other restrictions, may compromise the student’s ability to gain state licensure.

The seminary reserves the right to require the student to obtain professional counseling for himself/herself, or to require the student to move to another degree program, if that change is deemed necessary. The student will be notified of these actions privately with due time to allow for the changes.

MACO Degree Objectives

Students graduating from the MA in Counseling degree program will be able to do the following:

1. Demonstrate an understanding of the biblical, theological, historical, and psychological foundations of Christian counseling
2. Demonstrate an understanding of how developmental issues and trauma experiences impact the counseling process
3. Demonstrate an understanding of how to select, train, supervise, and evaluate a lay, care-giving ministry that supports the work of the local church, association, and denomination
4. Identify the causes and treatments of the most common counseling problems encountered in a ministry or private setting and apply appropriate counseling principles and techniques to correct the problems
5. Demonstrate professional skills in the areas of diagnosis, treatment, preventive care, remedial care, referral, self-care, and support group ministry.

Location

Courses unique to the MACO degree program are only offered on campus in Kansas City. Day, evening, Saturday, and J-Term courses are offered. All students are required to complete at least one year of full-time study or its equivalent (i.e., thirty credit hours) through on-campus classes.

Duration

This degree typically requires two to three years of full-time academic study or its equivalent. Effective as of June 2, 2013, all course credits applied toward the Master of Arts in Counseling degree requirements should be earned within ten years of the awarding of the degree.

MASTER OF THEOLOGICAL STUDIES (MTS)

Purpose
The purpose of the Master of Theological Studies degree program is to provide a basic understanding of theological disciplines for further graduate study or for general educational purposes. The specific nomenclature for this degree program, which is governed by the same standards, has been chosen according to Midwestern Baptist Theological Seminary’s specific purpose in offering the program and it reflects the needs and interests of the students enrolled, students who are seeking a degree with a theological core.

This program draws intellectual resources from the social sciences and humanities in order to inform the ministerial side of formal training with leadership, managerial, organizational, psychological, sociological, and interpersonal prowess.

This integrated approach to education honors the intellectual products of God’s general revelation which come from studies in science and technology while integrating those understandings which are consistent with biblical truth by rigorous inquiry into the various areas of special revelation. Through a non-compartmentalized approach on inquiry that is subject to the boundaries and instruction of Holy Writ and while utilizing the breadth of revealed truth found in extra-biblical resources, the Master of Theological Studies concept and subsequent degrees have been born.

Midwestern Baptist Theological Seminary’s goals for the MTS degree program include the attainment of a survey of knowledge and understanding of various theological disciplines, including interdisciplinary knowledge and focused knowledge in biblical study. The achievement of student learning outcomes for the degree is expected to contribute to meeting these programmatic goals. The MTS Curriculum, illustrates the commitment of Midwestern Baptist Theological Seminary to aiding the students in the program in the attainment of such a broad array of knowledge and understanding.

MTS Degree Objectives
Students graduating with the Master of Theological Studies degree will be able to do the following:
1. Demonstrate increased biblical and theological knowledge
2. Interpret and apply Scripture more effectively using appropriate hermeneutical principles
3. Formulate maturing theological convictions based on Scripture, with due notice of their prior historical development
4. Initiate and maintain a practice of classical spiritual disciplines
5. Develop a Great Commission perspective that finds expression in evangelism, missions, and commitment to local church ministry.

Degree Capstone
The Master of Theological Studies degree program requires the successful completion of a capstone experience. Students must complete this course in their final semester in the degree program.

Location
All courses for the degree, except for the Capstone Experience course, are provided in an approved distance education program that provides access to appropriate resources of faculty, library, and a community of learners pursuing similar programs of study. Midwestern Baptist Theological Seminary is approved for Comprehensive Distance Education and students are engaged in a community of learning online whereby faculty and students have opportunities for regular and substantive interaction. The Capstone Experience is an on-campus course during the week of graduation.

Duration
This degree typically requires two years of full-time academic study or its equivalent. In those cases where an exception is warranted, because a person or persons admitted to the degree program and pursuing the degree have some advanced theological study or have prior extensive undergraduate studies in appropriate foundational areas, they may be able to complete the program in one year of course work. Effective as of June 2, 2013, all course credits applied toward the Master of Theological Studies degree requirements should be earned within ten years of the awarding of the degree.

Admission
The MTS degree is a post-baccalaureate degree. Admission requirements include a baccalaureate degree from an accredited institution, evidence of the commitment and qualities desired for Christian leadership, and the academic ability to engage in graduate education.

Distinctive Resources
MTS students have access to community life that provides informal educational experiences, religious fellowship, and opportunity for reflection upon the meaning of faith in its relation to education for ministry.

Concluding Evaluation
The institution’s Graduate Certificates require the successful completion of a concluding comprehensive assessment. This comprehensive assessment must be completed prior to participation in Commencement and graduation.

Midwestern Women’s Institute

Purpose
Midwestern Women’s Institute (MWI) provides a course of study for any woman who wants to enable and enhance spiritual and practical skills necessary for effective service. THE SEMINARY'S IDENTITY

Midwestern Baptist Theological Seminary is an entity of the Southern Baptist Convention, serving as a community of learning for persons called to ministry. The Seminary's primary source of support is the Southern Baptist Cooperative Program. The Seminary is governed by a board of 35 trustees elected by the Southern Baptist Convention with 7 trustees elected on a rotating basis each year. In accordance with the Program Statement for seminaries adopted by the Southern Baptist Convention in 1979, Midwestern is primarily a graduate professional school. It is accredited by the Association of Theological Schools and the Higher Learning Commission. It provides academic programs leading to the Master of Divinity, Master of Arts, Master of Theological Studies, Doctor of Ministry, Doctor of Counseling, Doctor of Educational Ministry, and Doctor of Philosophy in Biblical Studies, as well as undergraduate studies.

The Seminary's Relationship with The Churches

One Faith, One Task, One Sacred Trust: A Covenant Between Our Seminaries and Our Churches

"You therefore, my son, be strong in the grace that is in Christ Jesus. And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also." II Timothy 2:1-2

For over 135 years, the churches of the Southern Baptist Convention have looked to their seminaries for the training and education of their ministers. These six schools were established and undergirded by Southern Baptists in order that our churches may be served by a more faithful ministry.

This is a critical moment in the history of the Southern Baptist Convention—and for our seminaries. The six seminaries serving this denomination bear a precious and perishable responsibility on behalf of our churches, for we are entrusted with those who will be their ministers, pastors, preachers, and servants.

Looking to the dawn of the twenty-first century, we hereby restate and reaffirm our commitment to the churches we serve, to the convictions those churches hold and honor, and to charge we have received on their behalf.

One Faith

The church of Jesus Christ is charged to contend for the faith once for all delivered to the saints. Our seminaries, charged with the theological formation of ministers, must take this charge as central and essential to our mission. In an age of rampant theological compromise, our seminaries must send no uncertain sound.

Let the churches of the Southern Baptist Convention know that our seminaries are committed to theological integrity and Biblical fidelity. Our pledge is to maintain the confessional character of our seminaries by upholding those doctrines so clearly articulated in our confessions of faith; by teaching the authority, inspiration, inerrancy, and infallibility of the Bible; by maintaining the purity of the Gospel and affirming the identity of Jesus Christ, by whose blood we have been redeemed and in whose name alone salvation is to be found; and by proclaiming with boldness the precious and eternal truths of God's Word.

In this we stand together, and we stand with our churches. We understand that those who teach take on an awesome responsibility, and will receive from our Lord a stricter judgment. We stand before this convention and our churches to declare that we stand together in one faith, serving our Lord Jesus Christ.

One Task

Our mission is to prepare ministers for service. We cannot call ministers, nor appoint them to service. Ministers, called by God and commissioned by our churches come to us in order that they may through our seminaries receive learning, training, and inspiration for service. Preachers, evangelists, missionaries, and those who minister throughout the life of the churches come to our seminaries with the hope that they will leave their programs of study better equipped, armed, and matured for the faithful exercise of their calling.

Our mission is to remain ever true to this task. We declare our unflinching resolve to provide the very finest programs of theological education for ministry. We will match theological fidelity to practical ministry, passion to practice, vision to calling, and honor to service. This is our task.

One Sacred Trust

Our schools are not generic institutions for religious studies. We are the six theological seminaries serving the Southern Baptist Convention. We belong to you—we belong to the churches of this Convention. We are proud to carry your charge, and we declare our fidelity to you as a sacred trust. In this trust we stand before the Southern Baptist Convention, and we stand together.

Through the trustees elected by this Convention, our churches must hold our seminaries accountable to the faith once for all delivered to the saints, to the essential task of training and educating ministers, and to the sacred trust that unites our seminaries and our churches.

As the presidents of your seminaries, we declare our unbending and fervent resolve to uphold all of these commitments. We will lead our institutions so that no harm shall come to your students and ministers; so that they will be rooted and grounded in the truth; so that they will be trained as faithful and effective preachers and teachers; so
that they will bring honor to the church and not dishonor;
and so that we shall be able to give a good answer and receive a good report when we shall face that stricter judgment which is to come.

This is our pledge, our resolve, our declaration. One Faith, One Task, One Sacred Trust.

Signed by the Presidents of the six Southern Baptist seminaries in the presence of the Messengers to the 140th Session of the Southern Baptist Convention, meeting in Dallas, Texas, June 17, 1997.

Midwestern’s Institutional Mission, Values and Objectives

Purpose Statement of the Southern Baptist Seminaries

Southern Baptist theological seminaries exist to prepare God-called men and women for vocational service in Baptist churches and in other Christian ministries throughout the world through programs of spiritual development, theological studies, and practical preparation in ministry.

Mission Statement of Midwestern Baptist Theological Seminary

Midwestern Baptist Theological Seminary serves the church by biblically educating God-called men and women to be and make disciples of Jesus Christ.

Core Values

Ministry is Biblical: We believe that the Bible is the authoritative inerrant word of God and thus, it instructs, motivates, and guides us in all areas of ministry. We are committed to helping students know, communicate, apply, and practice biblical truth.

Ministry is Leadership: We seek to develop leaders who exemplify and communicate God’s vision in their ministry settings.

Ministry is Relational: We believe Christ-like relationships with God, family, church, community, and world are essential and should be cultivated.

Ministry is Personal and Spiritual: We seek to provide an atmosphere for students that cultivates consistent, disciplined, and balanced spiritual growth and that validates their call to ministry. We strive to accomplish this through biblically-based teaching and providing opportunities to develop a lifestyle of Christian love and integrity.

Ministry is Focused: From our Midwest context: We prepare students to be 21st century ministers who demonstrate commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. As such, we believe that while both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture. We instill in students a ministry mindset with an Acts 1:8 foundation. We prepare students to worship God, evangelize the lost, edify believers, and establish healthy New Testament churches for the purpose of glorifying God.

Teaching and Learning Values

We seek to train students to integrate biblical teaching within Midwestern's theological context to equip students to mature in their Christian worldview and professional ministry skills.

Learning Objectives: Through its exegetical, theological, and practical educational processes, MBTS seeks to produce students who will: Believe that the Bible is authoritative and inerrant (2 Tim 3:15-16; 2 Pet 1:19; Mt 5:17-18). Understand and apply biblical and theological truth (Rom 15:3-5; Jn 17:17). Exemplify biblical leadership and doctrinal integrity in ministry (1 Pet 5:2-4). Demonstrate Christ-likeness in seeking and cultivating all relationships (Eph 4:30-32; Col 3:12-13). Manifest a developing and disciplined Christian life (Gal 5:22-23; 2 Pet 1:5-7; 1 Tim 4:7). Be equipped to minister in culturally relevant ways (1 Cor 9:19-23). Commit themselves to fulfilling the Great Commission in worshipping God, in evangelizing the lost, in edifying believers, and in establishing healthy New Testament Churches (Mt 28:18-20; Eph 4:11-14).

Approved by the Faculty of Midwestern Baptist Theological Seminary on April 11, 2001 and adopted by the Board of Trustees of Midwestern Baptist Theological Seminary on April 23, 2001.

The Seminary's Confession of Faith

The Trustees of Midwestern Baptist Theological Seminary, upon the founding of the seminary in 1957, adopted as the Seminary’s confession The Baptist Faith and Message, which was adopted by the Southern Baptist Convention in 1925. The revisions to The Baptist Faith and Message made by the Southern Baptist Convention in 1963, 1998 and 2000 have been subsequently adopted by the Trustees. The Seminary's current confession of faith, The Baptist Faith and Message, 2000, along with the report of the convention's latest study committee, is as follows:

Report of the Baptist Faith and Message Study Committee to the Southern Baptist Convention

Adopted, June 14th, 2000.

The 1999 session of the Southern Baptist Convention, meeting in Atlanta, Georgia, adopted the following motion addressed to the President of the Convention:
"I move that in your capacity as Southern Baptist Convention chairman, you appoint a blue ribbon committee to review the Baptist Faith and Message statement with the responsibility to report and bring any recommendations to this meeting next June in Orlando."

President Paige Patterson appointed the committee as follows: Max Barnett (OK), Steve Gaines (AL), Susie Hawkins (TX), Rudy A. Hernandez (TX), Charles S. Kelley, Jr. (LA), Heather King (IN), Richard D. Land (TN), Fred Luter (LA), R. Albert Mohler, Jr. (KY), T. C. Pinckney (VA), Nelson Price (GA), Adrian Rogers (TN), Roger Spradlin (CA), Simon Tsoi (AZ), Jerry Vines (FL). Adrian Rogers (TN) was appointed chairman.

Your committee thus constituted begs leave to present its report as follows:

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessional people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility of guarding the treasury of truth that has been entrusted to us [2 Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on "The Family" in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, "revised at certain points and with some additional articles growing out of certain needs...." We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 "statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life..." It is, therefore, quoted in full as a part of this report to the Convention:

(1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the "certain needs" of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is "the Way, the Truth, and the Life."

The 1963 committee rightly sought to identify and affirm "certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified." Our living faith is established upon eternal truths. "Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us."

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

Respectfully Submitted,

The Baptist Faith and Message Study Committee
Adrian Rogers, Chairman
THE BAPTIST FAITH AND MESSAGE, 2000

I. The Scriptures
The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II. God
There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father
God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son
Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit
The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

D. **Glorification** is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. **God's Purpose of Grace**

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. **The Church**

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its spiritual officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.
The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal...
support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to Biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on Biblical truth. Children are to honor and obey their parents.
