

**Midwestern Baptist Theological Seminary  
International Student Certificate of Finance Form**

*Please read prior to completing this form*

The purpose of the Certification of Finances is to obtain complete and accurate information about the funds available to international applicants who want to study in the United States. Strict government regulations, rising educational costs, and economic conditions have made verification of financial resources on international applicants essential. Institutions do not have the option of deciding whether or not to verify the financial resources of their international applicants; financial verification must be made prior to institution issuance of Certificates of Eligibility (Form I-20).

Please notify the International Office if you have questions or concerns about the Certificate of Finance Form. The International Office can be reached at [international@mbts.edu](mailto:international@mbts.edu) or 816-414-3713.
